Preamble

This Agreement entered into by the Executive Branch of the State of New York hereinafter referred to as the "Employer" and the Police Benevolent Association of New York State, Inc., hereinafter referred to as the "PBA", on behalf of all employees in the bargaining unit in every agency where they may be employed, has as its purpose the promotion of harmonious employee relations between the Employer and the PBA, the establishment of an equitable and peaceful procedure for the resolution of differences and the establishment of salaries, wages, hours of work and other terms and conditions of employment.

BILL OF RIGHTS

To insure that individual rights of employees in the Agency Police Services Unit ("APSU") are not violated, the following shall represent the Employees' Bill of Rights:

- (A) An employee shall be entitled to PBA representation at each and every step of the grievance procedure set forth in this Agreement.
- (B) An employee shall be entitled to PBA representation, including a PBA lawyer, at each stage of a disciplinary proceeding instituted pursuant to Article 8 of this Agreement.
- (C) No employee shall be requested to sign a statement of an admission of guilt to be used in a disciplinary proceeding under Article 8 without having PBA representation.
- (D) No recording devices of any kind shall be used during any disciplinary proceedings except as provided for in Article 8, unless agreed to by all parties and each party receives a copy of the recording.
- (E) In all disciplinary hearing proceedings under Article 8, the burden of proof shall rest with the Employer.
- (F) An employee shall not be coerced or intimidated or suffer any reprisal either directly or indirectly that may adversely affect his/her hours, wages or working conditions as the result of the exercise of his/her rights under this Agreement.
- (G) An employee shall be entitled to representation by the PBA, including a PBA lawyer, at an interrogation if it is contemplated that such employee will be served a notice of discipline pursuant to Article 8 of this Agreement. Such employee shall not be required to sign any statement arising out of such interrogation. However, the employee is entitled to a copy of his/her statement given to the Employer.
- (H) Except as provided below, any statements or admissions made by an employee during such an interrogation without the opportunity to have PBA representation may not be subsequently used in a disciplinary proceeding against that employee.
- (I) If representation is requested by the employee and if such representation is not provided by the PBA within a reasonable period of time, the Employer may proceed with the interrogation.
- (J) The Employer shall not infringe upon the right of an employee to be accompanied by counsel as provided by Section 73 of the Civil Rights Law, when said employee is summoned to appear before any "hearing" or before any

"agency," as such terms are defined in Section 73 of the Civil Rights Law.

- (K) Any employee who is subject to questioning by his/her Agency shall, whenever the nature of investigation permits, be notified at least 24 hours prior to the interview. An employee shall be informed of the nature of the investigation before any interrogation commences. Sufficient information to reasonably apprise the employee of the allegations shall be provided.
- (L) Any employee who was notified that there was an investigation pending against him or her by or on behalf of his/her employing Agency shall be notified by the Employer of the closure of the investigation within two weeks of a written request made by the employee.
- (M) The Employer shall keep all employee medical records confidential.

Article 1
Term of Agreement

1.1 This Agreement shall be effective as of April 1, 2005, except as otherwise specified, and shall continue in full force and effect to and including March 31, 2015.

Article 2 Recognition

2.1 The Employer, pursuant to the Certification of Representative and Order to Negotiate issued on August 19, 2011 by the Public Employment Relations Board (Case No. C-6056), recognizes the PBA as the sole and exclusive representative of those employees in the Agency Police Services Unit for the purpose of collective negotiations concerning salaries, wages, hours of work and other terms and conditions of employment of employees serving in positions in the Agency Police Services Unit. The term employee or employees shall include seasonal employees where applicable.

Article 3

Nondiscrimination

3.1 The Employer and the PBA agree that the provisions of this Agreement shall be applied equally to all employees in compliance with applicable law against discrimination as to age, race, creed, color, national origin, sex, disability, marital status, political affiliation, and sexual orientation. The parties reaffirm their commitment to all applicable military laws and the rights of former and present members of the Armed Forces of the United States.

3.2 All references in this Agreement to employees of the male gender are used for convenience only and shall be construed to include both male and female employees.

3.3 The Employer agrees not to interfere with the rights of employees to become members of the PBA. There shall be no discrimination, interference, restraint or coercion by the Employer or any Employer representative against any employee because of PBA membership or because of any employee activity permissible under the Taylor Law and this Agreement in an official capacity on behalf of the PBA, or for any other cause.

3.4 The PBA recognizes its responsibility as bargaining agent and agrees to represent all employees in the bargaining unit without discrimination, interference, restraint or coercion.

Article 4

Check-Off

4.1 The Employer agrees to grant exclusive rights of dues deduction to the PBA and will deduct PBA dues from the pay of those employees who individually request in writing that such deductions be made. The amount to be deducted shall be certified to the Employer by the PBA, and the aggregate deductions, together with a list of employees for whom deductions were made, shall be remitted forthwith to the PBA.

4.2 The Employer further agrees to grant to the PBA exclusive payroll deduction of payments for employee benefit programs sponsored by the PBA, all forms of insurance sponsored by the PBA and any such other voluntary deductions allowed for by law, rule or regulation.

4.3 Employees may, at their individual option, participate by voluntary payroll deductions in programs allowed by law and designated by the PBA.

4.4 Employees may, at their individual option, participate in the New York State Deferred Compensation Plan subject to the law and rules governing the Plan.

4.5 Employees may, at their individual option, participate in a political action committee designed by the PBA.

Article 5 Union Rights

5.1 Bulletin Boards

(a) The Employer agrees to furnish and maintain suitable locking glass enclosed bulletin boards in convenient places in each working area to be used exclusively by the PBA.

(b) The PBA agrees to limit its postings of notices and bulletins to such bulletin boards.

(c) The PBA agrees that it will not post material which may be profane, derogatory to any individual, or constitute election campaign material for or against any person, organization or faction thereof except that election material relating to internal PBA elections may be posted on such bulletin boards. During the period in which the PBA has the exclusive right to bulletin boards, no other employee organization, or affiliate thereof, except employee organizations which have been certified or recognized as the representative for collective negotiations of other State employees employed at such locations, shall have the right to post material on State bulletin boards or distribute literature at work locations of bargaining unit members. All bulletins or notices shall be signed by a PBA Executive Committee member, a PBA Delegate or their respective designee.

(d) Any material which the Employer alleges to be in violation of this Agreement shall be promptly removed by the PBA. The matter will then immediately be referred to Step 3 of the grievance procedure for resolution.

(e) In regions, headquarters or campuses which have repeated violations, the Director of the Governor's Office of Employee Relations may require advance approval of all future material which is to be posted.

5.2 Access to Employees and Meeting Space

(a) Department or agency heads may reach understandings with the PBA for reasonable and appropriate arrangements whereby the PBA may advise employees of the availability of the PBA representatives for consultations during non-working hours concerning PBA membership, services and programs.

(b) The PBA representatives shall, on an exclusive basis for employees covered by this Agreement, have access to employees during working hours to explain the PBA membership, services and programs under mutually developed arrangements with department heads wherein such access shall not interfere with work duties or work performance. Such consultations shall be no more than 15 minutes per employee per month, not to exceed an average of fifteen percent per month of the employees in the agency or institution.

(c) The departments or agencies shall provide meeting space to the PBA upon written notice from a PBA Executive Committee member, a PBA Delegate or their respective designee in buildings owned or leased by the State. Meeting space shall be provided under the following circumstances:

(1) suitable space is not reasonably available elsewhere in the area;

(2) the PBA agrees to reimburse the Employer for any additional expenses incurred by the Employer including furnishing janitorial services, and any other expense which would not have been incurred had the space not been available to the PBA;

(3) a request for the use of such space is made in advance pursuant to the rules of the department or agency concerned;

(4) the purpose of the meeting is made known to and is approved by the Employer.

5.3 Employee Organization Leave

Employee organization leave shall be release time without charge to the member's leave credits. Employee organization leave shall be granted provided the leave is requested with proper notice and the resulting absence will not interfere with the proper conduct of governmental functions.

Time spent by members on employee organization leave, during their duty tours, shall be considered time worked for overtime purposes. However, in no event shall time spent performing duties which would otherwise qualify for employee organization leave but are performed beyond the scheduled duty tour, or that are performed on pass days, be considered as time worked for the purpose of computing overtime pay.

Employee organization leave shall be categorized as either Banked Leave or Non-Banked Leave.

A. Banked Leave

- (1) Members of the PBA Board of Directors, PBA Delegates and PBA representatives and designees shall be provided with a total of 200 days (one day being one duty tour) of Banked Leave credit each year. Banked Leave shall be used in a minimum of one (1) day blocks. Under special circumstances and upon advance request, additional Banked Leave may be granted by the Director of the Governor's Office of Employee Relations, or his/her designee. Leave under this paragraph may be used for the following purposes:
 - (a) Attending PBA Board of Directors Meetings;
 - (b) Attending Board of Directors Committee Meetings;
 - (c) Attending local PBA Meetings;
 - (d) Attending PERB conferences and hearings (for time in addition to that set forth in paragraph 5.3 B[1][i]); and
 - (e) Other necessary organizational purposes. In such event, the Director of the Governor's Office of Employee Relations, or his/her designee, shall be advised of the name, general reason and general location of the individual on Banked Leave.
- (2) Members of the PBA Board of Directors, PBA Delegates and PBA representatives and designees shall also be provided with a total of 10 days (one day being one duty tour) of

Banked Leave which may only be used for necessary travel time in conjunction with the events set forth in paragraph 5.3(A)(1). Travel time shall be defined as time during regularly scheduled work hours spent in actual and necessary travel to attend a meeting or series of meetings on consecutive days.

Travel time shall be used in a minimum of two (2) hour blocks.

In the event that the 10 days for the travel time are exhausted by the PBA prior to the end of a given year, the PBA can use the Banked Leave provided in paragraph 5.3(A)(1) for necessary travel time.

- (3) In addition to using Banked Leave, members of the PBA Board of Directors, PBA Delegates and PBA representatives and designees can choose to use their own off duty time or, when approved by a supervisor, their own leave accruals for the purposes set forth in paragraph 5.3(A)(1) and (2). Except as provided in Paragraph 5.3(B)(1)(c), Non-Banked Leave shall not be used for any of the purposes set forth in paragraphs 5.3(A)(1) and (2).
- (4) The allocation of Banked Leave shall be the sole prerogative of the PBA.
- (5) All requests for Banked Leave must be made to the Director of the Governor's Office of Employee Relations or his/her designee. Absent circumstances beyond the PBA's control, the PBA must request permission to use Banked Leave at least 3 days in advance of such leave. Absent circumstances beyond the PBA's control which prevent giving such notice, failure to provide such notice shall result in the denial of the request for Banked Leave. In the event that the request for Banked Leave is denied based on failure to give proper notice, but where such leave would otherwise be approved, the member shall be allowed to use his/her leave accruals to cover the period of absence.
- (6) The Director of the Governor's Office of Employee Relations, or his/her designee, shall send the PBA a statement every 60 days detailing the Banked Leave used under paragraphs 5.3(A)(1) and (2). This statement shall be presumed correct unless the PBA, within thirty (30) working days of their receipt of the statement, advises the Director of the Governor's Office of Employee Relations, or his/her designee, of any errors.

B. Non-Banked Leave

- (1) Non-Banked Leave, which shall include travel time and reasonable preparation time, shall be used for the following purposes:
 - (a) Negotiations for a successor agreement to this Agreement;
 - (b) Interest arbitration and mediation proceedings;
 - (c) PERB conferences and hearings limited to two (2) PBA representatives;
 - (d) Other occasions as approved by either the Agency or the Director of the Governor's Office of Employee Relations, or his/her designee.

(2) Notice Requirements:

- (a) Requests for Non-Banked Leave shall be made to the Director of the Governor's Office of Employee Relations, or his/her designee. Absent circumstances beyond the PBA's control, the PBA must request permission to use Non-Banked Leave at least 72 hours in advance of such leave. Absent circumstances beyond the PBA's control which prevent giving such notice, failure to provide such notice shall result in the denial of the request for Non-Banked Leave. In the event that the request for Non-Banked Leave is denied based on failure to give proper notice, but where such leave would otherwise be approved, the member shall be allowed to use Banked Leave, if he/she is a PBA Board Member including the President, or if he/she chooses, his/her leave accruals to cover the period of absence.

- (3) Upon approval, leave under paragraph 5.3(B)(1)(a) and (b) shall be granted to the members of the PBA negotiating committee, whose numbers shall not exceed the number of members on the Board of Directors. The PBA shall provide the State with the names of the PBA negotiating committee members prior to the start of negotiations.

(4) Travel Time

Travel time used in conjunction with an event set forth in paragraph 5.3(B)(1) shall not exceed the reasonable and customary time necessary for travel each way in connection with any meeting or series of meetings.

- C. Under special circumstances and upon advance request, additional Employee Organization Leave for additional meetings may be granted by the Director of the Governor's Office of Employee Relations or his/her designee.

D. The PBA shall provide the State and each Agency with the names and PBA designation of all members of the Board of Directors and shall notify the State and each Agency of any changes.

E. Employee organization leave provided pursuant to this Article shall be in addition to that provided elsewhere in this Agreement for PBA representation in processing of grievances and labor/management meetings.

5.4 Unchallenged Representation

The Employer and the PBA agree, pursuant to Section 208 of the Civil Service Law, that the PBA shall have unchallenged representation status for the maximum period permitted by law on the date of execution of this Agreement.

5.5 Agency Shop

Mandatory agency shop fee deductions shall be continued for the period required by law.

5.6 Union Leave

A permanent employee or employees nominated by the PBA may be granted by the Employer a leave or leaves of absence with full salary from their regular position for the purpose of serving with the employee organization subject to the conditions of this paragraph. Each such leave, its term and renewal, shall be subject to the discretionary approval of the Director of the Governor's Office of Employee Relations. The PBA shall periodically, as specified by the Director of the Governor's Office of Employee Relations, reimburse the State for the salary or wages paid to each employee by the Employer during such leave of absence together with the cost of fringe benefits at the percentage of salary or wages as determined by the Comptroller. The PBA shall purchase an insurance policy in the form and amount satisfactory to the Director of the Governor's Office of Employee Relations to protect the State in the event the State is held liable for any damages or suffers any loss by reason of any act or omission by such employee during the period of such leave of absence with full salary.

5.7 Exclusivity

The Employer will not meet or confer with any other employee organization or affiliate thereof with reference to terms and conditions of employment of employees. If such organizations request meetings, they will be advised by the Employer to transmit their requests concerning terms and conditions of employment to the PBA, and arrangements will be made by the PBA to fulfill its obligation as a collective negotiating agent to represent these employees and groups of employees.

5.8 New Employee Membership Packets

The Employer agrees to provide each new employee in the Agency Police Services Unit with a membership packet furnished by the PBA within one workweek following his first day of work and to the extent possible on the first day of work. The materials which may be included in such packet shall be subject to the restrictions set forth in paragraphs 5.1(c) and 5.1(d) of this Article.

The Employer agrees to provide the PBA with the name, duty location and, when possible and applicable, shift of each employee promoted or hired into the unit within seven (7) days of appointment.

Article 6

Management Rights

6.1 Except as expressly limited by other provisions of this Agreement, all of the authority, rights and responsibilities possessed by the Employer are retained by it.

Article 7

Grievances and Arbitration

7.1 Definitions

For the purposes of this Agreement, all disputes shall be subject to the grievance procedure as outlined below:

(a) A dispute concerning the application and/or interpretation of this Agreement is subject to all steps of the grievance procedure including arbitration, except those provisions which are specifically excluded.

(b) Any other dispute or grievance concerning a term or condition of employment which may arise between the parties or which may arise out of an action within the scope of authority of a department or agency head and which is not covered by this Agreement shall be processed up to and including the conference phase of the Alternate Dispute Resolution Process, and not beyond, except those issues for which there is a review procedure established by law or by or pursuant to rules or regulations filed with the Secretary of State.

(c) A claim of improper or unjust discipline against an employee shall be processed in accordance with Article 8 of this Agreement.

7.2 Procedure

The purpose of this Article is to provide a prompt, equitable, peaceful and efficient procedure to review and resolve grievances, and to further the purpose of this Agreement to promote harmonious employee relations. Both the Employer and the PBA recognize the importance of, among other aspects of the procedure, the timely issuance of decisions to filed grievances and the responsible use of this procedure. Upon failure of the Employer to provide a decision within the time limits provided in this Article, the PBA may appeal to the next step of the grievance procedure. The grievance will not revert back to the previous step where it was originally untimely unless mutually agreed to by both parties.

Prior to initiating a formal written grievance pursuant to this Article, the employee or the PBA is encouraged to resolve disputes subject to this Article informally by reviewing them with the appropriate immediate supervisor, local administration or agency or department.

(a) Grievances

Step 1. The employee and/or the PBA shall present the grievance in writing to the campus, headquarter or regional management representative within twenty (20) days of the act or omission giving rise to the grievance or within twenty (20) days of the date on which the employee and the PBA first knew of such act or omission, whichever is later. The campus, headquarter or regional management representative shall each designate a regular representative, who shall meet with the PBA and the grievant during the employee's regular work shift within ten (10) days of receipt of the grievance and shall render a decision in writing within ten (10) days from the day of such meeting. The decision shall include a brief statement of relevant facts and reasons on which the decision is based. A meeting will not be held if there is mutual agreement that the file sufficiently clarifies the issue, that there is no

new evidence to consider or the matter has been previously reviewed and/or resolved.

Step 2. In the event that the grievance has not been satisfactorily resolved at Step 1, an appeal may be taken by the PBA in writing to the Department or Agency head, as appropriate, within fifteen (15) days from receipt of the Step 1 decision. The written appeal shall contain a description of the relevant facts from which the grievance derives, why the decision at the Step 1 level is inadequate, and specific references to all sections of the Agreement, if any, which the PBA claims have been violated. The Department or Agency Head, or designee, shall meet with the PBA to review the grievance within ten (10) days from receipt of the Step 2 written appeal and shall render a written decision which shall include a brief statement of the relevant facts on which the decision is based to the PBA within ten (10) days from the day of the Step 2 meeting. Communications concerning appeals and decisions at this Step shall be made by personal service or by registered or certified mail. A meeting will not be held if there is mutual agreement that the file sufficiently clarifies the issue, that there is no new evidence to consider or the matter has been previously reviewed and/or resolved.

Step 3. In the event that the grievance has not been satisfactorily resolved at Step 2, an appeal to the Director of the Governor's Office of Employee Relations may be taken by the PBA in writing within fifteen (15) days from the day on which the PBA received the Step 2 decision. Such appeal shall contain a copy of the Step 2 decision. All communications concerning appeals and decisions at this Step shall be made by personal service, registered or certified mail.

Once a month (on a designated day), representatives from the PBA and the Governor's Office of Employee Relations will meet and review all grievances that have been appealed to the Step 3 level during the previous month. At these meetings, the grievance will be read, reviewed and tactically distributed for processing in one of the following ways:

1. Expedited Decision. For grievances with respect to which either side believes that the decision is going to be traditional, and involves issues which cannot be resolved by the grievance process, the Governor's Office of Employee Relations shall provide, within ten (10) days, a written Step 3 response in the form of a brief answer.

2. On-site Review. If both representatives believe that a Step 3 hearing review is necessary, the parties will agree to schedule such a review on the next trip to the work location in question. Trips to regions or work locations will be scheduled in advance on a "circuit" basis to ensure that each work location can be visited at least once every four months, if necessary.

3. Safety Issues. Issues which are, in fact, safety and health concerns (not to include staffing issues) may be referred to an Agency Level Statewide Safety & Health Committee. A safety specialist from the employing agency and the PBA can review the issues and determine if there may be methodologies available for resolution of the issues. Resolutions will be reduced to writing. In the event the issues cannot be resolved, either party may refer them to the conference phase of the Alternate Dispute Resolution Process where applicable.

4. Hold Status. The grievance may be put on hold until the next monthly meeting so that either or both sides can gather more information or make local contacts. Those grievances placed in hold status will become the first to be discussed at the next meeting between representatives from the PBA and the Governor's Office of Employee Relations.

Automatic Progression. If the Employer fails to meet with the PBA on a timely basis or render a timely decision, the PBA may treat the grievance as having been denied at the level at which the delay occurred and may then appeal the grievance to the next level.

(b) Alternate Dispute Resolution Process (ADR)

(1) In the event that the grievance has not been resolved satisfactorily at Step 3, a demand for arbitration may be brought only by the PBA, through the President or his designee within fifteen (15) days from the day the PBA receives the Step 3 decision by mailing or personally serving the demand to the Director of the Governor's Office of Employee Relations and simultaneously filing the demand with the master arbitrator. The demand will identify the Article(s) and subsections sought to be arbitrated, the names of the Department or Agency, and employee(s) involved, copies of the original grievance, appeals documents and the written decisions rendered at the lower steps.

(2) Resolution conferences and arbitrations under the ADR process shall be held before the master arbitrator appointed by agreement of the parties. The parties may review the appointment at any time, by mutual agreement.

(3) Resolution Conference

Within sixty (60) days after the demand for arbitration, the parties shall meet with the master arbitrator who shall attempt to have the parties reach a settlement and narrow the issue(s) for hearing, including stipulating to facts, relevant documents and exhibits. The grievant may be permitted to participate in the conference by telephone.

(4) Expedited Arbitration

After the resolution conference, either party may require a hearing before the master arbitrator on an expedited basis. Grievance hearings shall, absent extraordinary circumstances, be limited to one day. The parties shall compose the stipulated issue to be decided and determine the potential witnesses necessary for the expedited hearing. Both parties should be prepared to fully present their positions and any testimony on the day of the hearing. No briefs shall be submitted by either party.

(5) The parties agree to meet for a total of one day every other month, or as needed, at a mutually agreed upon site in Albany to conduct the resolution conferences and/or expedited arbitrations.

(6) Where no hearing is held and the case is submitted on papers the parties may submit their positions in writing to the arbitrator on a mutually agreed upon date no later than thirty (30) days after the mailing of the papers to the arbitrator.

(7) The master arbitrator's decision and award is to be rendered within seven (7) days of the completion of the hearing and shall include only a finding or findings and remedy, as appropriate, on a form

provided by the parties. The master arbitrator shall have the authority to issue bench decisions when appropriate.

(8) The decision or award of the master arbitrator shall be consistent with applicable law and the Agreement and final and binding upon the parties (PBA and the State) with respect to the determination of the grievant's claims. Such decisions are non-precedential and shall not be submitted in any other case unless the parties mutually agree otherwise.

(9) The parties may meet periodically to insure that in practice the ADR process is in keeping with their intent and to take what steps are necessary to conform such practice with their intent.

(c) Full Arbitration

(1) After the resolution conference, if the Employer and the PBA mutually determine that an individual grievance warrants a decision that will be precedential for future matters, the parties may refer the matter to traditional arbitration. If the parties cannot agree as to whether the matter should be referred to full arbitration, the master arbitrator shall have the authority to make such determination as to whether full arbitration is warranted.

(2) The parties shall mutually develop a system to select an arbitrator. If the parties are unable to agree, the matter will be referred to the Public Employment Relations Board for selection.

The arbitrator shall hold a hearing at a time and place convenient to the parties within twenty (20) days of the acceptance to act as arbitrator. The arbitrator shall issue a written decision within thirty (30) days after completion of the hearing. The arbitrator shall be bound by the rules of the American Arbitration Association which are applicable to labor relations arbitrations which are in effect at the time of arbitration or such other rules as agreed upon by the parties. In the event a disagreement exists regarding arbitrability of an issue, the arbitrator shall make a preliminary determination whether the issue is arbitrable under the express terms of this Agreement. Once a determination is made that such a dispute is arbitrable, the arbitrator shall then proceed to determine the merits of the dispute.

(3) Miscellaneous Provisions.

Neither the master arbitrator nor arbitrator shall have any power to add to, subtract from, or modify the provisions of this Agreement in arriving at a decision of the issue presented and shall confine the decision solely to the application and interpretation of the Agreement.

All fees and expenses of the arbitration shall be divided equally between the parties except that each party shall bear the cost of preparing and presenting its own case. Cost for the cancellation of a hearing date shall be borne by the party seeking cancellation.

7.3 Representation

(a) The Employer and each Agency shall recognize the members of the PBA Board of Directors, PBA Delegates and PBA representatives and designees at each step of the grievance procedure and shall release such representatives from normal duties to process grievances and conduct necessary relevant investigations providing that such absence from work will not interfere with proper conduct of governmental functions.

Step 1. Delegate or designee, Director or designee, but not to exceed two union representatives.

Step 2. Delegate or designee, Director or designee and, when mutually agreed President or designee.

Step 3. The President or designee and at least one of the effected members' directors or designee.

On the PBA's prior written request at least 48 hours in advance, the Employer and each Agency will make every effort to reschedule shift assignments so that meetings fall during working hours of PBA representatives.

The PBA shall furnish the Employer with a list of all employee representatives authorized to so represent the PBA within 60 days from the date of execution of the Agreement.

(b) PBA counsel and PBA representatives may be present at each step of the grievance procedure.

7.4 General Provisions

(a) As used in this Article, all references to days shall mean calendar days. All of the time limits contained in this Article may be extended by mutual agreement of the parties and shall be confirmed in writing.

(b) Grievances resolved at Step 1 shall not constitute a precedent for any other campus, headquarters or region, or at Step 2 for any other agency unless a specific agreement to that effect is made by the Director of the Governor's Office of Employee Relations and the President of the PBA.

(c) The parties, GOER and the PBA, may mutually agree to waive Steps 1, and 2 of the grievance procedure.

(d) Aggrieved employees, PBA representatives and necessary witnesses shall not suffer any loss of earnings, or be required to charge leave credits as a result of processing or investigating grievances during such employees' scheduled working hours. Reasonable and necessary time spent in processing and investigating grievances, including travel time, during such employees' scheduled working hours shall be considered as time worked provided, however, that when such activities extend beyond such employees' scheduled working hours, such time shall not be considered as time worked.

(e) Travel time, as used in paragraph 7.4(d) above, shall mean actual and necessary travel time, not to exceed eight hours each way.

(f) Upon agreement of the Director of the Governor's Office of Employee Relations and the President of the PBA, grievances may be initiated at Step 3.

7.5 During the term of this Agreement, the parties shall discuss and explore the possibility and practicality of utilizing teleconferences and videoconferences in the processing of grievances at any and all steps of the procedure. The parties may further implement a system on a pilot or permanent basis upon reaching agreement on the parameters of a system.

Article 8

Discipline

8.1 Exclusive Procedure

Discipline shall be imposed upon employees otherwise subject to the provisions of Sections 75 and 76 of the Civil Service Law only pursuant to this Article, and the procedure and remedies herein provided shall apply in lieu of the procedure and remedies prescribed by such sections of the Civil Service Law which shall not apply to employees.

8.2 Disciplinary Procedure

(a) Discipline shall be imposed only for just cause. Where the appointing authority or his designee seeks the imposition of a loss of leave credits or other privilege, written reprimand, fine, suspension without pay, reduction in grade, or dismissal from service, notice of such discipline shall be made in writing and served, in person, by courier, or by registered or certified mail upon the employee. The conduct for which discipline is being imposed and the penalty proposed shall be specified in the notice. The notice served on the employee shall contain a detailed description of the alleged acts and conduct including reference to dates, times and places, and if the Employer claims that the employee has been charged with a crime for the alleged acts, the notice of discipline must identify the specific section of the Penal Law or other statute which the Employer claims the employee has been charged with violating, if known by the Employer. The employee shall be provided with two copies of the notice which shall include the statement, "You are provided two copies in order that one may be given to your representative. Your PBA representative is the Police Benevolent Association of New York State, Inc.

(b) The PBA grievance representative at the appropriate level shall be notified of the name of the employee in writing within 24 hours of the service of a notice of discipline. Notification will also be sent to the President of the PBA.

(c) The penalty proposed may not be implemented until the employee (1) fails to file a disciplinary grievance within 14 days* of service of the notice of discipline, or (2) having filed a grievance, fails to file a timely appeal to disciplinary arbitration, or (3) having appealed to disciplinary arbitration, until and to the extent that it is upheld by the disciplinary arbitrator, or (4) until the matter is settled.

(d) The notice of discipline may be the subject of a disciplinary grievance which shall be served upon the department or agency head or his designee in person or by registered or certified mail within 14 days of the date of the notice of discipline by the employee or the PBA. The employee or the PBA shall be entitled to a meeting to present his position to the department or agency head or his designee within 14 days of the receipt of a disciplinary grievance, and upon consideration of such position, the department or agency head shall advise the PBA of its response in writing by registered or certified mail within seven days of such meeting.

(e) If the disciplinary grievance is not settled or otherwise resolved, it may be appealed to disciplinary arbitration by the employee or the President of the PBA (or his designee) within 14 days of the service of the department or

agency head response. Notice of appeal to disciplinary arbitration shall be served, by personal service, registered or certified mail, with the New York State Public Employment Relations Board, with a copy to the department or agency head, or his designee.

(f) The Employer and the PBA shall continue the procedure for the arbitration process which is now in existence as contained in the notice to the Public Employment Relations Board outlining the disciplinary panel and procedures for PBA bargaining unit members dated November 18, 2013 and as amended by mutual agreement hereafter.

(g) Either party wishing a transcript at a disciplinary arbitration hearing may provide for one at its expense and shall provide a copy to the arbitrator and the other party. Unless mutually agreed otherwise, transcripts must be requested prior to the first day of a disciplinary arbitration.

(h) Disciplinary arbitrators shall confine themselves to determinations of guilt or innocence and the appropriateness of proposed penalties, taking into account mitigating and extenuating circumstances. Disciplinary arbitrators shall neither add to, subtract from, nor modify the provisions of this Agreement. The disciplinary arbitrator's decision with respect to guilt or innocence, penalty, or probable cause for suspension, pursuant to Section 8.4 of this Article, shall be final and binding upon the parties, and the disciplinary arbitrator may approve, disapprove or take any other appropriate action warranted under the circumstances, including, but not limited to, ordering reinstatement and back pay for all or part of the period of suspension. If the disciplinary arbitrator, upon review, finds probable cause for the suspension, he may consider such suspension in determining the penalty to be imposed.

(i) All fees and expenses of the arbitrator, if any, shall be divided equally between the Employer and the PBA or between the Employer and the employee if such employee is not being represented by the PBA. Each party shall bear the costs of preparing and presenting its own case. The estimated arbitrator's fee and expenses and estimated expenses of the arbitration may be collected in advance of the hearing.

(j) In the event that any employee against whom disciplinary charges are brought by the Employer is not being represented by the PBA, such employee shall be individually responsible for all expenses which are incurred in connection with such disciplinary proceeding. No employee can be represented in such a disciplinary proceeding by any officer, executive board member, delegate, representative or employee of any actual or claimed employee organization or affiliate thereof other than the PBA.

8.3 Settlement

A disciplinary grievance may be settled at any time following the service of a notice of discipline. The terms of the settlement shall be reduced to writing. An employee offered such a settlement shall be offered a reasonable opportunity to have his attorney or a PBA representative present before he is required to execute it. The PBA grievance representative at the appropriate level shall be provided with a copy of any settlement within 24 hours of its execution.

8.4 Suspension Before Notice of Discipline

(a) Prior to issuing a notice of discipline or the exhaustion of the disciplinary grievance procedure provided for in this Article, an employee may be suspended without pay by his appointing authority only pursuant to paragraphs (1) or (2) below.

(1) The appointing authority or his designee may suspend without pay an employee when the appointing authority or his designee determines that there is probable cause that such employee's continued presence on the job represents a potential danger to persons or property or would severely interfere with its operations. Such determination shall be reviewable by a disciplinary arbitrator. A notice of discipline shall be served no later than seven days following any such suspension. At the time of suspension, the appointing authority or his designee shall set forth in writing to the employee the specific reasons for the suspension.

(2) The appointing authority or his designee may with agency approval suspend without pay an employee charged with the commission of a crime. Such employee shall notify his appointing authority in writing of the disposition of any criminal charge including a certified copy of such disposition within seven days thereof. Within 30 days following such suspension under this provision, or within seven days from receipt by the appointing authority of notice of disposition of the charge from the employee, whichever occurs first, a notice of discipline shall be served on such employee or the employee shall be reinstated with back pay. Nothing in this paragraph shall limit the right of the appointing authority or his designee to take disciplinary action during the pendency of criminal proceedings.

(3) In the event that an employee is suspended without pay, the employee will have the option to draw from previously accrued annual leave, personal leave, holiday leave and/or compensatory leave upon written notification to his/her supervisor.

(4) When an employee has been suspended without pay, the agency or department meeting may be waived by the employee or by the PBA with the consent of the employee at the time of filing the disciplinary grievance. In the event of such waiver, the employee or the PBA shall file the grievance form within the prescribed time limits for filing an agency level grievance directly with PERB. The case shall be given priority in assignment.

(5) An employee who is charged with the commission of a crime, suspended without pay and subsequently found not guilty and against whom no disciplinary action is taken for the incident in question, shall be reinstated with full back pay.

(6) During a period of suspension without pay pursuant to this section, the State shall continue to pay its share of the cost of the employee's health, dental and vision care coverage under Article 12 which was in effect on the day prior to the suspension provided that the suspended employee pay his or her share.

(b) A registered or certified letter notifying the President of the PBA of any suspension under paragraph 8.4(a) above shall be sent within one day, excluding Saturdays, Sundays and holidays.

(c) Back Pay Award

Where an employee is awarded back pay, the amount to be reimbursed shall not be offset by any wages earned by the employee during the period of his suspension with the exception of unemployment insurance. An award of back pay shall be deemed to include reimbursement of all other benefits including the accrual of leave credits and holiday leave.

8.5 Union Representation

An employee shall be entitled to be represented at a disciplinary grievance meeting by PBA representatives, provided, however, the number of such officials shall not exceed two (2) and PBA counsel. Such representatives shall not suffer any loss of earnings or be required to charge leave credits as a result of processing or investigating disciplinary grievances during such representatives' scheduled working hours. Reasonable and necessary time spent in processing and investigating grievances, including travel time, during such representatives' scheduled working hours shall be considered as time worked provided, however, that when such activities extend beyond such representatives' scheduled working hours, such time shall not be considered as time worked. On the representative's prior written request at least 48 hours in advance, the Employer will make every effort to reschedule shift assignments so that meetings fall during working hours of PBA representatives. PBA staff representatives and PBA counsel may be present at disciplinary grievance meetings and arbitration proceedings.

8.6 Limitation

An employee shall not be disciplined for acts, except those which would constitute a crime, which occurred more than nine months prior to the service of the notice of discipline. The employee's whole record of employment, however, may be considered with respect to the appropriateness of the penalty to be imposed, if any.

8.7 Other Actions

Shift, pass day, job transfer or other reassignment or assignments to another institution or work station shall not be made for the purpose of imposing discipline provided, however, that nothing in this section shall bar any action otherwise taken pursuant to this Article. A claimed violation of this section will be processed as an Article 7 grievance.

8.8 Expedited Arbitration

In lieu of the procedures specified elsewhere in Article 8 of this Agreement, any disciplinary grievance involving the suspension of an individual employee can, with mutual agreement of the parties hereto, or the employee if not represented by the PBA, be submitted to arbitration under the expedited arbitration procedure hereinafter provided within 14 days after the filing of a disciplinary grievance. In all other grievances involving disciplinary action which are specifically subject to arbitration under Article 8 of this Agreement, the PBA may, within 14 days after the filing of a demand for arbitration under Article 8.2(e), propose to use the expedited arbitration procedure hereinafter provided. Either party may propose use of this procedure, but it shall be in writing and must be agreed to by both the parties. If no such election is made within the foregoing time period, the arbitration procedure in Article 8 shall be followed. As soon as possible after this Agreement becomes final and binding,

a panel of arbitrators shall be selected by the parties. Each arbitrator shall serve until the termination of this Agreement unless by mutual agreement the parties terminate his/her services earlier. The arbitrator shall be notified of his or her termination by a joint letter from the parties.

The arbitrator shall conclude his/her services upon conclusion of any outstanding arbitrations. A successor arbitrator shall be selected by the parties. Arbitrators shall be assigned cases as described below.

The procedure for expedited arbitration shall be as follows:

(a) The panel of arbitrators shall be assigned a number in rotation.

(b) The parties shall rank the next five members of the panel in rotation and the member with the highest ranking shall serve as arbitrator.

(c) The five members shall be randomly assigned a number (remixed) after each rotation is complete.

(d) The parties shall notify the arbitrator in writing on the day of the arbitration demand in suspension cases to settle a grievance by expedited arbitration. The arbitrator shall notify the parties in writing of the hearing date which must be within 30 days.

(e) The parties must submit to the arbitrator five days prior to the hearing a written stipulation of all facts not in dispute.

(f) The parties shall present an oral closing argument of the case. However, alternatively, and by mutual agreement only, and within five (5) working days after the hearing each party may submit a brief written summary of the issues raised at the hearing and arguments supporting its position. The arbitrator shall give his or her award within five (5) working days after the hearing, or when applicable after receiving the briefs. He/she shall provide the parties a brief written statement of the reasons supporting his/her award.

(g) The time limits in this Section may be extended by agreement of the parties only in emergency situations. Such extensions shall not circumvent the purpose of this procedure.

(h) The decision of the arbitrator will be final and binding. The compensation and expenses of the arbitrator and the general expenses of the arbitration shall be borne by the Employer and the PBA in equal parts except in cases where the employee is not represented by the PBA, in which cases the costs shall be borne by the employee and the Employer, as per Article 8.2(j).

(i) The power, authority and restrictions applicable to a disciplinary arbitrator under Article 8 shall apply under the expedited arbitration procedure.

*Unless otherwise specified days as used in this Article shall mean calendar days.

Article 9

Out-of-Title Work

9.1(a) No employee shall be employed under any title not appropriate to the duties to be performed and, except upon assignment by proper authority during the continuance of a temporary emergency situation, no person shall be assigned to perform the duties of any position unless he/she has been duly appointed, promoted, transferred or reinstated to such position in accordance with the provisions of the Civil Service Law, Rules and Regulations.

(b) The term "temporary emergency" as used in this Article shall mean an unscheduled or non-periodic situation or circumstance which is expected to be of limited duration and either (a) presents a clear and imminent danger to person or property, or (b) is likely to interfere with the conduct of the agency's or institution's statutory mandates or programs.

9.2(a) Grievances alleging violation of this Article shall be processed pursuant to Article 7, paragraph 7.1(b), and shall be filed utilizing an out-of-title grievance form.

(b) If appealed to Step 3, the Director of the Governor's Office of Employee Relations shall seek an opinion from the Director of Classification and Compensation concerning whether or not the assigned duties which are the subject of the grievance are substantially different from those appropriate to the title to which the employee is certified. The PBA shall be given the opportunity to present to the Director of Classification and Compensation, a written brief of the facts surrounding the grievance. The Director of Classification and Compensation shall, within 60 (sixty) calendar days of the filing of the appeal, forward his opinion to the Director of the Governor's Office of Employee Relations, and the PBA, for implementation.

(c) If it is the opinion of the Director of Classification and Compensation that the assigned duties which are the subject of the grievance are substantially different from those appropriate to the title to which the employee is certified, the Director of the Governor's Office of Employee Relations, or his designee, shall direct the appointing authority forthwith to discontinue such assigned duties.

(1) If such substantially different duties are found to be appropriate to a lower salary grade or to the same salary grade as that held by the affected employee, no monetary award may be issued.

(2) If, however, such substantially different duties are found to be appropriate to a higher salary grade than that held by the affected employee, the Director of the Governor's Office of Employee Relations shall issue an award of monetary relief. The amount of monetary relief shall be the difference between what the affected employee was earning at the time he performed such duties and what he would have earned at that time in the entry level of the higher salary grade title, but in no event shall such monetary award be retroactive to a date earlier than fifteen calendar days prior to the date the grievance was filed in accordance with this Agreement.

Article 10

Review of Personal History Folder

10.1 For the purposes of this Article, there shall be one official personal history folder maintained for an employee. An employee shall, within five (5) working days of a written request to his department, agency or institution, have an opportunity to review his official personal history folder in the presence of a PBA representative (if requested by the employee) and an appropriate official of the department, agency or institution. Such right shall not be abused. The employee shall be allowed to place in such file a response of reasonable length to anything contained therein which such employee deems to be adverse.

10.2 The official personal history folder shall contain all memoranda or documents relating to such employee which contain criticism, commendation, appraisal or rating of such employee's performance on his job. Copies of such memoranda or documents shall be sent to such employee simultaneously with their being placed in his official personal history folder.

10.3 An employee may, at any time, request and be provided copies of all documents and notations in his official personal history folder of which he has not previously been given copies. If such file is maintained at a location other than the region, campus or headquarters in which the employee works, it shall be forwarded to the employee's region, campus or headquarters for requested review by the employee.

10.4 With the exception of disciplinary actions or annual work performance ratings, any material in the official personal history folder of an adverse nature, over one (1) year old may, upon the employee's written request, be removed from the official personal history folder by mutual agreement of the employee and the appropriate agency representative. This does not preclude the earlier removal of such material.

10.5 Upon an employee's written request, a counseling memorandum over three years old shall be removed from the official personal history folder, provided that the employee has received no additional counseling memoranda or notice of discipline during that period. Any reference to such counseling memorandum appropriately removed shall not be contained in the official personal history folder.

10.6 Counseling of employees shall be carried out pursuant to Appendix "B" and grievances regarding the application of said Appendix shall be processed pursuant to Article 7, paragraph 7.1(b).

10.7 Documents which have been removed from the official personal history folder pursuant to Section 10.4 or 10.5 shall not be admitted as evidence in a subsequent disciplinary arbitration for that employee.

10.8 Except as specifically prohibited by law and requests related to official State purposes or government investigations, an employee shall be notified of requests for access to the employee's personal history folder. For the purpose of this article, a lawsuit against an employee or the state shall not be deemed an official state purpose. Said notification shall be at least seventy-two (72) hours prior to the requested access, provided however, a validly

issued subpoena may be satisfied by the employer. Notwithstanding anything to the contrary, the Employer may respond to a matter in pending litigation without giving an employee seventy-two (72) hours notice where the matter necessitates an immediate response. Under those circumstances notice to the employee will be given as quickly as possible. Release of employment and income information in connection with employee credit applications need not be reported to the employee.

For each working day of advance notice from the employee less than ten, the appointing authority shall have an additional working day beyond the return-to-work date to complete medical examinations.

(c) If, upon completion of the 20 working day period provided for in Section 14.11 (b), the appointing authority's physician(s) has not completed the examination(s) of the employee or reached a decision concerning the employee's return to work, the employee shall be placed on leave with pay without charge to leave credits until the examination is completed, a decision made and, if approved, the employee is returned to work. The employee may not return to work, however, until the employee has been examined by the appointing authority's physician and given approval to work. The leave with pay provision of this section shall not apply where the failure of the appointing authority's physician to complete the medical examination is attributable to the employee's failure to appear for the examination or the employee's refusal to allow it to be held.

(d) If, following the employee's examination, the appointing authority's physician does not approve the employee's return to work, the employee shall be placed in the appropriate leave status in accordance with the Attendance Rules. Once a determination has been made that an employee may not return to work, further examinations pursuant to this Section shall not be required more often than once a month; provided, however, where the appointing authority's physician has specified a date for a further examination or a date when the employee may return to work, the State shall not be required to conduct an examination prior to such date. Where the appointing authority's physician has not set either a date for further examination or a date upon which the employee may return to work, the employee may submit a further statement from the employee's physician and the provisions of this Section shall again be applicable. The provisions of this Section shall not be construed to limit or otherwise affect the applicability of Civil Service Law Section 73.

(e) When, in accordance with the provisions of this Section, the State exercises its right to require an employee to be examined by a physician selected by the appointing authority, the employee shall be entitled to reimbursement for actual and necessary expenses incurred as a result of travel in connection with such examination, including transportation costs, meals and lodging, in accordance with the Comptroller's rules and regulations pertaining to travel expenses.

(f) Section 14.11 shall not apply to absences or cases of work-related injuries or illnesses.

14.12 Deficit Reduction Leave

(a)(1) Employees shall be eligible to take 9 days, or the amount credited to them, of deficit reduction leave from the date of ratification of the agreement until March 31, 2013.

(2) The scheduling of such dates will be subject to supervisor approval. The State will ensure that each employee is allowed to take days off in accordance with this provision. Employees may elect to use leave for all absences, including block vacations, in the same manner as vacation leave. Such leave may not be used to cover unscheduled absences such as calling in sick but may be used for pre-planned appointments with prior supervisory approval including medical appointments or pre-scheduled absences normally charged to sick leave.

(3) The exact cash value of the four days of deficit reduction leave from fiscal year 2012-2013 shall be repaid to employees in equal installments over 39 payroll periods beginning with the final payroll period of fiscal year 2014-2015.

(4) Effective October 1, 2012, the vacation accrual maximum in Article 14.1(e) shall be increased to 45 days. The vacation accrual maximum will return to 40 days on October 1, 2013.

14.13 Workforce Reduction Limitation

For the Fiscal Years 2011-2012 and 2012-2013, employees shall be protected from layoffs resulting from the facts and circumstances that give rise to the present need for \$450 million in workforce savings. For the term of the agreement, only material or unanticipated changes in the State's fiscal circumstances, financial plan or revenue will result in potential layoffs. Workforce reductions due to the closure or restructuring of facilities, as authorized by legislation or the State's Spending and Government Efficiency Commission's determinations are excluded from these limitations.

Article 15

Overtime, Recall and Scheduling

15.1 Overtime

(a) Overtime eligible employees shall receive overtime compensation for authorized time worked beyond 40 hours in the scheduled workweek consistent with applicable law and the overtime compensation rules and regulations of the Director of the Budget.

Overtime work shall be offered to employees on the basis of seniority and shall be equitably distributed among employees who normally perform such work. Each employee shall be selected in turn according to his place on the seniority list by rotation provided, however, that the employee whose turn it is to work possesses the qualifications and ability to perform the work required.

(b) An employee requesting to be skipped when it becomes his turn to work overtime shall not be rescheduled for overtime work until his name is reached again in orderly sequence and an appropriate notation shall be made in the overtime roster.

(c) In the event no employee wishes to perform the required overtime work, the Employer shall by inverse order of this seniority list assign the necessary employees required to perform the work in question.

(d) The PBA recognizes that work in progress shall be completed by the employee performing the work at the time the determination was made that overtime was necessary.

(e) An overtime roster shall be available for inspection by representatives of the PBA at each region, campus or headquarter.

(f) If an employee is skipped or denied an opportunity to work overtime in violation of this Agreement, he shall be rescheduled for overtime work the next time overtime work is required, in accordance with paragraph 15.1(a) above. However, at such skipped or denied employee's option he may await the next available comparable shift and work assignment. Instances of repeated occurrences shall be brought to the attention of management at the Step 1 level of the grievance procedure.

(g) Time during which an employee is excused from work because of vacation, holidays, personal leave, sick leave at full pay, compensatory time off or other leave at full pay shall be considered as time worked for the purpose of computing overtime.

(h) Training programs conducted during other than regular working hours shall be scheduled for a minimum two-hour period.

(i) Nothing in paragraphs 15.1(a), 15.1(b) and 15.1(c) above shall prevent the establishment of mutually agreed to local arrangements regarding the method by which overtime is offered to employees.

15.2 Recall

Any employee who is recalled to work unscheduled overtime including court appearances after having completed his scheduled work period and left the workplace shall be guaranteed a minimum of one-half day's overtime compensation. If an employee lives on the facility grounds or works from his/her residence and is recalled from their residence to work unscheduled overtime including court appearances after having completed his/her scheduled

work period he/she shall be guaranteed a minimum of one-half day's overtime compensation.

15.3 Shift Changes

(a) No employee shall have his shift schedule changed for the purposes of avoiding the payment of overtime, unless he has been notified of such change one week in advance of the time in which the changed work period is to begin provided, however, that the circumstances necessitating such change are foreseeable prior to such one-week period.

(b) In the event that circumstances necessitating such shift changes are not foreseeable, then such notice shall be given as soon as possible.

(c) In the event such notice of shift change is not given at least 48 hours prior to the starting time of the scheduled shift which the employee is directed to work such employee shall not be deprived of the opportunity to work his normal shift and to be paid overtime for the hours worked in excess of 40 hours in the workweek.

(d) Employees who compete in New York State Civil Service examinations and whose shift ends less than eight hours before the starting time of such an examination shall not be required to work that shift and such absence shall not be charged to accrued leave credits.

(e) Regularly scheduled days off shall not be changed for the purpose of avoiding the payment of overtime.

(f) Prior to the making of a final decision with respect to instituting a change in shift system from fixed to rotating shifts or rotating to fixed shifts the Employer shall inform the PBA of such contemplated change and provide the PBA with an adequate opportunity to review the impact of such change with the Employer at the appropriate level.

15.4 Overtime Meal Allowance

An overtime meal allowance of \$5.00 shall be paid, subject to rules and regulations of the Comptroller, to employees who work at least three hours overtime on a regular working day or at least six hours overtime on other than a regular working day. When an employee is required to work nine hours or more on other than a regularly scheduled working day, two meal allowances will be allowed.

15.5 Standby/On-Call Rosters

(a) Employees who are required to be available for immediate recall and who must be prepared to return to duty within a limited period of time shall be listed on standby/on-call assignment rosters. Assignments to such rosters shall be equitably rotated, insofar as it is possible to do so, among those employees who are eligible for overtime compensation under the definition contained in the Fair Labor Standards Act, qualified and normally required to perform the duties. The establishment of such rosters at a facility shall be subject to the authorization of the department or agency involved and the approval of the Director of the Budget.

(b) An employee who is eligible to earn overtime under the definition contained in the Fair Labor Standards Act shall not be required to remain available for recall unless the employee's name appears on an

approved recall roster. Such employee shall be paid an amount equal to 20 percent of the employee's daily rate of compensation (*i.e.*, one-tenth of the bi-weekly rate of compensation and will include geographic, locational, inconvenience and shift pay as may be appropriate to the place or hours normally worked) for each eight hours or part thereof the employee is actually scheduled to remain and remains available for recall pursuant to such roster. An employee who is actually recalled to work from the roster will receive appropriate overtime or recall compensation as provided by this Agreement. Administration of such payments shall be in accordance with rates established by the Director of the Budget.

Article 16

Holiday Pay

16.1 Option

An employee who is entitled to time off with pay on days observed as holidays by the State who is scheduled or required to work on a holiday shall receive at his option either (a) additional compensation for each holiday worked at the rate of one-tenth of his biweekly rate of compensation or (b) a compensatory day off in lieu of such holiday worked. Compensation for less than a full day of holiday work will be prorated and will include geographic, location, inconvenience and shift pay as may be appropriate to the place or hours worked.

16.2 Waiver

An employee selecting an additional day off in lieu of holiday pay shall notify the payroll agency in writing of his intention to do so with the understanding that such notice constitutes a waiver of his right under this Agreement to receive cash compensation for holidays worked. An employee may execute or revoke such a waiver annually during the period April 1 to May 15 by notifying the Employer in writing of his intention, except that employees hired after the effective date of this Agreement may also execute a waiver at the time of appointment. In the event that no revocation notice is received from an employee during an "open period," any previously executed waiver shall remain in full force and effect.

16.3 Accumulation

(a) Employees who receive compensatory time off for time worked on holidays or in lieu of holidays that fall on employees' pass days shall continue to have such earned compensatory time off added to and included in their vacation accruals and shall liquidate such time according to rules governing the use of vacation.

(b) The present maximum of allowable vacation accruals and amounts of vacation credits for which equivalent cash payments will be made upon separation from employment, death or retirement remains unchanged.

16.4 Holiday Observances

(a) An employee who is entitled to time off with pay on days observed as holidays by the State as an Employer shall be granted compensatory time off when any such holiday falls on a Saturday, provided, however, that employees who work on any such Saturday may receive additional compensation in lieu of such compensatory time off in accordance with Section 16.2 of this Article. The State may designate a day to be observed as a holiday in lieu of such holiday which falls on Saturday.

(b) When December 25 and January 1 fall on Sundays and are observed as State holidays on the following Mondays, employees whose work schedule includes December 25 and/or January 1 shall observe the holiday on those dates, or if required to work, may receive additional compensation or compensatory time off in accordance with Section 16.1 of this Agreement. In such event, for those employees, December 26 and January 2 will not be considered holidays.

(c) An employee who is entitled to time off with pay on days observed as holidays by the State as an Employer shall be allowed compensatory time off whenever any such day falls on the employee's pass day.

16.5 Definition

As used in this Agreement, the term holiday shall mean: New Year's Day, Martin Luther King Day, Lincoln's Birthday, Washington's Birthday, Memorial Day, Independence Day, Labor Day, Columbus Day, Election Day, Veteran's Day, Thanksgiving Day, Christmas, or a day designated by the State to be observed as a holiday in lieu of such holiday, and any other day designated as a holiday for State employees by the Governor as an Employer.

(3) The rates in paragraphs (1) and (2) above shall be revised in accordance with any revision made in the per diem rates provided by the Federal government to its employees.

18.2 The Employer agrees that paychecks issued to employees will be delivered no later than Thursday following the end of the next succeeding payroll period.

When employees leave State service, their final salary check shall be issued at the end of the payroll period next following the payroll period in which their service is discontinued. This final salary check shall be paid at the employee's then-current salary rate.

18.3 Overtime and holiday pay authorized to be compensated for in cash shall be paid to employees by the close of the second biweekly payroll period following the payroll period during which it was earned.

Article 19

The sums transmitted shall be used for appropriate purposes and their specific allocation shall be determined by an arrangement between the employee and his credit union. The authorization for such deductions may be withdrawn by an employee at any time upon filing of a written notice of such withdrawal with the State Comptroller. The deductions shall be in accordance with reasonable rules and regulations of the Comptroller not inconsistent with law which may be necessary for the exercise of this authority under this Article.

Article 20

Uniforms

20.1 When the Employer requires an employee to wear a uniform, the Employer shall continue to furnish such employee with a uniform or replacement of such part of such uniform as may reasonably be necessary pursuant to the policies of each appointing authority which were in effect on March 31, 1985 except as modified in Section 20.2 below.

20.2 Effective March 31, 2011, all employees who are eligible to receive the clothing maintenance allowance shall have such allowance increased to \$1,075. Effective March 31, 2011, all employees who are eligible to receive the clothing allowance shall have such allowance increased to \$1,475. Starting with November 2011, all employees who are eligible for the clothing allowance and are on the payroll on the last day of the payroll period in which November 1 falls shall receive a clothing allowance in the amount of \$400, by separate check, for uniform cleaning and maintenance on or about December 1 of each year of this Agreement.

20.3 Whenever replacement of uniform parts or equipment is not available, the Department, or agency will make a reasonable effort to secure replacements as soon as is practicable.

ARTICLE 21

Indemnification

21.1 The Employer acknowledges its obligations to provide for the defense of its employees, and to save harmless and indemnify such employees from financial loss as hereinafter provided, to the broadest extent possible consistent with the provisions of Section 17 of the Public Officers Law in effect upon the date of execution of this Agreement.

21.2 The Employer agrees to provide for the defense of the employee as set forth in subdivision 2 of Section 17 of the Public Officers Law in any civil action or proceeding in any state or federal court arising out of any alleged act or omission which occurred or is alleged in the complaint to have occurred while the employee was acting within the scope of his public employment or duties including actions brought to enforce a provision of Section 1981 or 1983 of Title 42 of the United States Code. This duty to provide for a defense shall not arise where such civil action or proceeding is brought by or on behalf of the State, provided further, that the duty to defend or indemnify and save harmless shall be conditioned upon (a) delivery to the Attorney General or an Assistant Attorney General at an office of the Department of Law in the State by the employee of the original or a copy of any summons, complaint, process, notice, demand or pleading within 5 days after he is served with such document, and (b) the full cooperation of the employee in the defense of such action or proceeding and in defense of any action or proceeding against the State based upon the same act or omission, and in the prosecution of any appeal. Such delivery shall be deemed a request by the employee that the State provide for his defense pursuant to this section.

21.3 The Employer agrees to indemnify and save harmless its employees as set forth in subdivision 3 of Section 17 of the Public Officers Law in the amount of any judgment obtained against such employees in any state or federal court, or in the amount of any settlement of a claim, or shall pay such judgment or settlement, provided that the act or omission from which such judgment or settlement arose, occurred while the employee was acting within the scope of his public employment or duties; the duty to indemnify and save harmless prescribed by this section shall not arise where the injury or damage resulted from intentional wrongdoing on the part of the employee, provided further, that nothing contained herein shall authorize the State to indemnify or save harmless an employee with respect to fines or penalties, or money recovered from an employee pursuant to article 7-a of the State Finance Law; provided, however, that the State shall indemnify and save harmless its employees in the amount of any costs, attorneys' fees, damages, fines or penalties which may be imposed by reason of an adjudication that an employee, acting within the scope of his public employment or duties, has, without willfulness or intent on his part, violated a prior order, judgment, consent decree or stipulation of settlement entered into in any court of this State or of the United States.

21.4 The employee shall inform his supervisor when he informs the Attorney General of the services he has received under Section 21.1 above.

21.5(a) The Employer agrees to continue to provide the protection described in Section 19 of the Public Officers Law providing reimbursement for reasonable attorneys' fees and litigation expenses incurred by or on behalf of an employee in his successful defense in a criminal proceeding in a state or federal court arising out of any act which occurred while the employee was acting within the scope of his public employment or duties, upon acquittal or dismissal of criminal charges.

21.7 The Employer as a self-insurer agrees to provide adequate liability coverage for employees who use their homes in the performance of their official duty.

Article 22

Safe Working Conditions

22.1 The Employer shall provide safe working conditions for the protection of employee well being. The Employer and the PBA remain committed to a cooperative effort to provide safe working conditions for employees.

22.2 Any matters pertaining to safety standards and conditions may be discussed in labor/management committees at the appropriate level including the executive level. Such issues as concerns with employee exposure, the availability of protective equipment in areas of work and vehicles will be addressed at the local and agency levels. The parties shall also discuss maintaining and updating precaution checklists and relevant directives at work sites.

22.3 The parties recognize that in the course of their employment, employees provide various services to individuals with chronic illnesses and infectious diseases including HIV and may be exposed to such illnesses and diseases. For employees who are likely to have more than casual contact with individuals that may be infectious, the employer must allow employees to take universal precautions when they may come into contact with said individuals.

22.4 A program of Random Drug Testing consistent with Appendix "D" will be implemented by the State Agencies whose employees are covered by this Agreement.

22.5 Grievances alleging failure to comply with Article 22.1 through 22.3 shall be processed pursuant to Article 7, paragraph 7.1(b).

However, job assignments and shift selection shall be made in accordance with seniority provided the employee has the ability to properly perform the work involved. Before making a permanent assignment the Employer shall post all permanent vacancies in shifts or job assignments for a period of 30 days during which employees may bid. Bids shall be awarded at the end of the 30 day bidding period. The employee will start the new assignment within two weeks after the close of the 30 day bid period except when extended by mutual consent, but in no case longer than 30 days from the award of the bid. Grievances arising under this section shall be processed up to Step 3 of the grievance procedure but not to arbitration.

24.3(b) For all other titles in this bargaining unit, this paragraph shall apply: where vacancies at a region, campus or headquarter are known to exist, the appointing authority or designee shall announce the vacancy in writing for a period of 15 days in advance of making permanent assignment in order to allow employees to submit bids. The agency shall have the right to make any job and shift assignment necessary to maintain the services of the agency involved. Job and shift assignments shall be made in accordance with the employee's ability to properly perform the work involved. In the event of equal ability, seniority shall prevail. Grievances arising under this section shall be processed up to Step 3 of the grievance procedure but not to arbitration. (Additional information concerning the filling of job and shift assignments is contained in a side letter of this contract.)

24.4 An employee shall not have the right to bump for any reason.

24.5 The shift and pass day provisions of this Article shall not apply to those departments or agencies whose employees function on a rotating shift basis.

24.6 Nothing contained in Section 24.2 of this Article shall prevent mutually agreed to local arrangements regarding the method that pass days are to be selected.

24.7 The Employer agrees to provide the PBA a list of its employees by department or agency and seniority and to update it quarterly.

Article 25

Labor/Management Committees

25.1 To facilitate communication between the parties and to promote a climate conducive to constructive employee relations, joint labor/management committees shall be established at the executive, departmental and local levels of operations to discuss the implementation of this Agreement and other matters of mutual interest. The size of the committees shall be limited to the least number of representatives needed to accomplish their objectives. Committee size shall be determined by mutually agreed upon arrangements at the appropriate level. The composition of each PBA labor/management committee shall be at the discretion of the PBA. Time approved for such meetings shall be authorized only for employees of the department or agency for which the meeting is held except that members of the PBA Board of Directors shall be granted time for departmental level labor/management committee meetings in agencies other than their own.

25.2 Such committees will meet as necessary. Written agenda will be submitted a week in advance of regular meetings. Special meetings may be requested by either party. An agenda will be submitted along with the request. Such special meetings will be scheduled as soon as possible.

25.3 Approved time spent in such meetings (including actual and necessary travel time, not to exceed eight hours each way, for Executive and department level meetings) shall neither be charged to leave credits nor considered as overtime worked.

Management shall make every effort to reschedule shift assignments or pass days so that meetings fall during working hours of PBA representatives.

25.4 Labor/management committee meetings shall be conducted in good faith. These committees shall have no power to contravene any provisions of this Agreement or to agree to take any action beyond the authority of the management at the level at which the meeting takes place. Matters may be referred to and from the facility and department or agency levels as necessary. The parties may issue joint meeting minutes and letters of understanding. Any arrangement which is mutually agreed upon shall be reduced to writing within fourteen (14) calendar days. Any arrangement which is the subject of a memorandum of understanding, letter of understanding or joint meeting minutes, shall not be altered or modified by either party without first meeting and discussing with the other party at the appropriate level in a good faith effort to reach a successor agreement. Any alterations or modifications to a written labor/management agreement as described in this section may occur no sooner than five days after such meeting and discussion and subsequent written notification of the changes received by the other party. Implementation of such alterations or modifications shall not occur without adherence to the procedures herein described. In cases where emergency conditions necessitate a variation of an established labor/management agreement by either party, the other party must be notified of such variation as soon as possible. Such variation will be reviewed by the designated PBA and Management Chairs of the Labor/Management Committee within seven days. Disagreements growing out of the implementation of memorandum or letters of

understanding may be initiated at the 3rd Step of the grievance procedure as contained in Article 7, paragraph 7.1(b).

25.5 Staff representatives of the Governor's Office of Employee Relations and the PBA will render assistance to local joint committees in procedural and substantive issues as necessary to fulfill the objectives of this Article and may participate in such meetings.

25.6 The Employer and the PBA will review the manner in which quality of work life efforts should be provided in this unit. Funding will be appropriated as follows for the stated Fiscal Years: 2011-2012: \$15,723; 2012-2013: \$15,723; 2013-2014: \$15,723; 2014-2015: \$16,037 for a statewide labor/management committee.

This section is not subject to the provisions of Article 7 of this Agreement.

25.7(a) The Employer shall continue the program established by Section 154-b(8) of the Civil Service Law to provide a survivor's benefit in the amount of \$50,000 in the event that an employee dies on or after the effective date of this Agreement as a result of an accidental on-the-job injury or disease provided that it is finally determined by the appropriate federal authorities that a public safety officer's death benefit is not payable pursuant to Section 3796 through Section 3796-C of Title 42 of the United States Code (the Federal Public Safety Officer Benefit Act) and provided that a death benefit is paid pursuant to the Workers' Compensation Law. Such survivor's benefit shall be paid to the employee's surviving spouse and dependent children as designated by the Workers' Compensation Board and in the same proportion as provided in the Workers' Compensation Law. In the event an employee is not survived by a spouse or dependent children, the survivor's benefit shall be paid to the estate of the employee.

Such survivor's benefit shall be in addition to and not in place of any other survivor's or death benefit except that such benefit will not be payable if a public safety officer's death benefit is payable pursuant to the Federal Public Safety Officer Benefit Act.

(b) The Employer shall continue the program established by Section 154-b(3) of the Civil Service Law to provide an employee's dependent child or children who are designated to receive a death benefit by the Workers' Compensation Board as a result of a determination that such employee has died of an on-the-job injury or disease on or after the effective date of this Agreement with full tuition up to the amount charged by a SUNY college or university to attend any college or university provided such child or children meet the entrance requirements of that college or university.

25.8 The Employer shall not contract out for goods and service performed by employees which will result in any employee being reduced or laid off without prior consultation with the Union concerning any possible effect on the terms and conditions of employment of employees covered by this Agreement.

25.9 The State of New York as the Employer and the PBA agree that they shall hereinafter enter into a contract to provide for the implementation of an employee benefit fund, in accordance with such terms as shall be jointly agreed upon by the parties and subject to the approval of the Comptroller, to be

administered by the PBA to provide certain benefits for full-time annual salaried employees in the PBA bargaining unit.

For each full-time annual salaried unit employee, the Employer shall deposit an amount in the employee benefit fund as follows: on April 1, 2011 - \$40 per employee; on April 1, 2012 - \$40 per employee; on April 1, 2013 - \$40 employee; on April 1, 2014 - \$40 per employee. For the purposes of determining the amount to be deposited in accordance with this section, the number of employees shall be determined to be the number of full-time annual salaried unit employees on the payroll each preceding March 1, as set forth above in this paragraph.

25.10 The Employer and PBA shall continue to provide the Dependent Care Advantage Account Program provided by the New York State Labor/Management Child Care Advisory Committee to the extent that federal and state laws allow. The administrative cost shall continue to be funded through Article 25.6 of this Agreement. This program will provide employees with the opportunity to increase their spendable income by paying for all or part of selected benefits such as child care, elder care and dependent care with pre-tax dollars.

Article 26
No Strike Clause

Article 27
Preservation of Benefits

27.1 With respect to matters not covered by this Agreement, the Employer will not seek to diminish or impair during the term of this Agreement any benefit or privilege provided by law, rule or regulation for employees without prior notice to the PBA and when appropriate, without negotiations with the PBA provided, however, that this Agreement shall be construed consistent with the free exercise of rights reserved to the Employer by Article 6 of this Agreement.

Article 29
Printing of Agreement

31.1 The Employer and the PBA agree that this Agreement is the entire agreement, terminates all prior agreements or understandings and concludes all collective negotiations during its term. Neither party will, during the term of this Agreement, seek to unilaterally modify its terms through legislation or other means which may be available to them.

31.2 The parties acknowledge that, except as otherwise expressly provided herein, they have fully negotiated with respect to the terms and conditions of employment and have settled them for the term of this Agreement in accordance with the provisions thereof.

APPENDIX “B”

The items in this Appendix are reviewable pursuant to Article 7.1(b) of the Agency Police Services Unit Agreement.

Counseling

Counseling is an effort on the part of a supervisor to provide to an employee, positively or negatively, significant feedback regarding on-the-job activity. It is meant to be a positive communications device, clarifying what has occurred and what is expected. Counseling is not disciplinary, having constructive goals, such as assisting in employee development, or teaching or modifying behavior. It involves face-to-face contact, and out of respect for the employee and the process, must be conducted in private. Counseling is a direct technique that should involve two individuals, the supervisor and the subordinate. If the counseling situation warrants that more than one supervisor be present, the employee being counseled must be afforded the opportunity to invite a Union representative who is readily available to attend the counseling session.

Counseling is not viewed as a routine matter. When contemplating the issuance of a follow-up memo, supervisors should consider if that level of formal response is necessary or appropriate. Not all incidents require counseling, not all counseling requires the issuance of a memo. Consideration of this action may be appropriate for discussion with higher levels of supervision and/or the personnel department. If such a memo is issued to an employee, it must accurately describe the discussion and clearly establish expectations for the future. Overall, counseling is viewed as a supportive supervisory means of communicating with employees.

An employee is not required to sign a counseling memo. An employee may be asked to acknowledge receipt of a counseling memo by signing it prior to its placement in his official personal history folder. Such signature does not necessarily indicate agreement with the contents of the memo. The employee has the right to file a response to a counseling memo in his official personal history folder. Grievances arising out of the application of this Appendix shall be processed pursuant to Article 7, paragraph 7.1(b).

Labor/Management Agreements

It is the intention of the State to continue all existing labor/management agreements subject to the provisions of Article 25 of the Agreement and consistent with this Agreement notwithstanding the provisions of Article 31 of the Agreement.

APPENDIX “C”

Training Notices

At the request of the Union, agency level labor/management committees will review criteria and method of selection of assignment to agency training programs. If such meetings fail to resolve the issue, the Union may request an executive level labor/management meeting as provided in Article 25 to discuss the matter.

APPENDIX “D”

Agency Police Services Unit Drug Testing Program

- I. Policy: It is the policy of the police departments within the Department of Environmental Conservation (DEC), the Office of Parks, Recreation and Historic Preservation (OPRHP) and the State University of New York (SUNY) to prohibit the illegal use or possession (either on or off - duty) of any drug, narcotic, controlled substance or marijuana by any employee. It is not the intent of this policy to prohibit possession or use by the employee when it is required in the course of official duties, or the drug, narcotic, controlled substance or marijuana has been legally prescribed for the employee. Any prescription for a controlled substance, drug, or narcotic must be written for a valid medical condition, by a person licensed to practice medicine or other practitioner authorized to prescribe medication. Violation of this policy will result in immediate disciplinary action, up to and including dismissal.
- Furthermore, any employee receiving or having information regarding the illegal use, possession or sale of any drugs, narcotics, controlled substances or marijuana by another employee or applicant shall immediately bring that information to the attention of his/her Captain (DEC), Major (OPRHP) or Chief (SUNY). Any employee failing to comply with this policy will be subject to disciplinary action. Nothing herein shall relieve such employee of other existing reporting requirements.
 - Nothing herein shall alter or replace the rights and responsibilities of the employer or employees with respect to the Federal Drug Free Workplace Act of 1988 (34 CFR Part 85, Subpart F) which imposes specific requirements upon all employers who receive federal funds.
 - Nothing herein shall be deemed to replace or otherwise alter the ability of the employer to utilize section 72 of the Civil Service Law for any otherwise applicable purpose.
 - Nothing herein shall be deemed to restrict or eliminate the employer's right to set qualifications for employment for positions in this unit.
 - An employee utilizing their own vehicle to travel to such testing shall be provided, subject to rules and regulations of the Comptroller, a maximum personal vehicle mileage allowance rate for the use of his/her personal vehicle. The personal vehicle mileage rate for employees in this unit will be consistent with the maximum mileage allowance permitted by the Internal Revenue Service. Such payments shall be made in accordance with the rules and regulations of the Comptroller.

II. Protection Of Employee Rights During Drug Testing

The Agency Police Services Unit Drug Testing Program ensures that all unit members are treated fairly and in a dignified manner on those occasions when drug testing is required. To that end, this Drug Testing program is governed by the following guidelines.

- Urine specimens may be tested to determine the employee's illegal use of drugs.
- However, hair testing is permissible under the following circumstances;
 - An employee, from his/her initial date of hire up to and including the completion of field training, shall also be subjected to both random hair testing and hair testing based upon a reasonable suspicion of illegal use of drugs.
 - An employee who has completed his/her field training shall only be subjected to hair testing under the following circumstances:
 - Reasonable suspicion that the employee has submitted a diluted urine sample for testing;
 - Reasonable suspicion that the employee has submitted a substituted urine sample for testing;
 - Reasonable suspicion that the employee has submitted an adulterated urine sample for testing; or
 - Reasonable suspicion of illegal use of drugs.
- Hair and/or urine specimens will be collected in a manner that preserves the dignity of the person tested and ensures the integrity of the sample.
- Prior to each drug test, the unit member being tested must complete a Confidential Drug Screening Questionnaire identifying any and all medications, foods, food supplements or liquids ingested for a seventy-two hour period prior to being tested, as well as any contact with any controlled substances or marijuana. It is imperative when filling out this form to be as descriptive as possible in identifying all medications, foods, food supplements or liquids which may have been ingested and the circumstances in which there was contact with controlled substances or marijuana. A listing of all medications consumed in the last 90 calendar days is required for hair analysis. The Questionnaire shall be a two part NCR form. After filling out the Questionnaire, the employee shall be given the employee copy of the NCR form and an envelope in which he/she shall seal the original Questionnaire and sign his/her name along the sealed flap in such a

manner that top portion of the signature is on the flap and the bottom portion of the signature is on the envelope. For a random drug test, such sealed Questionnaires will be secured in the office of the Director of Employee Relations for DEC, the Director of Human Resources Management for OPRHP or the Commissioner for University Police for SUNY. For a reasonable suspicion test or the test of a probationary employee, such sealed envelope will be secured in the Director of Law Enforcement for DEC, the Director of Forest Ranger Services for DEC, the Director of Law Enforcement for OPRHP or the respective Chief of University Police for the SUNY campus.

- Collection of urine and/or hair specimens will be performed by a contractor, engaged by the employing agencies, qualified to perform such collection.
- When taken, the contractor shall collect one urine specimen from each individual to be tested. The urine specimen will be split in the presence of the employee tested into two vials. All specimens will be sealed and identified by an anonymous control tracking number established by the contractor, in the presence of the employee.
- One vial of the split urine specimen will undergo an initial testing to determine the presence of a substance which violates this policy. If a positive result occurs, the specimen will be tested in a confirmation test by gas chromatography with mass spectrometry or an equivalent scientifically accepted method that provides quantitative data about the detected drug or drug metabolites. Only a laboratory currently holding a New York State Department of Health Permit in Forensic Toxicology shall be used to analyze and report on urine samples.
- When taken, the contractor shall collect two hair samples from each individual tested. The hair samples will be sealed separately in two collection bags in the presence of the employee who is tested. All samples will be sealed and identified by an anonymous control tracking number established by the contractor, in the presence of the employee.
- One hair sample will undergo an initial testing to determine the presence of a substance which violates this policy. If a positive result occurs, the specimen will be tested in a confirmation test by gas chromatography with mass spectrometry or an equivalent scientifically accepted method that provides quantitative data about the detected drug or drug metabolites. Only a laboratory currently holding a New York State Department of Health Permit in Forensic Toxicology shall be used to analyze and report on hair samples.
- Hair and/or urine specimens will be identified by an anonymous control number and an employee's identity will be disclosed only to

individual charged with the duty of investigating or prosecuting violations of this drug policy after the MRO review process, to other persons upon the written consent of employee being tested, or to other persons as may be required by lawful process.

- The MRO will be as defined under the Federal Standard 49 CFR part 40.121.
- After the collection process is completed, hair and/or urine specimens will be transported, stored, and analyzed using procedures designed to specifically linking such sample to the individual tested and to prevent tampering including appropriate chain of custody procedures.
- Hair and/or urine specimens will be tested to determine the employee's use of a substance or substances that violate the program. All hair and/or urine specimens identified a positive on the initial test(s) will be confirmed as noted above. Only specimens confirmed positive shall be reported positive. Specimens which are negative on the initial test or negative on the confirmation test will be reported as negative and destroyed.
- If a test result is negative, the employing agency will return the Questionnaire to the employee unopened. If a positive test results, such sealed Questionnaire shall be sent to the Medical Review Officer (MRO) unopened so that the positive test can be investigated by such MRO.
- The MRO may contact, as required, the employee to clarify information on the Questionnaire or obtain such information. After the MRO reviews the results of the drug testing and the information on the Questionnaire and/or information of the employee, the MRO shall issue a finding that the positive result of the drug test is valid or invalid to the employing agency.
- If found valid, all information reviewed and collected by the MRO shall be reported to the employing agency for appropriate administrative action in accordance with established policies, procedures and collective bargaining agreements.
- If found invalid, the drug test shall be determined to be negative and no administrative action shall occur on that sole basis. However, the MRO is free to and shall report to the agencies any determination that the employee is otherwise potentially unfit for duty based on the results of the MRO's investigation or potentially in violation of this program.
- If taken, an employee's urine specimen will be divided into two collection bottles. If the urine specimen is reported positive and valid after the MRO process, the employee may have the second untested specimen independently tested by a laboratory currently holding a New York State Department of Health Permit in Forensic

Toxicology. This process will be initiated by notifying the Director of Law Enforcement for DEC, the Director of Forest Ranger Services for DEC, the Director of Law Enforcement for OPRHP or the respective Chief of University Police for the SUNY campus in writing, through the appropriate channels, within 20 calendar days of being notified of the positive test result. All costs of such testing shall be borne by the employee.

- If taken, two hair samples will be collected and sealed separately in collection bags. If the hair specimen is reported positive and valid after the MRO process, the employee may have the second untested hair specimen independently tested by a laboratory currently holding a New York State Department of Health Permit in Forensic Toxicology. This process will be initiated by notifying the Director of Law Enforcement for DEC, the Director of Forest Ranger Services for DEC, the Director of Law Enforcement for OPRHP or the respective Chief of University Police for the SUNY campus in writing, through the appropriate channels, within 20 calendar days of being notified of the positive test result. All costs of such testing shall be borne by the employee.
- Upon any confirmed positive test result, the Director of Law Enforcement for DEC, the Director of Forest Ranger Services for DEC, the Director of Law Enforcement for OPRHP or the respective Chief of University Police for the SUNY campus or his/her designee shall immediately commence an investigation to determine whether administrative action and/or disciplinary action is required.
- A unit member who either refuses to provide a urine specimen and/or hair sample, who violates this policy, or who tests positive for any substance that violates the policy under this program, without a valid medical reason, will be subject to disciplinary action up to and including dismissal.
- The union shall be sent the names, employing agency and work location of individuals who were tested under the reasonable suspicion and probationary components of this program no later than 4 business days following the conclusion of such testing and shall be sent such information by each agency no later than 7 business days following the conclusion of testing of that agency's employees under the random drug testing component of this program.
- The employer shall send an employee the results (positive or negative) of a drug test under this program within four (4) business days of receipt of the test results.

- The contractor shall render a determination as to a positive result of any drug testing under this program based on scientifically accepted levels for determining a positive test result.

- The procurement process conducted by the Agencies regarding contractual services for the Drug Testing will include the union's involvement as follows:
 - Review and comment on the draft RFP before it is released
 - Attendance at the pre-bidders conference
 - Sufficient time for access to and review of the technical proposals prior to management interviews
 - Participation in Management Interviews and Site visits
 - Attendance at a formal cost proposal briefing

 - Recommendation of a vendor. Due to the proprietary nature of the materials included in the cost proposals, the union will not have access to the actual cost proposal. The State reserves the right to make the final selection of a vendor after discussion with and consideration of the union's recommendation

III. Compulsory Drug Testing of Unit Members Based Upon Reasonable Suspicion

of Illegal Use Of Drugs

Policy: A unit member may be ordered to submit to testing to determine the presence of substances in his/her system that violates this program. A refusal to submit to such test shall be deemed a positive test for substances that violate this policy and shall be subject to such administrative or disciplinary action that the employer deems appropriate including but not limited to suspension and disciplinary charges. A unit member shall be escorted to such test at the discretion of the appointing authority.

- In determining whether to order a test in a particular case, the employing agency/campus must balance an employee's reasonable expectations of privacy from unreasonable intrusions against the employer's interest in assuring the integrity and fitness of its employees and the safety and security of the public.
- The order to submit to such testing must be justified by a reasonable suspicion that the employee has reported for duty under the influence of any habit forming drug, narcotic, controlled substance or marijuana or is engaging in the use, distribution, or sale of such substances either on or off duty.
- While the term "reasonable suspicion" does not lend itself to precise definition or mechanical application, vague, unparticularized, unspecified or rudimentary hunches or intuitive feelings do not meet the standard.
- Reasonable suspicion is the quantum of knowledge sufficient to induce an ordinarily prudent and cautious person to act under the circumstances. Reasonable suspicion must be directed at a specific person and be based on specific articulable facts and the logical inferences and deductions that can be drawn from those facts.
- Reasonable suspicion may be based upon, among other matters: observable phenomena, such as direct observation of use and/or the physical symptoms of using or being under the influence of substances which violate this policy such as, but not limited to, slurred speech, disorientation, a pattern of abnormal conduct or erratic behavior or information provided either by reliable and credible sources or which is independently corroborated.
- When a superior officer believes that the available facts objectively indicate that reasonable suspicion exists that a test of the employee

would yield a positive result for substances in violation of this program, documentation of such facts shall be maintained in writing. Such officer shall exercise care and accurately document the objective facts contributing to and forming the basis for the reasonable suspicion. These facts must include a description of the employee's appearance and demeanor, the observations of witnesses and the nature and source of the information. Where reasonable suspicion arises, in whole or in part, from the observations made by a confidential informant, the superior officer shall simply record the name and location of the employer of such informant and not his/her name. Confidential informant shall mean an employee or agent of any of the following: the Division of Law Enforcement of DEC, the Division of Forest Protection for DEC, the Division of Law Enforcement for OPHRP, the police department of any SUNY campus or any other governmental law enforcement agency. However, nothing herein shall require the disclosure of such a confidential informant. In disciplinary proceedings based on refusal to submit to drug testing or upon testing for positive use, the employing agency/campus cannot be compelled to reveal the name of the confidential informant nor can evidence of such confidential informant be suppressed because of the employing agency's/campus' refusal to reveal the name of such confidential informant.

- Where any provision of this policy is determined to be in conflict with the applicable collective bargaining agreement or law, statute, rule or regulation, including Civil Service Law Section 72 and Section 75, said collective bargaining agreement, law, statute, rule or regulation will control. It is not the intent of this policy to abridge any rights an employee may have under applicable collective bargaining agreements, laws statutes, or rules or regulations including Civil Service Time and Attendance Rules, and any rights to discretionary treatment thereunder that an employee may have for discretionary treatment under Civil Service Time and Attendance Rules.
- If an agency has reasonable suspicion to conduct a test under this portion of the program, the agency shall limit the substances tested for that fall into the following categories: amphetamines, barbiturates, benzodiazepines, cannabinoid, cocaine (metabolites), methaqualone, opiates, phencyclidine, methadone, propoxyphene. An agency, if it has reasonable suspicion, may test for all of these categories. If there is a positive test result for any of the ten categories, the agency may investigate and proceed with disciplinary action where it deems it appropriate even if the test results return negative for the substance(s) that led to the probable cause for testing.
- A urine or hair specimen may be tested to determine a unit member's use of substances in violation of this program. A determination that a member has tested positive for a substance prohibited by the program will result in immediate disciplinary action, up to and including dismissal.
- Positive test samples will be stored by the analyzing laboratory for a

minimum of 12 months.

- A unit member who has tested positive may, within 20 calendar days of notification of such result, submit a written request to the Director of Law Enforcement for DEC, the Director of Forest Ranger Services for DEC, the Director of Law Enforcement for OPRHP or the respective Chief of University Police for the SUNY campus for an independent analysis of the untested portion of the original hair and/or urine sample. Such individual, upon receipt of the written request, will make arrangements for the independent testing. All costs of such testing shall be borne by the employee.
- If a sample is determined to be diluted, adulterated, substituted or invalid, the employee shall be subject to immediate and regular hair and/or urine testing at the discretion of the employing agency until such time as an investigation into such sample is completed. An employing agency/campus may take disciplinary action against an individual with respect to the diluted, adulterated, substituted or invalid sample if it determines that the facts and circumstances surrounding such sample warrant disciplinary action.

IV. Random Drug Testing of Unit Members

Policy: All members of this unit, regardless of rank or work location, upon notification they are subject to a Random Drug Test will appear as required at the location specified for drug testing. The random selection testing process of these units will be under the direct guidance and supervision of the Director of Employee Relations for DEC, the Director of Human Resources Management for OPRHP and the Commissioner for University Police for SUNY or any of those individual's designee(s).

- At least once per calendar year, eight (8) percent of the individuals in the random drug testing component of the program shall be subject to a random drug test pursuant to this policy. At such time that it is determined that a random drug test will occur, the Director of Employee Relations for DEC, the Director of Human Resources Management for OPRHP and the Commissioner for University Police for SUNY or any of those individual's designee(s) shall obtain the number of individuals to be tested in the program by accessing the names, employing agencies, and work locations of such employees from the Office of the State Comptroller. The number of individuals to be drug tested shall correspond to the percentage of employees that the agency employs that are covered by the random drug testing component of the program. The Director of Employee Relations for DEC, the Director of Human Resources Management for OPRHP and the Commissioner for University Police for SUNY or any of those individual's designee(s) shall supply the names, employing agencies, and work locations of individuals covered by the random drug testing component of the program and the number of individuals in each

agency that will be subject to that random drug test. The selection of individuals to be tested shall be done by a computer-based program by the contractor engaged by the agencies to administer the Random Drug Testing component of the program. Once the contractor has determined that an individual will be randomly drug tested, the contractor will have 45 calendar days to collect the sample from the individual and report the results to the employing agency. There will be no overlapping of random drug tests. If an individual selected by the contractor to be tested is on long-term leave, which is defined as a leave anticipated to last at least 30 calendar days, then that individual will not be tested and the contractor will select a substitute individual to be tested.

An agency shall not cause the contractor to not to test any individual selected by testing unless such individual is on long-term leave.

- A urine specimen may be tested to determine a unit member's use of substances in violation of this program. A determination that a member has tested positive for a substance prohibited by the program will result in immediate disciplinary action, up to and including dismissal.
- Testing may be done for any substance as outlined in the policy section of the program but the employing agencies/campuses shall not request nor require the testing for prescription medication under this component of the program.
- Positive test samples will be stored by the analyzing laboratory for a minimum of 12 months.
- A unit member who has tested positive may, within 20 calendar days of notification of such result, submit a written request to the Director of Law Enforcement for DEC, the Director of Forest Ranger Services for DEC, the Director of Law Enforcement for OPRHP or the respective Chief of University Police for the SUNY campus for an independent analysis of the untested portion of the original hair and/or urine sample. Such individual, upon receipt of the written request, will make arrangements for the independent testing. All costs of such testing shall be borne by the employee.
- If a sample is determined to be diluted, adulterated, substituted or invalid, the employee shall be subject to immediate and regular hair and/or urine testing at the discretion of the employing agency until such time as an investigation into such sample is completed. An employing agency/campus may take disciplinary action against an individual with respect to the diluted, adulterated, substituted or invalid sample if it determines that the facts and circumstances surrounding such sample warrant disciplinary action.

V. Drug Testing Of Probationary Unit Members From Initial Date of Hire Through Completion of Field Training

Policy: During the period from the initial date of hire up to and including the completion of field training, employees shall be subject to periodic, unannounced drug testing for the purpose of determining whether they have used a substance in violation of this program. This testing may consist of hair/urine analysis at the discretion of the appointing authority. Such tests will be administered a number of times during the period from the initial date of hire up to and including the completion of field training.

- A urine or hair specimen may be tested to determine a unit member's use of substances in violation of this program. Testing may be done for any substance as outlined in the policy section of the program. A determination that a member has tested positive for a substance prohibited by the program may result in any administrative action deemed appropriate by the agency that employs such employee including the termination of the employee's probation. Any such action taken by the employing agency is not subject to Article 7 or Article 8 of the collective bargaining agreement. Positive test samples will be stored by the analyzing laboratory for a minimum of 12 months.
- A unit member who has tested positive may, within 20 calendar days of notification of such result, submit a written request to the Director of Law Enforcement for DEC, the Director of Forest Ranger Services for DEC, the Director of Law Enforcement for OPRHP or the respective Chief of University Police for the SUNY campus for an independent analysis of the untested portion of the original hair and/or urine sample. Such individual, upon receipt of the written request, will make arrangements for the independent testing. All costs of such testing shall be borne by the employee.
- If a sample is determined to be diluted, adulterated, substituted or invalid, the employee shall be subject to immediate and regular hair and/or urine testing at the discretion of the employing agency until such time as an investigation into such sample is completed. Appropriate administrative action as deemed by the agency/campus which employs such employee including the termination of the employee's probation may be taken as a result of such sample. Any such action taken by the employing agency/campus is not subject to Article 7 or Article 8 of the collective bargaining agreement.
- Probationary employees covered by this program shall be subject to the provisions of the reasonable suspicion drug testing component of the program at the conclusion of field training. Except that nothing herein shall grant such probationary employee rights under Article 8 of

the collective bargaining agreement.

- The Drug Testing Of Unit Members From Initial Date of Hire Through Completion of Field Training portion of this program shall not apply to a permanent employee of this bargaining unit who is hired by another agency or campus with employees in this bargaining unit where such permanent employee is not required to attend the training academy required of new hires by that hiring agency or campus.

Parking, tolls, taxis, and similar expenses shall continue to be reimbursed in accordance with the Comptroller's Rules and Regulations.

(3) Reimbursement Methods

The changes in Article 17 as they relate to reimbursement for lodging and meal expenses for authorized overnight travel, be they receipted or unreceipted, do not contemplate any change in the current method by which the Comptroller requires employees to compute expenses on travel vouchers. These methods are commonly known as "Method I" for unreceipted travel and "Method II" for receipted travel.

I believe that the above is reflective of our discussion during these negotiations.

Sincerely,

/s/ Michael Volforte

Dear Mr. Vilar:

This is to confirm our discussion during negotiations for the Agency Police Services Unit Agreement.

In the Agency Police Services Unit, all Supervisors job and shift assignment vacancies will be posted as required by Article 24.3(b) of the Agreement.

Any Supervisor who is senior to the successful bidder is entitled, at his request, or at the request of the Union, to be advised of the reasons that he was not selected for the assignment. A Supervisor is defined in this side letter as one of the following titles only: Captain Park Patrol, Chief Environmental Conservation Officer, Environmental Conservation Investigator 3, Forest Ranger 3, Lieutenant Park Patrol, Sergeant Park Patrol, University Police Investigator 2, and University Police Officer 2.

In cases where seniority is not used to award job bids, it is necessary for the administration to document why one employee's ability is greater than another's. This could be done through previous experience, training, etc.

Any complaints regarding failure to make an assignment to other than the senior bidder should be referred by the Union directly to the Director of Labor Relations of the agencies covered under this Agreement for review and response within seven working days. The decision of the Director may be submitted to the grievance procedure at its first step.

Sincerely,

/s/ Michael

Dear Mr. Vilar:

The State and PBANYS recognize that in the course of performing their jobs, exposure to tuberculosis (TB) and the possibility of contracting active TB is a major concern for employees and their families.

The State and PBANYS are committed to the ongoing exploration of a range of accommodations in those instances where an employee has contracted active TB. Such accommodations warranting further exploration may include development of reassignments to non-contact positions to limit the exposure of employees as medically necessary and discussion of the concept of redeployment to another State agency of such an employee when continued performance of job duties would place an employee "at risk."

Discussion, consideration and exploration will be undertaken by a Statewide joint labor/management work group under the auspices of Article 22 of the Agreement. The mechanics of how such accommodations might be accomplished, contractual implications, and the process by which suitable alternate placement opportunities might be facilitated will be discussed. The parties will evaluate the legal, fiscal and operational ramifications of such a concept, and consider other supportive measures such as retraining and counseling beyond that which would otherwise be provided on an agency basis. Although the focus of discussions will pertain primarily to TB, the parties will discuss other infectious diseases as well.

Of course, pro-active agency approaches such as education, the development of protocols, and the availability of proper equipment will remain a priority to help reduce the possibility of exposure.

Sincerely,

Re: Performance Advancement Effective Date

Dear Mr. Vilar:

This is to confirm our discussion during negotiations for the Agency Police Services Unit Agreement regarding the change in effective date from March 31 to April 1 in Article 11.3; specifically given that the language in Article 11 no longer sunsets the performance advance payments, such change in effective date, will not result in any employee being paid a performance advancement payment more than once in a fiscal year.

Sincerely,

An agency, department or facility may enter into labor/management agreements as defined by the Agreement to permit 1) union access to a local electronic bulletin board, where it exists, as described in paragraph A below and/or 2) union use of e-mail for labor/management purposes as described paragraph B below.

A. A labor/management agreement concerning union access to a local electronic bulletin board may be made for posting of PBANYS notices and bulletins. No material which may be profane, derogatory to any individual or constitute election campaign material for or against any person, organization or faction thereof except that election material related to internal PBANYS elections may be posted on such electronic bulletin board. All bulletins or notices shall be signed by the Council President, Local Union President or their designee on a hard copy of the material provided to management. Any material in violation of the above criteria will be removed promptly by management.

B. A labor/management agreement on the use of an agency's, department's or facility's e-mail system for labor/management purposes may permit use by union representative(s) to communicate:

Other access to electronic resources of the State, or agency, department or facility thereof, by and between union representatives and/or union members shall be discussed in a Statewide Labor/Management Committee established specifically for that purpose.

Sincerely,

/s/ Michael Volforte
