Special Notes:

- ✓ Section 1 needs to be completed if the prime contractor is a NYS certified MBE or a WBE, not dual-certified, subcontracting to satisfy the goal for which the contractor is not certified. Generally, a contract should have both MBE and WBE goals, if not a Waiver is required (GOER Form: ADM149).
- ✓ Section 1 does not need to be completed if the prime contractor is a dual-certified minority and women-owned business enterprise performing one hundred percent of the MWBE contract goals. If this is the case, proceed to the signature section and attach a printout showing the contractor is a dual-certified from the NYS Directory of Certified MWBEs available at <https://ny.newnycontracts.com/FrontEnd/VendorSearchPublic.asp>.
- ✓ Section 1 does not need to be completed if the contractor is a joint venture, teaming agreement, or other similar arrangement, with a NYS certified MWBE performing a commercially useful function for one hundred percent of the MWBE contract goals. If this is the case, attach a copy of the arrangement including all information requested in the solicitation and proceed to the signature section.
- ✓ Section 1 does not need to be completed if the contractor is submitting a mentor-protégé agreement that reflects an investment by the mentor in the protégé roughly equal to the difference between the goal set forth in the solicitation and the percentage of value added participation provided by the protégé. If this is the case, attach a copy of the agreement including all information requested in the solicitation and proceed to the signature section.
