PREAMBLE

This Agreement entered into by the Executive Branch of the State of New York hereinafter referred to as the "Employer" and Security Supervisors Unit Employees Council 82, American Federation of State, County and Municipal Employees, AFL-CIO, hereinafter referred to as the "Union", on behalf of all employees in the bargaining unit in every agency where they may be employed, has as its purpose the promotion of harmonious employee relations between the Employer and the Union, the establishment of an equitable and peaceful procedure for the resolution of differences and the establishment of salaries, wages, hours of work and other terms and conditions of employment.

BILL OF RIGHTS

To insure that individual rights of employees in the Security Supervisors Unit are not violated, the following shall represent the Employees' Bill of Rights:

- (A) An employee shall be entitled to Union representation at each and every step of the grievance procedure set forth in this Agreement.
- (B) An employee shall be entitled to Union representation at each stage of a disciplinary proceeding instituted pursuant to Article 8 of this Agreement.
- (C) No employee shall be requested to sign a statement of an admission of guilt to be used in a disciplinary proceeding under Article 8 without having Union representation.
- (D) No recording devices of any kind shall be used during any disciplinary proceedings except as provided for in Article 8, unless agreed to by all parties and each party receives a copy of the tape.
- (E) In all disciplinary hearing proceedings under Article 8, the burden of proof shall rest with the Employer.

- (F) An employee shall not be coerced or intimidated or suffer any reprisal either directly or indirectly that may adversely affect his hours, wages or working conditions as the result of the exercise of his rights under this Agreement.
- (G) An employee shall be entitled to Union representation at an interrogation if it is contemplated that such employee will be served a notice of discipline pursuant to Article 8 of this Agreement. Such employee shall not be required to sign any statement arising out of such interrogation.
- (H) Except as provided below, any statements or admissions made by an employee during such an interrogation without the opportunity to have Union representation may not be subsequently used in a disciplinary proceeding against that employee.
- (I) If representation is requested by the employee and if such representation is not provided by the Union within a reasonable period of time, the Employer may proceed with the interrogation.
- (J) The Employer shall not infringe upon the right of an employee to be accompanied by counsel as provided by Section 73 of the Civil Rights Law, when said employee is summoned to appear before any "hearing" or before any "agency," as such terms are defined in Section 73 of the Civil Rights Law.

- (K) Any employee who is subject to questioning by his/her Department's Inspector General's Office shall, whenever the nature of investigation permits, be notified at least 24 hours prior to the interview.
- (L) Any employee who was notified that there was an investigation pending against him or her by their Department's Inspector General's Office shall be notified by the Employer of the closure of the investigation within two weeks of a written request made by the employee.
- (M) The employer shall keep confidential all employee medical records.

ARTICLE 1

Term of Agreement

1.1 This Agreement shall be effective as of April 1, 2009, except as otherwise specified, and shall continue in full force and effect to and including March 31, 2016.

ARTICLE 2

Recognition

2.1 The Employer, pursuant to the certification of the Public Employment Relations Board, recognizes the Union as the sole and exclusive representative of those employees in the Security Supervisors Unit for the purpose of collective negotiations concerning salaries, wages, hours of work and other terms and conditions of employment of employees serving in positions in the Security Supervisors Unit.

ARTICLE 3

Nondiscrimination

3.1 The Employer and the Union agree that the provisions of this Agreement shall be applied equally to all employees in compliance with applicable law against discrimination as to age, race, creed, color, national origin, sex, disability, marital status, political affiliation and sexual orientation as defined by the New York State Human Rights Law in effect on April 1, 2003. The parties reaffirm their commitment to all applicable military laws and the rights of former and present members of the Armed Forces of the United States.

3.2 All references in this Agreement to employees of the male gender are used for convenience only and shall be construed to include both male and female employees.

3.3 The Employer agrees not to interfere with the rights of employees to become members of the Union. There shall be no discrimination, interference, restraint or coercion by the Employer or any Employer representative against any employee because of Union membership or because of any employee activity permissible under the Taylor Law and this Agreement in an official capacity on behalf of the Union, or for any other cause.

3.4 The Union recognizes its responsibility as bargaining agent and agrees to represent all employees in the bargaining unit without discrimination, interference, restraint or coercion.

ARTICLE 4

Check-Off

4.1 The Employer agrees to grant exclusive rights of dues deduction to the Union and will deduct Union membership dues from the pay of those employees who individually request in writing that such deductions be made. The amount to be deducted shall be certified to the Employer by the Union and the aggregate deductions together with a list of employees for whom deductions were made shall be remitted forthwith to the Union.

4.2 The Employer further agrees to grant to the Union exclusive payroll deduction of payments for employee benefit programs sponsored by the Union.

4.3 Employees may, at their individual option, participate by voluntary payroll deductions in the Individual Retirement Account (IRA) plan, provided through the Union, by a "financial organization" (as defined in State Finance Law §201.6) pursuant to the Economic Recovery Tax Act of 1981 (P.L. 97-34).

4.4 Employees may, at their individual option, participate in the New York State Deferred Compensation Plan subject to the law and rules governing the Plan.

4.5 Employees may, at their individual option, participate in the AFSCME program known as "Public Employees Organized for Political and Legislative Equality."

ARTICLE 5

Union Rights

5.1 Bulletin Boards

(a) The Employer agrees to furnish and maintain suitable locking glass enclosed bulletin boards in convenient places in each working area to be used exclusively by the Union.

(b) The Union agrees to limit its postings of notices and bulletins to such bulletin boards.

(c) The Union agrees that it will not post material which may be profane, derogatory to any individual, or constitute election campaign material for or against any person, organization or faction thereof except that election material relating to internal Union elections may be posted on such bulletin boards. During the period in which the Union has the exclusive right to bulletin boards, no other employee organization, or affiliate thereof, except employee organizations which have been certified or recognized as the representative for collective negotiations of other State employees employed at such locations shall have the right to post material on State bulletin boards or distribute literature at work locations of Security Supervisors Unit employees. All bulletins or notices shall be signed by the Council President, Local Union President, or their designee.

(d) Any material which the Employer alleges to be in violation of this Agreement shall be promptly removed by the Union. The matter will then immediately be referred to Step 3 of the grievance procedure for resolution.

(e) In institutions, facilities, regions or headquarters which have repeated violations, the Director of the Governor's Office of Employee Relations may require advance approval of all future material which is to be posted.

5.2 Access to Employees and Meeting Space

(a) Department or agency heads may reach understandings with the Union for reasonable and appropriate arrangements whereby the Union may advise employees of the availability of the Union representatives for consultations during non-working hours concerning Union membership, services and programs.

(b) The Union representatives shall, on an exclusive basis for employees covered by this Agreement, have access to employees during working hours to explain the Union membership, services and programs under mutually developed arrangements with department heads wherein such access shall not interfere with work duties or work performance. Such consultations shall be no more than 15 minutes per employee per month, not to exceed an average of fifteen percent per month of the employees in the agency or institution.

(c) The departments or agencies shall provide meeting space to the Union upon written notice from the president of the local or unit chairman of the Union in buildings owned or leased by the State. Meeting space shall be provided under the following circumstances:

- (1) suitable space is not reasonably available elsewhere in the area;
- (2) the Union agrees to reimburse the Employer for any additional expenses incurred by the Employer including furnishing janitorial services, and any other expense which would not have been incurred had the space not been available;
- (3) a request for the use of such space is made in advance pursuant to the rules of the department or agency concerned;
- (4) the purpose of the meeting is made known to and is approved by the Employer.

5.3 Employee Organization Leave

(a) The Employer shall grant employee organization leave during each year of this Agreement to employees attending meetings of the Union's Executive Board, policy committees and other statewide Council 82 meetings. Such employee organization leave shall be available for up to a maximum total of 122 days during each year that this Agreement is in effect.

(b) The allocation of employee organization leave provided in paragraph 5.3(a) to individual employees shall be the sole prerogative of the Union and shall be allocated in units of not less than one day per instance per employee. Request for use of this leave shall solely be made by Council 82. As used in this Article, the phrase "one day" shall be defined as "one duty tour."

(c) There will be no change in the present method of approving applications for attendance at Union functions such as Union conventions.

(d) Under special circumstances and upon advance request, additional employee organization leave for additional meetings may be granted by the Director of the Governor's Office of Employee Relations.

(e) For the purpose of entering into collective negotiations for a successor agreement to this Agreement, the Employer agrees to grant employee organization leave to a reasonable number of employees for the Union Negotiating Committee with the understanding that there shall be no more than one Union committee member from any one facility eligible to receive such leave for this purpose, except that this restriction shall not apply to the Council President, Corrections and Law Enforcement Policy Chairs and the President of the Corrections Lieutenants Local. The Union shall provide the State with a list of names and work locations of all such committee members prior to the commencement of any such negotiations.

(f) Employee organization leave shall be release time without charge to leave credits accrued by individual employees. Such release time shall be granted subject to the provision that the resulting absence from work will not interfere with the proper conduct of governmental functions. Employee organization leave provided pursuant to paragraph 5.3(a) of this Article will not be granted unless the Union provides the Director of the Governor's Office of Employee Relations or his designee with seven days advance notice of the purpose and date for which such leave is requested and the names and work stations of the employees for whom such leave is requested.

(g) The Director of the Governor's Office of Employee Relations or his designee shall send the Union a statement showing the remaining employee organization leave available for the current Agreement year pursuant to paragraph 5.3(a) above upon

request of the Union. This statement shall be presumed correct unless the Union within 30 days of receipt of the statement advises the Director of the Governor's Office of Employee Relations or his designee of any claimed errors.

(h) Employee organization leave provided pursuant to this Article shall be in addition to that provided elsewhere in this Agreement for Union representation in processing of grievances and labor/management meetings.

(i) The Union shall supply to the Director of the Governor's Office of Employee Relations 30 days after the execution of this Agreement and quarterly thereafter a list of Union officers, executive board members, grievance representatives, members of policy committees and other employees eligible for leave under this Agreement together with the official work stations, departments and agencies of such employees.

(j) Travel time as used in this Article shall mean actual and necessary travel time not to exceed eight (8) hours each way.

5.4 Unchallenged Representation

The Employer and the Union agree pursuant to Section 208 of the Civil Service Law that the Union shall have unchallenged representation status for the maximum period permitted by law on the date of execution of this Agreement.

5.5 Agency Shop

Mandatory agency shop fee deductions shall be continued for the period required by law.

5.6 Union Leave

A permanent employee or employees nominated by the Union may be granted by the Employer a leave or leaves of absence with full salary from their regular position

for the purpose of serving with the employee organization subject to the conditions of this paragraph. Each such leave, its term and renewal, shall be subject to the discretionary approval of the Director of the Governor's Office of Employee Relations. The Union shall periodically, as specified by the Director of the Governor's Office of Employee Relations, reimburse the State for the salary or wages paid to each employee by the Employer during such leave of absence including all allowances, bonuses and any other payments made, including those made consistent with this negotiated Agreement together with the cost of fringe benefits at the percentage of salary or wages as determined by the Comptroller. The Union shall purchase an insurance policy in the form and amount satisfactory to the Director of the Governor's Office of Employee Relations to protect the State in the event the State is held liable for any damages or suffers any loss by reason of any act or omission by such employee during the period of such leave of absence with full salary.

5.7 Exclusivity

The Employer will not meet or confer with any other employee organization or affiliate thereof with reference to terms and conditions of employment of employees. If such organizations request meetings, they will be advised by the Employer to transmit their requests concerning terms and conditions of employment to the Union and arrangements will be made by the Union to fulfill its obligation as a collective negotiating agent to represent these employees and groups of employees.

5.8 New Employees

The Employer agrees to provide Council 82 with the name, duty location and, when possible and applicable, shift of each employee promoted or hired into the unit within seven (7) days of appointment.

ARTICLE 6

Management Rights

6.1 Except as expressly limited by other provisions of this Agreement, all of the authority, rights and responsibilities possessed by the Employer are retained by it.

ARTICLE 7

Grievance and Arbitration

7.1 Definitions

For the purposes of this Agreement, all disputes shall be subject to the grievance procedure as outlined below:

(a) A dispute concerning the application and/or interpretation of this Agreement is subject to all steps of the grievance procedure including arbitration, except those provisions which are specifically excluded.

(b) Any other dispute or grievance concerning a term or condition of employment which may arise between the parties or which may arise out of an action within the scope of authority of a department or agency head and which is not covered by this Agreement shall be processed up to and including the conference phase of the Alternate Dispute Resolution Process, and not beyond, except those issues for which there is a review procedure established by law or by or pursuant to rules or regulations filed with the Secretary of State.

(c) A claim of improper or unjust discipline against an employee shall be processed in accordance with Article 8 of this Agreement.

7.2 Procedure

The purpose of this Article is to provide a prompt, equitable, peaceful and efficient procedure to review and resolve grievances, and to further the purpose of this Agreement to promote harmonious employee relations. Both the Employer and the Union recognize the importance of, among other aspects of the procedure, the timely

issuance of decisions to filed grievances and the responsible use of this procedure.

Upon failure of the Employer to provide a decision within the time limits provided in this Article, the Union may appeal to the next step of the grievance procedure. The grievance will not revert back to the previous step where it was originally untimely unless mutually agreed to by both parties.

Prior to initiating a formal written grievance pursuant to this Article, the employee or the Union is encouraged to resolve disputes subject to this Article informally by reviewing them with the appropriate immediate supervisor, local administration or agency or department.

(a) Grievances

Step 1. The employee and/or the Union shall present the grievance in writing to the facility head, institution head, divisional head, commanding officer or regional head within 20 days of the act or omission giving rise to the grievance or within 20 days of the date on which the employee first knew of such act or omission. The facility head, institution head, divisional head, commanding officer or regional head, shall each designate a regular representative, who shall meet with the Union and the grievant during the employee's regular work shift within ten days of receipt of the grievance and shall render a decision in writing within ten days from the day of such meeting. The decision shall include a brief statement of relevant facts and reasons on which the decision is based.

Step 2. In the event that the grievance has not been satisfactorily resolved at Step 1, an appeal may be taken by the Union in writing to the Department or Agency head, as appropriate, within 15 days from receipt of the Step 1 decision. The written

appeal shall contain a description of the relevant facts from which the grievance derives, why the decision at the Step 1 level is inadequate, and specific references to all sections of the Agreement, if any, which the Union claims have been violated. The Department or Agency Head, or designee, shall meet with the Union to review the grievance within thirty days from receipt of the Step 2 written appeal and shall render a written decision which shall include a brief statement of the relevant facts on which the decision is based to the Union within ten days from the day of the Step 2 meeting. Communications concerning appeals and decisions at this Step shall be made by personal service or by registered or certified mail.

Step 3. In the event that the grievance has not been satisfactorily resolved at Step 2, an appeal to the Director of the Governor's Office of Employee Relations may be taken by the Union in writing within 15 days from the day on which the Union received the Step 2 decision. Such appeal shall contain a copy of the Step 2 decision. All communications concerning appeals and decisions at this Step shall be made by personal service, registered or certified mail.

Every four weeks (on a designated day), representatives from the Union and the Governor's Office of Employee Relations will meet and review all grievances that have been appealed to the Step 3 level during the previous four week period. At these meetings, the grievance will be read, reviewed and tactically distributed for processing in one of the following ways:

1. Expedited Decision. For grievances with respect to which either side believes that the decision is going to be traditional, and involves issues which cannot be resolved

by the grievance process, the Governor's Office of Employee Relations shall provide, within ten (10) days, a written Step 3 response in the form of a brief answer.

2. On-site Review. If both representatives believe that a Step 3 hearing review is necessary, the parties will agree to schedule such a review on the next trip to the work location in question. Trips to regions or work locations will be scheduled in advance on a "circuit" basis to ensure that each work location can be visited at least once every four months, if necessary.

3. Safety Issues. Issues which are, in fact, safety and health concerns (not to include staffing issues) may be referred to an Agency Level Statewide Safety & Health Committee. A safety specialist from the employing agency and the Union can review the issues and determine if there may be methodologies available for resolution of the issues. Resolutions will be reduced to writing. In the event the issues cannot be resolved, either party may refer them to the conference phase of the Alternate Dispute Resolution Process where applicable.

4. Hold Status. The grievance may be put on hold for four weeks so that either or both sides can gather more information or make local contacts. Those grievances placed in hold status will become the first to be discussed at the next meeting between representatives from the Union and the Governor's Office of Employee Relations.

Automatic Progression. If the Employer fails to meet with the Union on a timely basis or render a timely decision, the Union may treat the grievances as having been denied at the level at which the delay occurred and may then appeal the grievance to the next level.

(b) Alternate Dispute Resolution Process (ADR)

(1) In the event that the grievance has not been resolved satisfactorily at Step 3, a demand for arbitration may be brought only by the Union, through the President or his designee within 15 days from the day the Union receives the Step 3 decision by mailing or personally serving the demand to the Director of the Governor's Office of Employee Relations and simultaneously filing the demand with the master arbitrator. The demand will identify the Article(s) and subsections sought to be arbitrated, the names of the Department or Agency, and employee(s) involved, copies of the original grievance, appeals documents and the written decisions rendered at the lower steps.

(2) Resolution conferences and arbitrations under the ADR process shall be held before the master arbitrator appointed by agreement of the parties. The parties may review the appointment at any time, by mutual agreement.

(3) Resolution Conference

Within 60 days after the demand for arbitration, the parties shall meet with the master arbitrator who shall attempt to have the parties reach a settlement and narrow the issue(s) for hearing, including stipulating to facts, relevant documents and exhibits. The grievant may be permitted to participate in the conference by telephone.

(4) Expedited Arbitration

After the resolution conference, either party may require a hearing before the master arbitrator on an expedited basis. Grievance hearings shall, absent

extraordinary circumstances, be limited to one day.¹ Both parties should be prepared to fully present their positions and any testimony on the day of the hearing. No briefs shall be submitted by either party.

(5) The parties agree to meet for a total of one day per month, or as needed, at a mutually agreed upon site in Albany to conduct the resolution conferences and/or expedited arbitrations.

(6) Where no hearing is held and the case is submitted on papers the parties may submit their positions in writing to the arbitrator on a mutually agreed upon date no later than thirty (30) days after the mailing of the papers to the arbitrator. Such written position papers may not exceed five double-spaced pages.

(7) The master arbitrator's decision and award is to be rendered within seven (7) days of the completion of the hearing and shall include only a finding or findings and remedy, as appropriate, on a form provided by the parties. The master arbitrator shall have the authority to issue bench decisions when appropriate.

(8) The decision or award of the master arbitrator shall be consistent with applicable law and the Agreement and final and binding upon the parties (Council 82 and the State) with respect to the determination of the grievant's claims. Such decisions are non-precedential and shall not be submitted in any other case unless the parties mutually agree otherwise.

¹ The parties shall prepare a recommended schedule for the conduct of a one day hearing to be presented to the master arbitrator. Such schedule is to serve merely as a guide to assist in insuring that cases are ordinarily presented and concluded in one day.

(9) The parties may meet periodically to insure that in practice the ADR process is in keeping with their intent and to take what steps are necessary to conform such practice with their intent.

(c) Full Arbitration

(1) After the resolution conference, if the Employer and the Union mutually determine that an individual grievance warrants a decision that will be precedential for future matters, the parties may refer the matter to traditional arbitration. If the parties cannot agree as to whether the matter should be referred to full arbitration, the master arbitrator shall have the authority to make such determination as to whether full arbitration is warranted.

(2) The parties shall mutually develop a system to select an arbitrator. If the parties are unable to agree, the matter will be referred to the Public Employment Relations Board for selection.

The arbitrator shall hold a hearing at a time and place convenient to the parties within 20 days of the acceptance to act as arbitrator. The arbitrator shall issue a written decision within 30 days after completion of the hearing. The arbitrator shall be bound by the rules of the American Arbitration Association which are applicable to labor relations arbitrations which are in effect at the time of arbitration. In the event a disagreement exists regarding arbitrability of an issue, the arbitrator shall make a preliminary determination whether the issue is arbitrable under the express terms of this Agreement. Once a determination is made that such a dispute is arbitrable, the arbitrator shall then proceed to determine the merits of the dispute.

(3) Miscellaneous Provisions

Neither the master arbitrator nor arbitrator shall have any power to add to, subtract from, or modify the provisions of this Agreement in arriving at a decision of the issue presented and shall confine the decision solely to the application and interpretation of the Agreement.

All fees and expenses of the arbitration shall be divided equally between the parties except that each party shall bear the cost of preparing and presenting its own case. Cost for the cancellation of a hearing date shall be borne by the party seeking cancellation.

7.3 Representation

(a) The Employer shall recognize the following grievance representatives at each step of the grievance procedure and shall release such representatives from normal duties to process grievances and conduct necessary relevant investigations providing that such absence from work will not interfere with proper conduct of governmental functions.

Step 1 - steward and unit chairman or local president or the local President's designee, or regional vice president, but not to exceed two local union representatives.

Step 2 - steward, local president, and policy committee chairman or regional vice president and, when mutually agreed, the Council President.

Step 3 - steward, local president, policy committee chairman or regional vice president and Council President.

Arbitration - steward, local president, policy committee chairman or regional vice president and Council President or designee.

On the Union's prior written request at least 48 hours in advance, the Employer will make every effort to reschedule shift assignments so that meetings fall during working hours of Union representatives.

The Union shall furnish the Employer with a list of all employee representatives and Union staff representatives authorized to so represent the Union within 60 days from the date of execution of the Agreement.

(b) International representatives and Union staff representatives may be present at each step of the grievance procedure.

7.4 General Provisions

(a) As used in this Article, all references to days shall mean calendar days. All of the time limits contained in this Article may be extended by mutual agreement of the parties and shall be confirmed in writing.

(b) Grievances resolved at Step 1 shall not constitute a precedent for any other facility, institution, division, or region, or at Step 2 for any other agency unless a specific agreement to that effect is made by the Director of the Governor's Office of Employee Relations and the President of the Union.

(c) The parties, GOER and Council 82, may mutually agree to waive Steps 1, and 2 of the grievance procedure. A meeting will not be held if there is mutual agreement that the file sufficiently clarifies the issue, that there is no new evidence to consider or the matter has been previously reviewed and/or resolved.

(d) Aggrieved employees, their Union representatives and necessary witnesses shall not suffer any loss of earnings, or be required to charge leave credits as a result of processing or investigating grievances during such employees' scheduled working

hours. Reasonable and necessary time spent in processing and investigating grievances, including travel time, during such employees' scheduled working hours shall be considered as time worked provided, however, that when such activities extend beyond such employees' scheduled working hours, such time shall not be considered as time worked.

(e) Travel time, as used in paragraph 7.4(d) above, shall mean actual and necessary travel time, not to exceed eight hours each way.

(f) Grievances involving employees in more than one agency, upon agreement of the Director of the Governor's Office of Employee Relations and the President of the Union may be initiated at Step 3.

7.5 During the term of this Agreement, the parties shall discuss and explore the possibility and practicality of utilizing teleconferences and video conferences in the processing of grievances at any and all steps of the procedure. The parties may further implement a system on a pilot or permanent basis upon reaching agreement on the parameters of a system.

ARTICLE 8

Discipline

8.1 Exclusive Procedure

Discipline shall be imposed upon employees otherwise subject to the provisions of Sections 75 and 76 of the Civil Service Law only pursuant to this Article, and the procedure and remedies herein provided shall apply in lieu of the procedure and remedies prescribed by such sections of the Civil Service Law which shall not apply to employees.

8.2 Disciplinary Procedure

(a) Discipline shall be imposed only for just cause. Where the appointing authority or his designee seeks the imposition of a loss of leave credits or other privilege, written reprimand, fine, suspension without pay, reduction in grade, or dismissal from service, notice of such discipline shall be made in writing and served, in person, by courier, or by registered or certified mail upon the employee. The conduct for which discipline is being imposed and the penalty proposed shall be specified in the notice. The notice served on the employee shall contain a detailed description of the alleged acts and conduct including reference to dates, times and places, and if the Employer claims that the employee has been charged with a crime for the alleged acts, the notice of discipline must identify the specific section of the Penal Law or other statute which the Employer claims the employee has been charged with violating, if known by the Employer. The employee shall be provided with two copies of the notice

which shall include the statement, "You are provided two copies in order that one may be given to your representative. Your Union representative is Council 82, AFSCME."

(b) The Union grievance representative at the appropriate level shall be notified of the name of the employee in writing within 24 hours of the service of a notice of discipline. Notification will also be sent to the President of the Union.

(c) The penalty proposed may not be implemented until the employee (1) fails to file a disciplinary grievance within 14 days* of service of the notice of discipline, or (2) having filed a grievance, fails to file a timely appeal to disciplinary arbitration, or (3) having appealed to disciplinary arbitration, until and to the extent that it is upheld by the disciplinary arbitrator, or (4) until the matter is settled.

(d) The notice of discipline may be the subject of a disciplinary grievance which shall be served upon the department or agency head or his designee in person or by registered or certified mail within 14 days of the date of the notice of discipline by the employee or the Union. The employee or the Union shall be entitled to a meeting to present his position to the department or agency head or his designee within 14 days of the receipt of a disciplinary grievance, and upon consideration of such position, the department or agency head shall advise the Union of its response in writing by registered or certified mail within seven days of such meeting.

(e) If the disciplinary grievance is not settled or otherwise resolved, it may be appealed to disciplinary arbitration by the employee or the President of the Union (or his designee) within 14 days of the service of the department or agency head response. Notice of appeal to disciplinary arbitration shall be served, by personal service,

registered or certified mail, with the New York State Public Employment Relations Board, with a copy to the department or agency head, or his designee.

(f) The Employer and the Union shall continue the procedure for the arbitration process which is now in existence as contained in the agreement with the Public Employment Relations Board dated December 28, 1979, and as amended hereinafter. The parties agree to engage in discussions regarding arbitrators' fees and study days which may result in a new side agreement which would then supercede the agreement with the Public Employment Relations Board referenced above. Arbitration hearings may not be rescheduled without mutual consent of the parties.

(g) Either party wishing a transcript at a disciplinary arbitration hearing may provide for one at its expense and shall provide a copy to the arbitrator and the other party. Unless mutually agreed otherwise, transcripts must be requested prior to the first day of a disciplinary arbitration.

(h) Disciplinary arbitrators shall confine themselves to determinations of guilt or innocence and the appropriateness of proposed penalties, taking into account mitigating and extenuating circumstances. Disciplinary arbitrators shall neither add to, subtract from nor modify the provisions of this Agreement. The disciplinary arbitrator's decision with respect to guilt or innocence, penalty, or probable cause for suspension, pursuant to Section 8.4 of this Article, shall be final and binding upon the parties, and the disciplinary arbitrator may approve, disapprove or take any other appropriate action warranted under the circumstances, including, but not limited to, ordering reinstatement and back pay for all or part of the period of suspension. If the disciplinary arbitrator,

upon review, finds probable cause for the suspension, he may consider such suspension in determining the penalty to be imposed.

(i) All fees and expenses of the arbitrator, if any, shall be divided equally between the Employer and the Union or between the Employer and the employee if such employee chooses not to be represented by the Union. Each party shall bear the costs of preparing and presenting its own case. The estimated arbitrator's fee and expenses and estimated expenses of the arbitration may be collected in advance of the hearing.

(j) In the event that any employee against whom disciplinary charges are brought by the Employer elects to be represented by any party other than the Union, such employee shall be individually responsible for all expenses which are incurred in connection with such disciplinary proceeding. No employee can be represented in such a disciplinary proceeding by any officer, executive board member, delegate, representative or employee of any actual or claimed employee organization or affiliate thereof other than Council 82.

8.3 Settlement

A disciplinary grievance may be settled at any time following the service of a notice of discipline. The terms of the settlement shall be reduced to writing. An employee offered such a settlement shall be offered a reasonable opportunity to have his attorney or a Union representative present before he is required to execute it. The Union grievance representative at the appropriate level shall be provided with a copy of any settlement within 24 hours of its execution.

8.4 Suspension Before Notice of Discipline

(a) Prior to issuing a notice of discipline or the exhaustion of the disciplinary grievance procedure provided for in this Article, an employee may be suspended without pay by his appointing authority only pursuant to paragraphs (1) or (2) below.

(1) The appointing authority or his designee may suspend without pay an employee when the appointing authority or his designee determines that there is probable cause that such employee's continued presence on the job represents a potential danger to persons or property or would severely interfere with its operations. Such determination shall be reviewable by a disciplinary arbitrator. A notice of discipline shall be served no later than seven days following any such suspension. At the time of suspension, the appointing authority or his designee shall set forth in writing to the employee the specific reasons for the suspension.

(2) The appointing authority or his designee may with agency approval suspend without pay an employee charged with the commission of a crime. Such employee shall notify his appointing authority in writing of the disposition of any criminal charge including a certified copy of such disposition within seven days thereof. Within 30 days following such suspension under this provision, or within seven days from receipt by the appointing authority of notice of disposition of the charge from the employee, whichever occurs first, a notice of discipline shall be served on such employee or the employee shall be reinstated with back pay. Nothing in this paragraph shall limit the right of the appointing authority or his designee to take disciplinary action during the pendency of criminal proceedings.

(3) Upon the ratification of this Agreement, in the event that an employee is suspended without pay, the employee will have the option to draw from previously accrued annual leave, personal leave, holiday leave and/or compensatory leave upon written notification to his/her supervisor.

(4) When an employee has been suspended without pay, the agency or department meeting may be waived by the employee or by the Union with the consent of the employee at the time of filing the disciplinary grievance. In the event of such waiver, the employee or the Union shall file the grievance form within the prescribed time limits for filing an agency level grievance directly with PERB. The case shall be given priority in assignment.

(5) An employee who is charged with the commission of a crime, suspended without pay and subsequently not found guilty and against whom no disciplinary action is taken for the incident in question, shall be reinstated with full back pay.

(6) During a period of suspension without pay pursuant to this section, the State shall continue to pay its share of the cost of the employee's health, dental and vision care coverage under Article 12 which was in effect on the day prior to the suspension provided that the suspended employee pay his or her share.

(b) A registered or certified letter notifying the President of the Union of any suspension under paragraph 8.4(a) above shall be sent within one day, excluding Saturdays, Sundays and holidays.

(c) Back Pay Award

Where an employee is awarded back pay, the amount to be reimbursed shall not be offset by any wages earned by the employee during the period of his suspension with the exception of unemployment insurance. An award of back pay shall be deemed to include reimbursement of all other benefits including the accrual of leave credits and holiday leave.

8.5 Union Representation

An employee shall be entitled to be represented at a disciplinary grievance meeting by appropriate elected local union officials, provided, however, the number of such officials shall not exceed two. Such representatives shall not suffer any loss of earnings or be required to charge leave credits as a result of processing or investigating disciplinary grievances during such representatives' scheduled working hours. Reasonable and necessary time spent in processing and investigating grievances, including travel time, during such representatives' scheduled working hours shall be considered as time worked provided, however, that when such activities extend beyond such representatives' scheduled working hours, such time shall not be considered as time worked. On the representative's prior written request at least 48 hours in advance, the Employer will make every effort to reschedule shift assignments so that meetings fall during working hours of Union representatives. Union staff representatives may be present at disciplinary grievance meetings and arbitration proceedings.

8.6 Limitation

An employee shall not be disciplined for acts, except those which would constitute a crime, which occurred more than nine months prior to the service of the

notice of discipline. The employee's whole record of employment, however, may be considered with respect to the appropriateness of the penalty to be imposed, if any.

8.7 Other Actions

Shift, pass day, job transfer or other reassignment or assignments to another institution or work station shall not be made for the purpose of imposing discipline provided, however, that nothing in this section shall bar any action otherwise taken pursuant to this Article. A claimed violation of this section will be processed as an Article 7 grievance.

8.8 Expedited Arbitration

In lieu of the procedures specified elsewhere in Article 8 of this Agreement, any disciplinary grievance involving the suspension of an individual employee can, with mutual agreement of the parties hereto, or the employee if not represented by the Union, be submitted to arbitration under the expedited arbitration procedure hereinafter provided within 14 days after the filing of a disciplinary grievance. In all other grievances involving disciplinary action which are specifically subject to arbitration under Article 8 of this Agreement, the Union may, within 14 days after the filing of a demand for arbitration under Article 8.2(e), propose to use the expedited arbitration procedure hereinafter provided. Either party may propose use of this procedure, but it shall be in writing and must be agreed to by both the parties. If no such election is made within the foregoing time period, the arbitration procedure in Article 8 shall be followed. As soon as possible after this Agreement becomes final and binding, a panel of arbitrators shall be selected by the parties. Each arbitrator shall serve until the termination of this

Agreement unless by mutual agreement the parties terminate his/her services earlier.

The arbitrator shall be notified of his or her termination by a joint letter from the parties.

The arbitrator shall conclude his/her services upon conclusion of any outstanding arbitrations. A successor arbitrator shall be selected by the parties. Arbitrators shall be assigned cases as described below.

The procedure for expedited arbitration shall be as follows:

(a) The panel of arbitrators shall be assigned a number in rotation.

(b) The parties shall rank the next five members of the panel in rotation and the member with the highest ranking shall serve as arbitrator.

(c) The five members shall be randomly assigned a number (remixed) after each rotation is complete.

(d) The parties shall notify the arbitrator in writing on the day of the arbitration demand in suspension cases to settle a grievance by expedited arbitration. The arbitrator shall notify the parties in writing of the hearing date which must be within 30 days.

(e) The parties must submit to the arbitrator five days prior to the hearing a written stipulation of all facts not in dispute.

(f) The parties shall present an oral closing argument of the case. However, alternatively, and by mutual agreement only, and within five (5) working days after the hearing each party may submit a brief written summary of the issues raised at the hearing and arguments supporting its position. The arbitrator shall give his or her award within five (5) working days after the hearing, or when applicable after receiving the

briefs. He/she shall provide the parties a brief written statement of the reasons supporting his/her award.

(g) The time limits in this Section may be extended by agreement of the parties only in emergency situations. Such extensions shall not circumvent the purpose of this procedure.

(h) The decision of the arbitrator will be final and binding. The compensation and expenses of the arbitrator and the general expenses of the arbitration shall be borne by the Employer and the Union in equal parts except in cases where the employee is not represented by the Union, in which cases the costs shall be borne by the employee and the Employer, as per Article 8.2(j).

(i) The power, authority and restrictions applicable to a disciplinary arbitrator under Article 8 shall apply under the expedited arbitration procedure.

*Unless otherwise specified days as used in this Article shall mean calendar days.

ARTICLE 9

Out-of-Title Work

9.1(a) No employee shall be employed under any title not appropriate to the duties to be performed and, except upon assignment by proper authority during the continuance of a temporary emergency situation, no person shall be assigned to perform the duties of any position unless he has been duly appointed, promoted, transferred or reinstated to such position in accordance with the provisions of the Civil Service Law, Rules and Regulations.

(b) The term "temporary emergency" as used in this Article shall mean an unscheduled or non-periodic situation or circumstance which is expected to be of limited duration and either (a) presents a clear and imminent danger to person or property, or (b) is likely to interfere with the conduct of the agency's or institution's statutory mandates or programs.

9.2(a) Grievances alleging violation of this Article shall be processed pursuant to Article 7, paragraph 7.1(b), and shall be filed utilizing an out-of-title grievance form.

(b) If appealed to Step 3, the Director of the Governor's Office of Employee Relations shall seek an opinion from the Director of Classification and Compensation concerning whether or not the assigned duties which are the subject of the grievance are substantially different from those appropriate to the title to which the employee is certified. The Union shall be given the opportunity to present to the Director of Classification and Compensation, a written brief of the facts surrounding the grievance. The Director of Classification and Compensation shall, within 60 calendar days of the

filing of the appeal, forward his opinion to the Director of the Governor's Office of Employee Relations, and the Union, for implementation.

(c) If it is the opinion of the Director of Classification and Compensation that the assigned duties which are the subject of the grievance are substantially different from those appropriate to the title to which the employee is certified, the Director of the Governor's Office of Employee Relations, or his designee, shall direct the appointing authority forthwith to discontinue such assigned duties.

(1) If such substantially different duties are found to be appropriate to a lower salary grade or to the same salary grade as that held by the affected employee, no monetary award may be issued.

(2) If, however, such substantially different duties are found to be appropriate to a higher salary grade than that held by the affected employee, the Director of the Governor's Office of Employee Relations shall issue an award of monetary relief. The amount of monetary relief shall be the difference between what the affected employee was earning at the time he performed such duties and what he would have earned at that time in the entry level of the higher salary grade title, but in no event shall such monetary award be retroactive to a date earlier than fifteen calendar days prior to the date the grievance was filed in accordance with this Agreement.

ARTICLE 10

Review of Personal History Folder

10.1 For the purposes of this Article, there shall be one official personal history folder maintained for an employee. An employee shall, within five working days of a written request to his department, agency or institution, have an opportunity to review his official personal history folder in the presence of a local Union representative (if requested by the employee) and an appropriate official of the department, agency or institution. Such right shall not be abused. The employee shall be allowed to place in such file a response of reasonable length to anything contained therein which such employee deems to be adverse.

10.2 The official personal history folder shall contain all memoranda or documents relating to such employee which contain criticism, commendation, appraisal or rating of such employee's performance on his job. Copies of such memoranda or documents shall be sent to such employee simultaneously with their being placed in his official personal history folder.

10.3 An employee may, at any time, request and be provided copies of all documents and notations in his official personal history folder of which he has not previously been given copies. If such file is maintained at a location other than the region or facility in which the employee works, it shall be forwarded to the employee's region or facility for requested review by the employee.

10.4 With the exception of disciplinary actions or annual work performance ratings, any material in the official personal history folder of an adverse nature, over one

year old may, upon the employee's written request, be removed from the official personal history folder by mutual agreement of the employee and the appropriate agency representative. This does not preclude the earlier removal of such material.

10.5 Upon an employee's written request, a counseling memorandum over three years old shall be removed from the official personal history folder, provided that the employee has received no additional counseling memoranda or notice of discipline during that period. Any reference to such counseling memorandum appropriately removed shall not be contained in the official personal history folder.

10.6 Counseling of employees shall be carried out pursuant to Appendix "C" and grievances regarding the application of said Appendix shall be processed pursuant to Article 7, paragraph 7.1(b).

10.7 Documents which have been removed from the official personal history folder pursuant to Section 10.4 or 10.5 shall not be admitted as evidence in a subsequent disciplinary arbitration for that employee.

10.8 Except as specifically prohibited by law and requests related to official State purposes or government investigations, an employee shall be notified of requests for access to the employee's personal history folder. For the purpose of this Article, a lawsuit against an employee or the State shall not be deemed an official State purpose. Said notification shall be at least seventy-two hours prior to the requested access, provided however, a validly issued subpoena may be satisfied by the employer. Notwithstanding anything to the contrary, the Employer may respond to a matter in pending litigation without giving an employee seventy-two hours notice where the matter necessitates an immediate response. Under those circumstances notice to the

employee will be given as quickly as possible. Release of employment and income information in connection with employee credit applications need not be reported to the employee.

Effective January 1, 2010 the maximum \$1000 reimbursement under the Basic Medical Program will be reduced to \$500. Effective September 1, 2012, the \$500 reimbursement under the Basic Medical Program will be eliminated.

The State has the right to make prospective changes to the percentage of credit to be available under this alternative

Thereafter, any additional claims for the same drug will be blocked at Non-Specialty Network pharmacies.

(b) An employee allowed leave with pay under paragraph 14.9(a) may elect to draw accrued leave credits for part or all of his absence from duty before being granted leave with pay under paragraph 14.9(a)(1) above.

(c) If it is subsequently determined that an employee was not entitled to compensation leave with pay without charge to leave credits for any period for which he was granted such leave as provided herein above, he shall be required to make reimbursement for such paid leave from current or subsequent accumulations of leave credits at a rate and in a manner determined by the appointing authority.

(d) An employee who draws leave credits as provided in paragraph 14.9(a) shall be entitled to restoration of such credits, including those used for absences of less than a full day, as are used during a period of absence for which an award of compensation has been made and credited to the State as reimbursement of wages paid. An employee who is necessarily absent from duty as described herein above may be granted compensation leave with pay without charge against leave credits for absences of less than a full day where such employee returns to work on a part-time basis.

(e) The Employer agrees that an employee eligible for workers' compensation leave because of occupational injury or disease as defined in the Workers' Compensation Law, when absent from work for the purpose of attending a hearing scheduled by the Workers' Compensation Board in connection with such injury or disease shall be granted compensation leave with pay without charge to leave credits for such absence provided, however, that the cumulative total of compensation leave with pay not charged to leave credits granted for attendance at Workers' Compensation

Board hearings or for absences necessitated by the occupational injury or disease shall not exceed six months.

(g) An employee necessarily absent from duty and removed from the payroll because of occupational injury or disease as defined in the Workers' Compensation Law shall be treated as though on payroll for the period of disability not to exceed twelve (12) months per injury for the purposes of coverage under the New York State Health Insurance Plan.

(h) The State and Council 82 agree to continue the standing Joint Committee on Workers' Compensation. The Committee shall consist of an equal number of representatives selected by Council 82 and an equal number of representatives selected by the State. The Committee will be responsible for the ongoing review and oversight of the MEP.

14.10 Unauthorized Absence

Any employee absent from work without authorization for ten consecutive workdays shall be deemed to have resigned from his position if he has not provided a satisfactory explanation for such absence on or before the eleventh workday following the commencement of such unauthorized absence.

14.11 Medical Verification

(a) When the State requires that an employee who has been absent due to illness or injury be medically examined by a physician chosen by the appointing

authority before such employee is allowed to return to work, the appointing authority will make a reasonable effort to ensure that the examination is completed in a timely manner as provided herein.

(b) If, no more than ten working days prior to the date specified by the employee's own physician as the date upon which the employee may return to work, the employee provides the appointing authority with his/her physician's statement indicating that the employee is able to return to work without restrictions and specifying the date, the appointing authority shall have a total of 20 working days from the date of such advance notice, which shall include the ten working days following the specified return-to-work date, to complete medical examinations. The employee may not return to work, however, until the employee has been examined by the appointing authority's physician and given approval to work. The leave with pay provision of this section shall not apply where the failure of the appointing authority's physician to complete the medical examination is attributable to the employee's failure to appear for the examination or the employee's refusal to allow it to be held.

(d) If, following the employee's examination, the appointing authority's physician does not approve the employee's return to work, the employee shall be placed in the appropriate leave status in accordance with the Attendance Rules. Once a determination has been made that an employee may not return to work, further examinations pursuant to this Section shall not be required more often than once a month; provided, however, where the appointing authority's physician has specified a date for a further examination or a date when the employee may return to work, the State shall not be required to conduct an examination prior to such date. Where the appointing authority's physician has not set either a date for further examination or a date upon which the employee may return to work, the employee may submit a further statement from the employee's physician and the provisions of this Section shall again be applicable. The provisions of this Section shall not be construed to limit or otherwise affect the applicability of Civil Service Law Section 73.

(e) When, in accordance with the provisions of this Section, the State exercises its right to require an employee to be examined by a physician selected by the appointing authority, the employee shall be entitled to reimbursement for actual and necessary expenses incurred as a result of travel in connection with such examination, including transportation costs, meals and lodging, in accordance with the Comptroller's rules and regulations pertaining to travel expenses.

(h) Training programs conducted during other than regular working hours shall be scheduled for a minimum two-hour period.

(i) Nothing in paragraphs 15.1(a), 15.1(b) and 15.1(c) above shall prevent the establishment of mutually agreed to local arrangements regarding the method by which overtime is offered to employees.

15.2 Recall

Any employee who is recalled to work unscheduled overtime including court appearances after having completed his scheduled work period and left the facility grounds shall be guaranteed a minimum of one-half day's overtime compensation. If an

employee lives on the facility grounds and is recalled from their residence to work unscheduled overtime including court appearances after having completed his/her scheduled work period, he/she shall be guaranteed a minimum of one-half day's overtime compensation. Employees called back as a result of riot, prison break, fire or escape and not put to work shall be guaranteed one-quarter day's overtime compensation.

15.3 Shift Changes

(a) No employee shall have his shift schedule changed for the purposes of avoiding the payment of overtime, unless he has been notified of such change one week in advance of the time in which the changed work period is to begin provided, however, that the circumstances necessitating such change are foreseeable prior to such one-week period.

(b) In the event that circumstances necessitating such shift changes are not foreseeable, then such notice shall be given as soon as possible.

(c) In the event such notice of shift change is not given at least 48 hours prior to the starting time of the scheduled shift which the employee is directed to work, such employee shall not be deprived of the opportunity to work his normal shift and to be paid overtime for the hours worked in excess of 40 hours in the workweek.

(e) Regularly scheduled days off shall not be changed for the purpose of avoiding the payment of overtime.

(f) Prior to the making of a final decision with respect to instituting a change in shift system from fixed to rotating shifts or rotating to fixed shifts the Employer shall inform the Union of such contemplated change and provide the Union with an adequate opportunity to review the impact of such change with the Employer at the appropriate level.

An overtime meal allowance of \$5.00 [\$5.50 for Interest Arbitration ineligible employees only] shall be paid, subject to rules and regulations of the Comptroller, to employees who work at least three hours overtime on a regular working day or at least six hours overtime on other than a regular working day. When an employee is required to work nine hours or more on other than a regularly scheduled working day, two meal allowances will be allowed.

15.5 Standby On-Call Rosters

(a) Eligible employees who are required to be available for immediate recall and who must be prepared to return to duty within a limited period of time shall be listed on standby on-call assignment rosters. Assignments to such rosters shall be equitably rotated, insofar as it is possible to do so, among those employees who are eligible for overtime compensation under the definition contained in the Fair Labor Standards Act, qualified and normally required to perform the duties. The establishment of such rosters at a facility shall be subject to the authorization of the department or agency involved and the approval of the Director of the Budget.

(b) An employee who is eligible to earn overtime under the definition contained in the Fair Labor Standards Act shall not be required to remain available for recall unless the employee's name appears on an approved recall roster. An eligible employee who is actually recalled to work from the roster will receive appropriate overtime or recall compensation as provided by this Agreement. Administration of such payments shall be in accordance with rates established by the Director of the Budget.

ARTICLE 16

Holiday Pay

16.1 Option

An employee who is entitled to time off with pay on days observed as holidays by the State who is scheduled or required to work on a holiday shall receive at his option either (a) additional compensation for each holiday worked at the rate of one-tenth of his biweekly rate of compensation or (b) a compensatory day off in lieu of such holiday worked. Compensation for less than a full day of holiday work will be prorated and will include geographic, location, inconvenience and shift pay as may be appropriate to the place or hours worked.

16.2 Waiver

An employee selecting an additional day off in lieu of holiday pay shall notify the payroll agency in writing of his intention to do so with the understanding that such notice constitutes a waiver of his right under this Agreement to receive cash compensation for holidays worked. An employee may execute or revoke such a waiver annually during the period April 1 to May 15 by notifying the Employer in writing of his intention, except that employees hired after the effective date of this Agreement may also execute a waiver at the time of appointment. In the event that no revocation notice is received from an employee during an "open period," any previously executed waiver shall remain in full force and effect.

16.3 Accumulation

(a) Employees who receive compensatory time off for time worked on holidays or in lieu of holidays that fall on employees' pass days shall continue to have such earned compensatory time off added to and included in their vacation accruals and shall liquidate such time according to rules governing the use of vacation. This method, adopted in 1972, is not intended, however, to change practices concerning the use of accrued credits. For example, at facilities using a "wheel" or "block" system, employees may use their accruals in excess of those needed for the "wheel" or "block" schedules in conjunction with their scheduled vacations or separately.

(b) The present maximum of allowable vacation accruals and amounts of vacation credits for which equivalent cash payments will be made upon separation from employment, death or retirement remains unchanged.

16.4 Holiday Observances

(a) An employee who is entitled to time off with pay on days observed as holidays by the State as an Employer shall be granted compensatory time off when any such holiday falls on a Saturday, provided, however, that employees who work on any such Saturday may receive additional compensation in lieu of such compensatory time off in accordance with Section 16.2 of this Article. The State may designate a day to be observed as a holiday in lieu of such holiday which falls on Saturday.

(b) When December 25 and January 1 fall on Sundays and are observed as State holidays on the following Mondays, employees whose work schedule includes December 25 and/or January 1 shall observe the holiday on those dates, or if required to work, may receive additional compensation or compensatory time off in accordance

with Section 16.1 of this Agreement. In such event, for those employees, December 26 and January 2 will not be considered holidays.

(c) An employee who is entitled to time off with pay on days observed as holidays by the State as an Employer shall be allowed compensatory time off whenever any such day falls on the employee's pass day.

16.5 Definition

As used in this Agreement, the term holiday shall mean: New Year's Day, Martin Luther King Day, Lincoln's Birthday, Washington's Birthday, Memorial Day, Independence Day, Labor Day, Columbus Day, Election Day, Veteran's Day, Thanksgiving Day, Christmas, or a day designated by the State to be observed as a holiday in lieu of such holiday, and any other day designated as a holiday for State employees by the Governor as an Employer.

(1) Receipted lodging and meal expenses for authorized overnight travel in locations within and outside of New York State shall be reimbursed to a maximum of

published per diem rates as specified by the Comptroller. Said rates shall be equal to the combined per diem lodging and meal reimbursement rate provided by the federal government to its employees for such locations.

(2) In locations for which no specific rate is published, receipted lodging and meal expenses for authorized overnight travel within and outside of New York State shall be reimbursed to a maximum of the combined per diem lodging and meal reimbursement rate provided by the federal government to its employees for such locations.

(3) The rates in paragraphs (1) and (2) above shall be revised in accordance with any revision made in the per diem rates provided by the federal government to its employees.

(c) When the employee is in travel status for less than a full day, and incurs no lodging charges, reasonable and necessary receipted expenses will be allowed for breakfast and dinner as determined by the Comptroller in accordance with law.

(d) Employees shall be eligible for advance payments for authorized official travel for lodging and meals subject to the Comptroller's Rules and Regulations.

17.2 Mileage Allowance

The personal vehicle mileage reimbursement rate for employees in this unit shall be consistent with the maximum allowance permitted by the Internal Revenue Service. Such payments shall be paid in accordance with the Rules and Regulations of the Comptroller.

17.3 Triborough Bridge Tolls

The Employer agrees to arrange for work related passage over the Triborough Bridge without cost for car tolls to employees employed and not residing at facilities at Ward's Island, New York, operated by the New York State Department of Mental Hygiene for the reasons that (a) heretofore, free ferry service was provided to the Island, which service has been discontinued, and (b) there is no other way for such employees to reach their work by car except over a toll bridge.

(b) All employees required to escort wards on trips and to remain with those wards while on that trip, and who are required to begin and end their workday at their official station shall be eligible for escort meal allowances while in travel status. All requirements for that reimbursement must be met except for the requirement that the employee must be over 35 miles from home in order to be eligible.

ARTICLE 18

Payroll Computation

18.1 The Employer shall calculate employees' salary payments on an appropriate ten working-day basis.

18.2 The Employer agrees that paychecks issued to employees will be delivered no later than Thursday following the end of the next succeeding payroll period.

When employees leave State service, their final salary check shall be issued at the end of the payroll period next following the payroll period in which their service is discontinued. This final salary check shall be paid at the employee's then-current salary rate.

18.3 Overtime and holiday pay authorized to be compensated for in cash shall be paid to employees by the close of the second biweekly payroll period following the payroll period during which it was earned.

ARTICLE 19

Credit Union Deductions

19.1 The Employer agrees to deduct from the salary of an employee an amount authorized in writing by the employee which shall be within the minimum and maximum amounts specified by the Comptroller and to transmit such funds to a bona fide credit union. The sums transmitted shall be used for appropriate purposes and their specific allocation shall be determined by an arrangement between the employee and his credit union. The authorization for such deductions may be withdrawn by an employee at any time upon filing of a written notice of such withdrawal with the State Comptroller. The deductions shall be in accordance with reasonable rules and regulations of the Comptroller not inconsistent with law which may be necessary for the exercise of this authority under this Article.

20.4 Effective March 31, 2011 for Interest Arbitration ineligible employees only, the uniform allowance shall be increased to \$1,075, rolled into base salary and eliminated as a separate payment.

ARTICLE 21

Indemnification

the employee was acting within the scope of his public employment or duties; the duty to indemnify and save harmless prescribed by this Section shall not arise where the injury or damage resulted from intentional wrongdoing on the part of the employee, provided further, that nothing contained herein shall authorize the State to indemnify or save harmless an employee with respect to fines or penalties, or money recovered from an employee pursuant to Article 7-a of the State Finance Law; provided, however, that the State shall indemnify and save harmless its employees in the amount of any costs, attorneys' fees, damages, fines or penalties which may be imposed by reason of an adjudication that an employee, acting within the scope of his public employment or duties, has, without willfulness or intent on his part, violated a prior order, judgment, consent decree or stipulation of settlement entered into in any court of this State or of the United States.

21.6 The employee shall inform his supervisor when he informs the Attorney General of the services he has received under Sections 21.2 or 21.3 above. 21.9 The Employer as a self-insurer agrees to provide adequate liability coverage for employees who use their homes in the performance of their official duty.

ARTICLE 22

Safe Working Conditions

22.1 The Employer shall provide safe working conditions for the protection of employee well-being. The Employer and the Union remain committed to a cooperative effort to provide safe working conditions for employees. Consistent with this commitment, the Employer and the Union have entered into a Memorandum of Understanding to better and more effectively deal with and respond to health and safety issues at the work site.

22.2 Any matters pertaining to safety standards and conditions may be discussed in labor/management committees at the appropriate level including the executive level. The parties shall also discuss maintaining and updating precaution checklists and relevant directives at work sites.

22.3 The parties recognize that in the course of their employment, employees provide various services to individuals with chronic illnesses and infectious diseases including HIV and may be exposed to such illnesses and diseases. For employees who are likely to have more than casual contact with individuals that may be infectious, the employer must allow employees to take universal precautions when they may come into contact with said individuals.

22.4 As soon as practicable after the signing of the Agreement, the parties commit to meet on an agency-by-agency basis to establish guidelines which address

the effects of infectious disease upon employees. Considerations shall include the issues of confidentiality, employee notification and education, use of precautions and agency policies, consistent with applicable law.

23.2 The Employer agrees to provide for payments of up to \$150 out of local funds at the institution level as provided by subdivision 12 of Section 8 of the State Finance Law.

23.3 Allowances shall be based upon the reasonable value of the property involved and payment shall be made against a satisfactory release.

ARTICLE 24

Seniority

24.1 For the purposes of this Article, seniority shall be defined as the length of an employee's uninterrupted service in title in a department or agency including sick leave, military leaves not to exceed four years and other leaves of absence which do not exceed one year and Workers' Compensation Leave.

24.2 Seniority shall be the basis by which employees shall select pass days.

24.3 Where vacancies at a facility or region are known to exist, the Superintendent, appointing authority or designee shall announce the vacancy in writing for a period of 15 days in advance of making permanent assignment in order to allow employees to submit bids. The agency shall have the right to make any job and shift assignment necessary to maintain the services of the agency involved. Job and shift assignments shall be made in accordance with the employee's ability to properly perform the work involved. In the event of equal ability, seniority shall prevail. Grievances arising under this Section shall be processed up to Step 3 of the grievance procedure but not to arbitration. (Additional information concerning the filling of job and shift assignments is contained in a side letter of this contract.)

24.4 An employee shall not have the right to bump for any reason.

24.5 The shift and pass day provisions of this Article shall not apply to those departments or agencies whose employees function on a rotating shift basis.

24.7 The Employer agrees to provide the Union a list of its employees by department or agency and seniority and to update it quarterly.

ARTICLE 25

Labor/Management Committees

25.1 To facilitate communication between the parties and to promote a climate conducive to constructive employee relations, joint labor/management committees shall be established at the Executive, departmental and local levels of operations to discuss the implementation of this Agreement and other matters of mutual interest. The size of the committees shall be limited to the least number of representatives needed to accomplish their objectives. Committee size shall be determined by mutually agreed upon arrangements at the appropriate level. The composition of each local Union's labor/management committee shall be at the discretion of the Union. Time approved for such meetings shall be authorized only for employees of the department or agency for which the meeting is held except that the President and five regional Vice Presidents of a statewide local can be granted time for departmental level labor/management committee meetings in agencies other than their own.

25.2 Such committees will meet as necessary. Written agenda will be submitted a week in advance of regular meetings. Special meetings may be requested by either party. An agenda will be submitted along with the request. Such special meetings will be scheduled as soon as possible.

25.3 Approved time spent in such meetings (including actual and necessary travel time, not to exceed eight hours each way, for Executive and department level meetings) shall neither be charged to leave credits nor considered as overtime worked.

Management shall make every effort to reschedule shift assignments or pass days so that meetings fall during working hours of Union representatives.

25.4 Labor/management committee meetings shall be conducted in good faith. These committees shall have no power to contravene any provisions of this Agreement or to agree to take any action beyond the authority of the management at the level at which the meeting takes place. Matters may be referred to and from the facility and department or agency levels as necessary. The parties may issue joint meeting minutes and letters of understanding. Any arrangement which is mutually agreed upon shall be reduced to writing within 14 calendar days. Any arrangement which is the subject of a memorandum of understanding, letter of understanding or joint meeting minutes, shall not be altered or modified by either party without first meeting and discussing with the other party at the appropriate level in a good faith effort to reach a successor agreement. Any alterations or modifications to a written local labor/management agreement as described in this section may occur no sooner than five days after such meeting and discussion and subsequent written notification of the changes received by the other party. Implementation of such alterations or modifications shall not occur without adherence to the procedures herein described. In cases where emergency conditions necessitate a variation of an established labor/management agreement by either party, the other party must be notified of such variation as soon as possible. Such variation will be reviewed by the designated Union and Management Chairs of the Local Labor/Management Committee within seven days. Disagreements growing out of the implementation of memorandum or letters of

understanding may be initiated at the 3rd Step of the grievance procedure as contained in Article 7, paragraph 7.1(b).

25.5 Staff representatives of the Governor's Office of Employee Relations and the Union will render assistance to local joint committees in procedural and substantive issues as necessary to fulfill the objectives of this Article and may participate in such meetings.

25.6 The Employer and the Union will review the manner in which quality of work life efforts should be provided in this unit. Effective April 1, 2012, funding will be appropriated in the amount of \$15,013 for each year of this Agreement, as set forth in Article 1.1, for a statewide labor/management committee. Effective April 1, 2014 this amount will be increased to \$15,313 and effective April 1, 2015 increased to \$15,619.

Such survivor's benefit shall be paid to the employee's surviving spouse and dependent children as designated by the Workers' Compensation Board and in the same proportion as provided in the Workers' Compensation Law. In the event an employee is not survived by a spouse or

dependent children, the survivor's benefit shall be paid to the estate of the employee. Such survivor's benefit shall be in addition to and not in place of any other survivor's or death benefit except that such benefit will not be payable if a public safety officer's death benefit is payable pursuant to the Federal Public Safety Officers Benefit Act.

(b) The Employer shall continue the program established by Section 154-b(3) of the Civil Service Law to provide an employee's dependent child or children who are designated to receive a death benefit by the Workers' Compensation Board as a result of a determination that such employee has died of an on-the-job injury or disease on or after the effective date of this Agreement with full tuition up to the amount charged by a SUNY college or university to attend any college or university provided such child or children meet the entrance requirements of that college or university.

25.8 The Employer shall not contract out for goods and services performed by employees which will result in any employee being reduced or laid off without prior consultation with the Union concerning any possible effect on the terms and conditions of employment of employees covered by this Agreement.

25.9 The State of New York as the Employer and the Union agree that they shall hereinafter enter into a contract to provide for the implementation of an employee benefit fund, in accordance with such terms as shall be jointly agreed upon by the parties and subject to the approval of the Comptroller, to be administered by the Union to provide certain benefits for full-time annual salaried employees in the Security Supervisors Unit.

For each full-time annual salaried unit employee, the Employer shall deposit an amount in the employee benefit fund as follows: On April 1, 2009 – \$40; April 1, 2010 –

\$40; April 1, 2011 - \$40; April 1, 2012 - \$40; April 1, 2013 - \$40; April 1, 2014 - \$40.80 and April 1, 2015 - \$41.62 For the purposes of determining the amount to be deposited in accordance with this Section, the number of employees shall be determined to be the number of full-time annual salaried unit employees on the payroll each preceding March 1, as set forth above in this paragraph.

25.10 Family Benefits

(a) Dependent Care Advantage Account (DCAA) The Employer and Union shall continue to provide the DCAA Program provided by the New York State Labor/Management Child Care Advisory Committee to the extent that federal and state laws allow. This program will provide employees with the opportunity to increase their spendable income by paying for all or part of selected benefits such as child care, elder care and dependent care with pre-tax dollars.

Effective on the date of ratification of this Agreement, the State shall provide an annual contribution per Dependent Care Advantage Account as follows:

Employee Gross Annual Salary	Employer Contribution
Under \$30,000	\$700
\$30,001-\$40,000	\$600
\$40,001-\$50,000	\$500
\$50,001-\$60,000	\$400
\$60,001-\$70,000	\$300
\$70,000	\$200

In subsequent years, the employer contribution may be increased or reduced so as to fully expend available funds for this purpose, while maintaining salary sensitive differentials. In no event shall the aggregate employer contribution exceed the amounts provided for this purpose.

In the interest of providing greater availability of dependent care and other services to Council 82-represented employees in this bargaining unit and maximizing resources available, the Family Benefits Program may support additional initiatives as recommended by the Advisory Body.

A Joint Labor/Management Advisory Body, which recognizes the need for combined representation of all employee negotiating units and the State, will monitor and evaluate the Family Benefits Program and other work-life services.

Mutually agreed to activities of this committee shall be funded pursuant to this section.

(b) The parties agree to participate in the LifeWorks program.

(c) The parties agree to continue participation in the Directions Program.

(d) Effective April 1, 2012, funding for the programs in this Section (25.10) shall be provided as follows: for DCAA and LifeWorks, \$12,155 for each year of the contract. Effective April 1, 2014 this amount will be increased to \$12,398 and effective April 1, 2015 increased to \$12,646; for Directions, \$1,353 for each year of the contract.

Effective April 1, 2014 this amount will be increased to \$1,380 and effective April 1, 2015 increased to \$1,408.

The parties agree that such funding is effective on the date of ratification, and shall sunset on the expiration date of this Agreement, unless extended by written mutual agreement by the parties.

26.2 No strike of any kind shall be instigated, encouraged, condoned or caused by the Union during the term of this Agreement.

ARTICLE 27

Preservation of Benefits

27.1 With respect to matters not covered by this Agreement, the Employer will not seek to diminish or impair during the term of this Agreement any benefit or privilege provided by law, rule or regulation for employees without prior notice to the Union and when appropriate, without negotiations with the Union provided, however, that this Agreement shall be construed consistent with the free exercise of rights reserved to the Employer by Article 6 of this Agreement.

Appendix "B"

The items in this Appendix are reviewable pursuant to Article 7.1(b) of the Security Supervisors Unit Agreement.

Counseling

Counseling is an effort on the part of a supervisor to provide to an employee, positively or negatively, significant feedback regarding on-the-job activity. It is meant to be a positive communications device, clarifying what has occurred and what is expected. Counseling is not disciplinary, having constructive goals, such as assisting in employee development, or teaching or modifying behavior. It involves face-to-face contact, and out of respect for the employee and the process, must be conducted in private. Counseling is a direct technique that should involve two individuals, the supervisor and the subordinate. If the counseling situation warrants that more than one supervisor be present, the employee being counseled must be afforded the opportunity to invite a Union representative who is readily available to attend the counseling session.

Counseling is not viewed as a routine matter. When contemplating the issuance of a follow-up memo, supervisors should consider if that level of formal response is necessary or appropriate. Not all incidents require counseling, not all counseling requires the issuance of a memo. Consideration of this action may be appropriate for discussion with higher levels of supervision and/or the personnel department. If such a memo is issued to an employee, it must accurately describe the discussion and clearly establish expectations for the future. Overall, counseling is viewed as a supportive supervisory means of communicating with employees.

An employee is not required to sign a counseling memo. An employee may be asked to acknowledge receipt of a counseling memo by signing it prior to its placement in his official personal history folder. Such signature does not necessarily indicate agreement with the contents of the memo. The employee has the right to file a response to a counseling memo in his official personal history folder. Grievances arising out of the application of this Appendix shall be processed pursuant to Article 7, paragraph 7.1(b).

Labor/Management Agreements

It is the intention of the State to continue all existing labor/management agreements subject to the provisions of Article 25 of the Agreement and consistent with this Agreement notwithstanding the provisions of Article 31 of the Agreement.

Re: Outside Police Agreement

When a representative of any outside police or investigative agency other than representatives of the agency or department in which the employee is employed, seeks to interrogate, question or interview an on-duty employee in connection with an investigation, the employee is not under any compulsion or requirement as a condition of his employment to submit to such interrogation conducted at the work site by the representative of such outside police or investigative agency. Management will not seek or attempt to coerce or persuade any employee to submit to such interrogation conducted by the representatives of such outside police or investigative agency.

The provisions hereof are not applicable to interrogations of an employee by representatives of the agency or department in which the employee is employed or by any Commissions or bodies charged by the Mental Hygiene Law with the duty to conduct investigations.

Re: Article 17, Travel

This is to confirm our discussion during negotiations for a successor agreement to the 1999-2003 Security Supervisors Unit Agreement on certain issues related to Article 17, Travel, as described below:

(1) Notification of change

In the event of any change in the rate of reimbursement, the Union shall be promptly furnished with a copy of such changes and the changes will also be posted for employee inspection and information.

(2) Incidentals

Parking, tolls, taxis, and similar expenses shall continue to be reimbursed in accordance with the Comptroller's Rules and Regulations.

(3) Reimbursement Methods

The changes in Article 17 as they relate to reimbursement for lodging and meal expenses for authorized overnight travel, be they receipted or unreceipted, do not contemplate any change in the current method by which the Comptroller requires employees to compute expenses on travel vouchers. These methods are commonly known as "Method I" for unreceipted travel and "Method II" for receipted travel.

I believe that the above is reflective of our discussion during these negotiations.

This is to confirm our discussions during recent negotiations of the Security Supervisors Unit Agreement.

In the Security Supervisors Unit, all Supervisors job and shift assignment vacancies will be posted as required by Article 24.3 of the Agreement.

Any Supervisor who is senior to the successful bidder is entitled, at his request, or at the request of the Union, to be advised of the reasons that he was not selected for the assignment.

In cases where seniority is not used to award job bids, it is necessary for the administration to document why one employee's ability is greater than another's. This could be done through previous experience, training, etc.

Any complaints regarding failure to make an assignment to other than the senior bidder should be referred by the Union directly to the Director of Labor Relations of the agencies covered under this Agreement for review and response within seven working days. The decision of the Director may be submitted to the grievance procedure at its first step.

Sincerely,

/s/ Gary Johnson

The State and Council 82 recognize that in the course of performing their jobs, exposure to tuberculosis (TB) and the possibility of contracting active TB is a major concern for employees and their families.

The State and Council 82 are committed to the ongoing exploration of a range of accommodations in those instances where an employee has contracted active TB. Such accommodations warranting further exploration may include development of reassignments to non-contact positions to limit the exposure of employees as medically necessary and discussion of the concept of redeployment to another State agency of such an employee when continued performance of job duties would place an employee "at risk."

Discussion, consideration and exploration will be undertaken by a Statewide joint labor/management work group under the auspices of Article 22 of the Agreement. The mechanics of how such accommodations might be accomplished, contractual implications, and the process by which suitable alternate placement opportunities might be facilitated will be discussed. The parties will evaluate the legal, fiscal and operational ramifications of such a concept, and consider other supportive measures such as retraining and counseling beyond that which would otherwise be provided on an agency basis. Although the focus of discussions pertain primarily to TB, the parties will discuss other infectious diseases as well.

Of course, proactive agency approaches such as education, the development of protocols, and the availability of proper equipment will remain a priority to help reduce the possibility of exposure.

Dear Mr. Lyman:

This is to confirm the understanding reached at the most recent round of negotiations regarding the change in effective date from March 31 to April 1 in Article 11.4; specifically given that the language in Article 11 no longer sunsets the performance advance payments, such change in effective date, will not result in any employee being paid a performance advancement payment more than once in a fiscal year.

Re: Use of State Equipment

Dear Mr. Lyman:

An agency, department or facility may enter into labor/management agreements as defined by the Agreement to permit 1) union access to a local electronic bulletin board, where it exists, as described in paragraph A below and/or 2) union use of e-mail for labor/management purposes as described in paragraph B below.

A. A labor/management agreement concerning union access to a local electronic bulletin board may be made for posting of Council 82 notices and bulletins. No material which may be profane, derogatory to any individual or constitute election campaign material for or against any person, organization or faction thereof except that election material related to internal Council 82 elections may be posted on such electronic bulletin board. All bulletins or notices shall be signed by the Council President, Local Union President or their designee on a hard copy of the material provided to management. Any material in violation of the above criteria will be removed promptly by management.

B. A labor/management agreement on the use of an agency's, department's or facility's e-mail system for labor/management purposes may permit use by union representative(s) to communicate:

1) with management or other union representatives regarding labor/management committee matters, including preparation for meetings, and transmittal of draft or final minutes, meeting agendas or any material directly related to issues under discussion; and/or

2) with members regarding labor/management agendas and minutes; and/or

3) upon mutual agreement, with management representatives.

Access to the agency's/facility's e-mail and/or an electronic bulletin board will be allowed only where a written labor/management agreement is executed. Council 82 and GOER will agree to model language that the parties must use as the basis for the local labor/management agreements.

Other access to electronic resources of the State, or agency, department or facility thereof, by and between union representatives and/or union members shall be discussed in a Statewide Labor/Management Committee established specifically for that purpose.

Sincerely,

/s/ Gary Johnson
Director
