Article 1

Recognition

The State, pursuant to the certification of the Public Employment Relations Board, recognizes CSEA as the exclusive representative for collective negotiations with respect to salaries, wages, hours and other terms and conditions of employment of employees serving in positions in the Institutional Services Unit and similar positions hereafter created. The terms “employee” or “employees” as used in this Agreement shall mean only employees serving in positions in such unit and shall include seasonal employees where so specified.

Article 2

Statement of Policy and Purpose

§2.1 It is the policy of the State to continue harmonious and cooperative relationships with its employees and to ensure the orderly and uninterrupted operations of government. This policy is effectuated by the provisions of the Public Employees’ Fair Employment Act granting public employees the rights of organization and collective representation concerning the determination of the terms and conditions of their employment.

§2.2 The State and CSEA now desire to enter into an agreement reached through collective negotiations which will have for its purposes, among others, the following:

To recognize the legitimate interests of the employees of the State to participate through collective negotiations in the determination of the terms and conditions of their employment.

(a) To recognize the legitimate interests of the employees of the State to participate through collective negotiations in the determination of the terms and conditions of their employment.

(b) To promote fair and reasonable working conditions.

(c) To promote individual efficiency and service to the citizens of the State.

(d) To avoid interruption or interference with the efficient operation of the State's business.

(e) To provide a basis for the adjustment of matters of mutual interest by means of amicable discussion.

Article 3

Unchallenged Representation

The State and CSEA agree, pursuant to Section 208 of the Civil Service Law, that CSEA shall have unchallenged representation status for the maximum period permitted by law on the date of execution of this Agreement.

Article 4

Employee Organization Rights

§4.1 Exclusive Negotiations with CSEA

The State will not negotiate or meet with any other employee organization or employee group with reference to terms and conditions of employment of employees. When such organizations or employee groups, whether organized by the employer or employees, request meetings for any other purpose, notice shall be sent to the local CSEA representative and CSEA shall be afforded the opportunity to attend such meetings in order that CSEA may fulfill its obligation as a collective negotiating agent to represent these employees and groups of employees.

§4.2 Payroll Deductions

(a) CSEA shall have exclusive payroll deduction of membership dues and premiums for all forms of insurance sponsored by CSEA and no other employee organization or any other organization shall be accorded any such payroll deduction privilege for membership dues and/or premiums for any form of insurance. Credit unions shall not be accorded any payroll deduction privilege for insurance premiums unless such insurance is incidental to a loan.

(b) The parties agree that CSEA shall have an exclusive payroll deduction for all CSEA unit represented employees who elect to participate in the AFSCME program known as "Public Employees Organized for Political

and Legislative Equality.”

(c) The parties agree that voluntary deductions for CSEA dues and other authorized deductions allowed by Section 110-b of the Retirement and Social Security Law will continue to be available to all CSEA retirees who retired on or after January 1, 1987.

§4.3 Bulletin Boards

(a) The State shall provide a reasonable amount of exclusive bulletin board space in an accessible place in each area occupied by a substantial number of employees for the purpose of posting bulletins, notices and material issued by CSEA, which shall be signed by the designated official of CSEA or its appropriate local. Such bulletin boards may be made secure pursuant to local level labor/ management agreement. No such material shall be posted which is profane, obscene, or defamatory of the State or its representatives, or which constitutes election campaign material for or against any person, organization or faction thereof. No other employee organization except employee organizations which have been certified or recognized as the representative for collective negotiations of other State employees employed at such locations shall have the right to post material upon State bulletin boards; provided, however, that such right shall not be exclusive during campaign periods or periods of challenge as defined in Section 208 of the Civil Service Law.

(b) The number and location of bulletin boards as well as arrangements with reference to placing material thereon and removing material therefrom shall be subject to mutual understandings at the departmental or agency level; provided, however, that any understanding reached with respect thereto shall provide for the removal of any bulletin or material objected to by the State, which removal may be contested pursuant to the contract grievance procedure provided for herein.

§4.4 Office Space

(a) In those facilities specified in the Lease Agreement effective April 1, 1982, CSEA shall have office space which shall be used solely for the purpose of conducting representation duties as provided by Civil Service Law, Section 208, provided that: (1) the Civil Service Employees Association, Inc. shall reimburse the State for such space by payment of a single yearly fee; (2) such space shall be subject to a standard State lease for use of State premises; (3) CSEA shall provide a comprehensive liability

insurance policy regarding such space; and (4) such use shall be subject to the State's need for the space. In the event that the State needs to reoccupy such space, reasonable advance notice shall be given to CSEA. The term "office space" as used herein, shall not include the use of State equipment, furnishings or supplies.

(b) In the event that, after the execution of this Agreement, CSEA shall demonstrate a need for space in addition to that provided in paragraph (a) above for the purposes stated therein, the State shall consider requests presented by CSEA at the department or agency level, which shall make its recommendation to the Governor's Office of Employee Relations. The determination whether to rent additional space shall be made by the Governor's Office of Employee Relations in accordance with the best interests of the State and subject to the provisions contained in paragraph (a) above.

(c) Grievances alleging violation of Section 4.4 shall not be arbitrable, but shall be processed pursuant to Article 34.1(b).

§4.5 Meeting Space

No other employee organization, except employee organizations which have been certified or recognized as the representative for collective negotiations of other State employees, shall have the right to meeting space in State facilities. No employee group shall have the right to meeting space in State facilities for the purpose of discussing terms and conditions of employment which are the responsibility of the collective bargaining agent.

§4.6 Access to Employees

(a) CSEA representatives shall, on an exclusive basis, except during campaign periods and periods of challenge as defined in Section 208 of the Civil Service Law, have access to employees during working hours to explain CSEA membership, services and programs under mutually developed arrangements with department or agency heads. Any such arrangements shall ensure that such access shall not interfere with work duties or work performance. Such consultations shall be no more than 15 minutes per employee per month, and shall not exceed an average of 10 percent per month of the employees in the operating unit (e.g., institution, DDSO, hospital, college, main office or appropriate facility) where access is sought.

(b) Department and agency heads may make reasonable and appropriate

arrangements with CSEA whereby it may advise employees of the additional availability of CSEA representatives for consultations during non-working hours concerning CSEA membership, services and programs.

(c) Access to employees for purposes related to grievance and discipline is provided in Section 4.9 of the Agreement.

§4.7 Lists of Employees

The State, at its expense, shall furnish the CSEA Director of Contract Administration, on at least a quarterly basis, information showing the name, address, unit designation, social security number, payroll agency, alphabetic title, classified seniority date*, date of original appointment to State service and veteran status code of all new employees and any current employee whose payroll agency or address has changed during the period covered by the report.

§4.8 Leave for Internal Union Affairs

(a)(1) The State shall grant a total of 750 workdays of employee organization leave during each year of the Agreement to CSEA as a whole (Administrative, Division of Military and Naval Affairs, Institutional and Operational Units) for the use of employees attending internal CSEA committee and Board meetings. Within 30 days of the execution of this Agreement, CSEA shall provide the State with a list of committees and boards in the categories described above, along with the names and work locations of employees appointed to those committees and boards. Only employees so designated shall be entitled to authorized employee organization leave and only for the committees and boards provided as required above. CSEA shall notify the State in writing of any addition or deletion of committees and boards and/or employees assigned to those committees or boards. Failure to notify the State accordingly can result in the forfeiture of use of employee organization leave for the desired purpose at the State's discretion.

In the event that CSEA exceeds the 750 workday employee organization leave maximum described herein, CSEA shall reimburse the State for the actual cost of the involved employee(s)' salary. Employee organization leave shall be granted for one (1) delegate meeting per year, not to exceed

*Date of initial permanent appointment to a classified position followed by continuous State service.

five (5) days' duration. In addition, reasonable travel time shall be granted for such meetings.

(2) Present methods and procedure for approving applications for attendance at such meetings described in (1) and (2) above shall continue unchanged.

(b) A reasonable number of employees serving on CSEA statewide negotiating teams shall be granted employee organization leave, including reasonable time for preparation and travel time, for the purpose of negotiating with representatives of the State.

(c) Employee organization leave pursuant to subdivision (a) of this section may not be granted unless CSEA provides to the Director of the Governor's Office of Employee Relations or the Director's designee at least five (5) days advance notice of the purpose and dates for which such leave is requested and the names and work stations of the employees for whom such leave is requested. The granting of such leave shall be subject to the reasonable operating needs of the State.

(d) CSEA shall provide to the Director of the Governor's Office of Employee Relations, on a quarterly basis, a list of CSEA officers and directors, local officers, and other employees eligible for employee organization leave, together with official work stations, departments and agencies of such employees. Where a CSEA Local is comprised of employees from more than one agency and/or work location, CSEA shall so indicate. An employee whose name does not appear on the list can be denied employee organization leave, at the State's discretion.

(e) Under special circumstances and upon advance request, additional employee organization leave may be granted by the Director of the Governor's Office of Employee Relations.

§4.9 Contract/Non-Contract and Disciplinary Grievance Investigation and Representation

a) CSEA Local representatives shall be granted reasonable and necessary employee organization leave, including travel time, for the investigation of claimed grievances and processing of grievances at all steps of the grievance process pursuant to the provisions of Article 33 and 34 of this agreement subject to the following conditions:

(1) Employees Designated as Representatives

Beginning April 1, 1999, and quarterly thereafter, CSEA shall provide

the Director of the Governor's Office of Employee Relations with a listing of grievance representatives including official work station and departments/agencies of such employees. Between quarterly listings, CSEA shall notify the State in writing on the first of each month of any addition or deletion affecting the employees eligible for employee organization leave for this purpose.

Where a CSEA Local is comprised of employees from more than one agency and/or work location, CSEA shall so indicate. An employee whose name does not appear on the list can be denied employee organization leave, at the State's discretion.

(2) When such activities extend beyond the employee's scheduled working hours, such time shall not be considered as in paid status.

§4.10 Leave for Labor/Management Activity

A reasonable number of employees shall be granted a reasonable amount of employee organization leave, including travel time, for the purpose of participating in mutually scheduled joint meetings of special committees established pursuant to other Articles of this Agreement or mutually scheduled joint meetings of management and employees.

§4.11 Travel Time

Travel time as used in this Article shall mean actual and necessary travel time not to exceed five (5) hours each way.

§4.12 Leave of Absence Information

The State shall provide an employee who is going on an authorized leave of absence with information regarding continuation of coverage under the State's Health Insurance Program during such leave. The State shall also provide to such an employee a memorandum prepared by CSEA regarding necessary payments for CSEA dues and insurance premiums during such leave.

Article 5

Management Rights

Except as expressly limited by other provisions of this Agreement, all of the authority, rights and responsibilities possessed by the State are retained by it, including, but not limited to, the right to determine the mission, purposes, objectives and policies of the State; to determine the facilities, methods, means and number of personnel required for conduct of State

programs; to administer the Merit System, including the examination, selection, recruitment, hiring, appraisal, training, retention, promotion, assignment or transfer of employees pursuant to law; to direct, deploy and utilize the work force; to establish the specifications for each class of positions and to classify or reclassify and to allocate or reallocate new or existing positions in accordance with law; and to discipline or discharge employees in accordance with law and the provisions of this Agreement.

Article 6

No Strikes

§6.3 Nothing contained in this Agreement shall be construed to limit the rights, remedies or duties of the State or the rights, remedies or duties of CSEA or employees under State law.

Article 7

The new job rate shall be the amount that results from the addition of seven increments to the hiring rate. Employees whose salaries were at the hiring rate, any of the six steps, or the job rate immediately prior to the increase in the schedule shall be accorded the benefit of the two (2.0) percent increase by receiving a salary equal to the new hiring rate, corresponding step, or job

§7.3 Movement from Hiring Rate to Job Rate

(a) Employees who complete one (1) year of service in full-time employment status at a basic annual salary rate which is below the job rate of their salary grade, whose performance at the completion of each year of service is rated at least "satisfactory" or its equivalent, shall be eligible to receive an increment advance.

For the purpose of determining the date upon which the year of service is completed, any pay period for which the employee was on leave without pay or on leave with less than full pay for the full payroll period will not be counted.

(b) Increment advances will be payable to eligible employees on April 1 or October 1 of the fiscal year immediately following completion of each year of service in grade. Increment advances shall be an amount equal to one-seventh of the difference between the hiring rate and the job rate of the grade. Employees hired or promoted on or after April 2 and through October 1 will have an increment anniversary date of October 1. Employees hired or promoted on or after October 2 and through April 1 will have an April 1 increment anniversary date. All hired or promoted employees will be required to serve at least one year before receiving their increment. Once the increment is received, subsequent increments will begin on the appropriate increment anniversary date of either October 1 or April 1. The creation of a second increment anniversary date will continue the practice that all employees will serve at least one year before the increment is paid but no employee will wait longer than one and one-half years.

2 Grades	4.5%
3 Grades	6.0%
4 Grades	7.5%
5 Grades	9.0%

(b) Reallocations and Reclassifications

Employees in positions which are reallocated or reclassified to a higher salary grade will receive an increase in pay determined in the same manner as described for promotions except that in the event of reallocation, the new salary shall not exceed the second longevity step.

§7.5 Movement Between Salary Grades

For those employees who move between salary grades, service in a higher salary grade will be creditable toward the service in grade requirement for an increment advance in a lower salary grade; service in a lower salary grade will not be creditable for an increment advance in a higher salary grade.

§7.6 Movement to a Lower Salary Grade

(a) Non-permanent employees who move to a lower salary grade will be placed at a rate in the lower grade which corresponds to their combined increment advance in both the higher and lower salary grades.

(b) Employees who move to a lower salary grade and whose salary is below the job rate will be eligible for increment advances as described above.

§7.7 Applicability

(a) Section 7.1 above shall apply on a pro rata basis to employees paid on an hourly or per diem basis or on any basis other than at an annual rate, or to employees paid on a part-time basis. Such sections shall not apply to employees paid on a fee schedule.

(b) Sections 7.2, 7.3, 7.4, 7.5, and 7.6 shall apply on a pro rata basis as appropriate to employees paid on an hourly or per diem basis or on any

basis other than at an annual rate, or to employees paid on a part–time basis. The above provisions shall not apply to employees paid on a fee schedule.

§7.8 Recall and Inconvenience Pay

(a) Except as otherwise hereinafter specifically provided, the present recall pay program will be continued. There shall be no assignment of routine or non-emergency duties or other "make work" in order to avoid the payment of recall pay.

(b) Effective April 5, 2007 for employees on the Administrative payroll and March 29, 2007 for employees on the Institutional payroll, the present inconvenience pay program will be \$575 per year to employees who work four (4) hours or more between 6:00 p.m. and 6:00 a.m., except on an overtime basis, will be continued as provided in Chapter 333 of the Laws of 1969 as amended.

§7.9 Downstate Adjustment

(a) Eligible employees in New York City, Nassau, Rockland, Suffolk and Westchester Counties will receive a Downstate Adjustment in addition to their basic annual salary. Effective October 1, 2008 the amount of the Downstate Adjustment shall be \$3,026.

(b) Eligible employees in Orange, Dutchess, and Putnam Counties will receive a Mid-Hudson Adjustment in addition to their base annual salary. Effective October 1, 2008, the amount of the Mid-Hudson Adjustment shall be \$1,513.

(c) Employees in Monroe County receiving \$200 location pay on March 31, 1985 will continue to receive it throughout the Agreement only as long as they are otherwise eligible.

§7.10 Holiday Pay

(a) Any employee who is entitled to time off with pay on days observed as holidays by the State as an employer will receive at the employee's option additional compensation for time worked on such days or compensatory time off. Such additional compensation, except as noted in 7.10(d) below, for each such full day worked will be at the rate of 1/10 of the employee's bi–weekly rate of compensation. Such additional compensation for less than a full day of such work will be prorated. Such rate of compensation will include geographic, location, inconvenience, shift pay and the downstate adjustment as may be appropriate to the place or hours worked. In no event will an employee be entitled to such additional

compensation or compensatory time off unless the employee has been scheduled or directed to work.

§9.17 Prescription Drug Benefit Structure

The Empire Plan Prescription Drug Program benefits shall consist of the following: Prescription Drug Program will cover medically necessary drugs, including vitamins and contraceptive drugs and devices, requiring a physician's prescription and dispensed by a licensed pharmacist. Mandatory Generic Substitution will be required for all brand-name multisource prescription drugs (a brand-name drug with a generic equivalent) covered by the Prescription Drug Program. The three-level prescription drug benefit will continue. The copayment for prescription drugs purchased at a retail pharmacy or the mail service pharmacy for up to a 30-day supply shall be as follows:

- \$45 Non-Preferred Brand/Level Three (\$60 effective 1/1/19)

When a brand-name prescription drug is dispensed and an FDA-approved generic equivalent is available, the member will be responsible for the difference in cost between the generic drug and the non-preferred brand-name drug, plus the non-preferred brand-name copayment.

The copayment for prescription drugs purchased at a retail pharmacy for a 31-90 day supply shall be as follows:

- \$10 Generic/Level One
- \$50 Preferred Brand/Level Two (\$60 effective 1/1/19)

When a brand-name prescription drug is dispensed and an FDA-approved generic equivalent is available, the member will be responsible for the difference in cost between the generic drug and the non-preferred brand-name drug, plus the non-preferred brand-name copayment.

The copayment for prescription drugs purchased through the mail service pharmacy for a 31-90 day supply will be as follows:

- \$5 Generic/Level One
- \$50 Preferred Brand/Level Two (\$55 effective 1/1/19)
- \$90 Non-Preferred Brand/Level Three (\$110 effective 1/1/19)

When a brand-name prescription drug is dispensed and an FDA-approved generic equivalent is available, the member will be responsible for the difference in cost between the generic drug and the non-preferred brand-name drug, plus the non-preferred brand-name copayment.

(b) New-to-you prescriptions will require two 30 day fills at a retail setting prior to being able to obtain a 90 day fill through retail or mail. This program will be discontinued no later than January 1, 2019.

(c) Drugs considered to be “specialty drugs” (including but not limited to drugs requiring special handling, special administration and/or intensive patient monitoring and biotech drugs developed from human cell proteins and DNA) will be dispensed through the Empire Plan Specialty Pharmacy Program.

- Enrollees may fill one prescription for a drug included in the Specialty Pharmacy Program at a retail pharmacy, subject to plan requirements. After the initial fill at a retail pharmacy, all subsequent fills must be dispensed through the Specialty Pharmacy Program.

- Drugs included in the Specialty Pharmacy Program will be assigned to copayment levels subject to the following copayments:

- a) for up to a 30-day supply:

- a. \$5 Generic/Level One

- b. \$25 Preferred-Brand/Level Two (\$30 Effective 1/1/19)

- c. \$45 Non-Preferred Brand/Level Three (\$60 Effective 1/1/19)

- b) for a 31 to 90 day supply:

- b. \$50 Preferred Brand/Level Two (\$55 Effective 1/1/19)

- c. \$90 Non-Preferred Brand/Level Three (\$110 Effective 1/1/19)

- (d) When deemed appropriate the Empire Plan Prescription Drug Program Insurer/Pharmacy Benefit Manager shall be permitted additional flexibility in the management of the formulary, including the following;

- Place a brand name drug on Level One and exclude or place a generic drug on Level Three subject to the appropriate copayment. This placement may be revised mid-year when such revision is advantageous to the Plan. Enrollees will be notified in advance of such changes.

- Certain therapeutic categories with two or more clinically sound and therapeutically equivalent Level One options may not have a brand name drug in Level Two.

- Access to one or more drugs in select therapeutic categories may be excluded if the drug(s) has no clinical advantage over other generic and brand name medications in the same therapeutic class.

§9.18 Part-time Employees

The State Health Insurance Plans' regulations shall continue to stipulate that the term employee means any person in the service of the State as employer whose regular work schedule is at least half-time per bi-weekly payroll period.

§9.19 Waiting Period

There shall be a waiting period of forty-two (42) days after employment before an employee shall be eligible for enrollment under the State's Health Insurance Program.

§9.20 Dependent Proofs/Coverage

- (a) Current and/or new enrollees opting for family coverage must provide the names of all covered dependents to the Plan Administrator. In the case of covered newborn dependents, names shall be provided within 3 months

of the date of birth. Additionally, the social security numbers of a covered spouse, if applicable, and/or dependents up to age 26, if applicable shall be provided to the Plan Administrator in order to verify continued eligibility for family coverage and to facilitate coordination of benefits.

(b) Covered dependents of employees who are activated for military duty as a result of an action declared by the President of the United States or Congress shall continue health insurance coverage with no employee contribution for a period not to exceed 12 months from the date of activation, less any period the employee remains in full pay status. Contribution free health insurance coverage will end at such time as the employee's active duty is terminated or the employee returns to State employment, whichever occurs first.

§9.21 Domestic Partners

Domestic partners who meet the definition of a partner and can provide acceptable proofs of financial interdependence as outlined in the Affidavit of Domestic Partnership and Affidavit of Financial Interdependency shall be eligible for health care coverage. As part of this agreement, the impact of such domestic partner coverage under the Empire Plan will continue to be reviewed through the Joint Committee on Health Benefits, including the appropriateness of the existing waiting periods.

§9.22 Seasonal Employees

(a) Seasonal employees who, at the time of hire, are expected to be continuously employed on at least a half-time basis for at least six-months, shall be eligible to apply for health insurance coverage as of the date of employment. Coverage shall be subject to a 42-day new employee waiting period starting on the date of first employment, and benefits shall be available as of the 43rd day of employment, assuming the employee submitted a written application for coverage during the 42-day waiting period and was on the payroll or on authorized workers' compensation leave without pay for the entire 42-day waiting period.

(b) Seasonal employees who, at the time of hire, are not expected to be continuously employed on at least a half-time basis for at least six months, shall not be eligible for health benefits at the start of employment. However, upon actual completion of six months of continuous employment on at least a half-time basis, an employee so hired shall become eligible to apply for health benefits. Coverage shall become effective following the

completion of a 42-day new employee waiting period that commences on the day following their completion of six months of such a work schedule, assuming the employee submits a written application for coverage during the waiting period, and remains on the payroll or on authorized workers' compensation leave without pay for the entire 42 day waiting period.

(c) Where the state establishes a seasonal position for six months or more, the appointee to that position shall not have his or her service intentionally broken solely for the purpose of rendering that employee ineligible for health insurance purposes. However, if that individual's service is broken for another reason, the individual shall not be eligible to continue coverage after employment is terminated, except as described in Section (d) below.

(d) Should a seasonal employee who attained health insurance coverage under Section (a) or (b) above, leave the payroll and then be rehired subsequently, the employee shall retain eligibility for health insurance coverage upon rehire without being hired for an anticipated six month period of continuous employment on at least a half-time basis, provided the employee is not off the payroll more than six months. An employee so rehired may continue his or her health insurance by paying the full cost of the coverage for the period of time he or she is off the payroll, or, if not rehired, until the date that is six months from the date employment terminated.

§9.23 10-month Employees

Effective January 1, 2018, 10-month permanently appointed employees at the NYS School for the Deaf and the NYS School for the Blind eligible for health insurance coverage through NYSHIP, may continue their NYSHIP enrollment during the School's summer session by paying extra health insurance deductions prior to their removal from the payroll to cover premiums owed for the summer months in accordance with the side letter between CSEA and New York State.

§9.24 Layoff

A permanent full-time employee who loses employment as a result of the abolition of a position on or after April 1, 1977, shall continue to be covered under the State Health Insurance Plan at the same contribution rate as an active employee for one year following such layoff or until reemployment by the State or employment by another employer, whichever first occurs.

§9.25 Workers' Compensation

(a) A permanent full-time employee who is removed from the payroll due to an accepted work related injury or occupational condition shall remain covered under the State Health Insurance Plan and the terms as defined in Article 11.5 of this agreement.

(b) A permanent full-time employee who is removed from the payroll due to a controverted work related injury or occupational condition will have the right to apply for a health insurance premium waiver. The appropriate agency will be responsible to inform the employee of his or her right to apply for the waiver prior to the employee meeting the eligibility requirements for the waiver of premium.

(c) A permanent full-time employee who is removed from the payroll due to an assault, as described in Article 11.5, and is granted workers' compensation for up to 24 months shall remain covered under the State Health Insurance Plan for the same duration and will be responsible for the employee share of premium.

§9.26 Disabled/Deceased Employees

(a) Continued health insurance coverage will be provided for the unremarried spouse and other eligible dependents of employees who die in State service under circumstances under which they are eligible for the accidental death benefit or for weekly cash workers' compensation benefits under the same conditions prescribed in Section 165 of the Civil Service Law for dependents of a deceased employee who was at the time of death an employee at a correctional facility having individual and dependent coverage at the time of death and where death occurred as a result of injuries during the period from September 9 through 13, 1971.

(b) If an employee is granted a service-connected disability retirement by a retirement or pension plan or system administered and operated by the State of New York, the State will continue the health insurance of that employee on the same basis as any other retiring employee, regardless of the duration of the employee's service with the State.

§9.27 Retirement/Deceased Employees

(a) The unremarried spouse and otherwise eligible dependent children of an employee, who retires after April 1, 1979, with ten or more years of active State service and subsequently dies, shall be permitted to continue coverage in the health insurance program with payment at the same

contribution rates as required of active employees for the same coverage.

(b) The unremarried spouse and otherwise eligible dependent children of an active employee, who dies after April 1, 1979 and who, at the date of death, had at least 10 years of benefits eligible service and who was at least 45 years of age and was within 10 years of the minimum retirement age shall be permitted to continue coverage in the health insurance program with payment at the same contribution rates as required of active employees for the same coverage.

§9.28 Service Requirements/Sick Leave Credit

(a) Employees covered by the State Health Insurance Plan have the right to retain health insurance after retirement upon completion of ten years of service.

(b) An employee who is eligible to continue health insurance coverage upon retirement is entitled to a sick leave credit to be used to defray any employee contribution toward the cost of the premium. The basic monthly value of the sick leave credit shall be calculated according to the procedures in use on March 31, 2007. For employees retiring on or after October 1, 2011, the calculation of sick leave credit shall be based on the actuarial table Section 41J in effect on October 1, 2011. Employees retiring on or after January 1, 1989 may elect an alternative method of applying the basic monthly value of the sick leave credit. Employees selecting the basic sick leave credit may elect to apply up to 100% of the calculated basic monthly value of the credit towards defraying the required contribution to the monthly premium during their own lifetime. If employees who elect that method predecease their eligible covered dependents, the dependents may continue to be covered, but must pay the applicable dependent survivor share of the premium. Employees selecting the alternative method may elect to apply only up to 70% of the calculated basic monthly value of the credit toward the monthly premium during their own lifetime. Upon the death of the employee, however, any eligible surviving dependents may also apply up to 70% of the basic monthly value of the sick leave credit toward the dependent survivor share of the monthly premium for the duration of the dependents' eligibility. The State has the right to make prospective changes to the percentage of credit to be available under this alternative method for future retirees as required to maintain the cost neutrality of this feature of the plan. The selection of the method of sick

leave credit application must be made at the time of retirement, and is irrevocable. In the absence of a selection by the employee, the basic method shall be applied.

(c) Eligible enrollees who opt-out of NYSHIP coverage pursuant to Section 9.16 of this Article shall be deemed to be “enrolled” in NYSHIP for the sole purpose of eligibility for retiree health insurance coverage.

§9.29 Deferral of Health Insurance

An employee retiring from State service may delay commencement or suspend his/her retiree health coverage and the use of the employee's sick leave conversion credits indefinitely, provided that the employee applies for the delay or suspension, and furnishes proof of continued coverage under the health care plan of the employee's spouse, or from post retirement employment.

§9.30 Joint Committee on Health Benefits

(a) The State and CSEA agree to continue the Joint Committee on Health Benefits.

(b) The State shall seek the appropriation of funds by the Legislature to support committee initiatives and to carry out the administrative responsibilities of the Joint Committee in the amount indicated for each year of the agreement: \$1,412,700 in 2016-17, \$1,440,954 in 2017-18, \$1,469,773 in 2018-19, \$1,499,169 in 2019-20, \$1,529,152 in 2020-21.

(c) The Joint Committee on Health Benefits shall work with appropriate State agencies to make mutually agreed upon changes in the Plan benefit structure through such initiatives as:

(3) The ongoing review and oversight of the Managed Physical Medicine Program;

(4) The continuation of the Benefits Management Program and annual review of the list of procedures requiring Prospective Procedure Review. The JCHB and the State will evaluate the current pre-notification of radiology services and review the viability of pre-authorizing non-urgent/non-emergent cardiologic procedures and testing.

(5) The Joint Committee on Health Benefits will work with the State and

medical carrier to solicit and contract with credentialed radiological providers to provide mammography screening, according to the American Cancer Society's medical protocols, at the worksite and/or predetermined location. Reimbursement will be provided in accordance with the participating provider program, subject to the diagnostic copayment.

(6) The continuation of the ambulatory surgery benefit and monitoring of participating centers. The Joint Committee on Health Benefits will work with the State to oversee the solicitation by the medical/surgical/basic medical carrier of Ambulatory Surgical Centers in bordering states and in those states where retirees commonly reside.

(7) The continuation of the Home Care Advocacy Program (HCAP) and the ongoing review of services offered. The JCHB shall work with the State to review and monitor the utilization of DME under HCAP, specifically requests, approvals and denials of duplicate equipment. If necessary the State and CSEA Joint Committee will take appropriate action to address the issue.

(8) The Joint Committee on Health Benefits will continue to review the impact of Domestic Partner coverage.

(9) The Joint Committee on Health Benefits will work with the State to monitor and oversee the Specialty Pharmacy Program.

(10) If reimportation of prescription drugs becomes permissible under applicable law, rule, regulation or other appropriate approval, the parties agree to work through the JCHB to explore the plan's use of such reimported drugs and evaluate the overall impact to the Empire Plan Prescription Drug Program. The parties will determine whether to recommend the implementation of the plan's utilization of such drugs if both parties agree that it is practicable, cost effective and able to be implemented into and become part of the current Empire Plan prescription drug program. Implementation of the alternative drug program for CSEA-represented employees will not take place without the agreement of the CSEA JCHB.

(11) The JCHB will work with the State and the Empire Plan prescription drug carriers to monitor and oversee the Enhanced Flexible Formulary. No changes to the Enhanced Flexible Formulary shall occur without notifying the Joint Committee in advance of the change(s).

(12) The JCHB will work with the State to develop a voluntary Value

Based Insurance Design (VBID) Pilot Program with the goal of improving health outcomes while lowering overall costs through copayment waivers or reductions.

(a) The JCHB will work with the State to look at a copayment waiver program for office visits and prescription drugs when related to chronic conditions. Should the VBID Program prove successful, and be expanded to other disease states, the copayment reductions or waivers, including copayments for prescription medications, will be evaluated for inclusion in any future VBID programs.

(13) The JCHB will work with the State to develop a voluntary Pilot Telemedicine Program. The purpose of the Telemedicine Program is to increase access to health care services by establishing a program to use telecommunications to provide healthcare.

(14) The JCHB will work with the State to explore the implementation and oversight of a voluntary Healthy Back Program and Bariatric Surgery Management Program Nutritionist coverage will be available when clinically appropriate.

(15) The JCHB and the State will regularly review the ongoing role of nurse practitioners and convenient care clinics (also referred to as “minute clinics” or “retail clinics”) as providers in the Empire Plan.

(16) The JCHB will work with the State to solicit a health risk assessment program and implement a voluntary, incentivized program as well as development of educational endeavors to influence healthy lifestyles.

(d) The Joint Committee's area of review and counsel shall include but not be limited to the following areas:

(1) Development of health benefit communication programs related to the consumption of health care services provided under the Plan.

(2) Development, as appropriate in conjunction with the carriers, of revised benefit booklets, descriptive literature and claim forms.

(3) The CSEA Joint Committee on Health Benefits will work with the State to develop a "report card" which will include objective quality data to assist employees in selecting the health benefit plan that best meets the needs for the employee and their dependents.

(4) In cooperation with the State, the Joint Committee on Health Benefits will review the implementation and ongoing oversight of an Annual Health Insurance Enrollment Opt-out.

(5) The Joint Committee on Health Benefits will work with the State to study the feasibility of an inclusive statewide "carve-out" program for prescription drugs.

(6) The JCHB will work with the State and medical carrier to develop an enhanced network of urgent care facilities.

(7) The JCHB will work with the State to implement a direct debit vehicle or electronic submission to enhance the Medical Flexible Spending Account by January 1, 2019, or as soon as practicable thereafter.

(8) The JCHB shall study the feasibility of a two-person premium structure.

(9) The procurement process conducted by the Department of Civil Service regarding contractual services for the Empire Plan will include CSEA Joint Committee on Health Benefits involvement as follows:

- Review and comment on the draft RFP before it is released
- Attendance at the pre-bidders conference
- Sufficient time for the Joint Committee to access and review the technical proposals prior to management interviews
- Participation in Management Interviews and Site visits
- Attendance at a formal cost proposal briefing
- Recommendation of a vendor

Due to the proprietary nature of the materials included in the cost proposals, the Joint Committee on Health Benefits will not have access to the actual cost proposal. The State reserves the right to make the final selection of a vendor after discussion with and consideration of CSEA's recommendation.

(10) The JCHB and the State will oversee and monitor a network of participating hearing aid providers.

(e) The Joint Committee shall work with appropriate State agencies to review and oversee the various health plans available to employees represented by CSEA.

(f) The Joint Committee on Health Benefits shall work with appropriate State agencies to monitor future employer and employee health plan cost adjustments.

(g) The Joint Committee shall be provided with each carrier rate renewal request upon submission and be briefed in detail periodically on the status of the development of each rate renewal.

(h) The State shall require that the insurance carriers for the State Health Insurance Plan submit claims and experience data reports directly to the Joint Committee on Health Benefits in the format and with such frequency as the Committee shall determine.

(i) The Joint Committee will be responsible for the annual review of participating providers. The Joint Committee shall investigate and where feasible, take appropriate action to recruit additional providers in geographic and specialty areas determined by the Committee to be deficient. The JCHB will work with the State on the implementation and ongoing oversight and monitoring of provider guaranteed access to reflect current geographic radius. There will be no change to the current geo-access unless jointly agreed to by CSEA and the State.

(j) The Joint Committee shall continue to sponsor the agency health insurance administrator-training program.

(k) The Joint Committee shall study recurring subscriber complaints and make recommendations for the resolution of such complaints.

(l) The Joint Committee on Health Benefits shall meet within 14 days after a request to meet has been made by either side.

(m) The Joint Committee shall study and address other issues and concerns brought to the attention of the Committee that impact the accessibility, quality and costs of health care for employees covered by this Agreement.

§9.31 Communications

Appropriate descriptive material relating to any changes in benefits shall be distributed to each State agency for internal distribution prior to the effective date of the change in benefit. The State shall take all steps necessary to provide revised health insurance booklets to every employee as soon as possible. The Joint Committee on Health Benefits shall provide review and counsel on the development of the revised booklets.

§9.32 Confidentiality

The confidentiality of individual subscriber claims shall not be violated. Except as required to conduct financial and claims processing audits of carriers and coordination of benefit provisions, specific individual claims data, reports or summaries shall not be released by the carrier to any party without the written consent of the individual, insured employee or covered dependent.

Article 10

Attendance and Leave

§10.1 Holiday Scheduling

(a) Assignment of holiday time off shall be made at the times desired by an employee to the extent practicable in the light of needs of the department or institution involved to provide the service it is charged to provide. In the event that more employees request the same holiday time off than can be reasonably spared for operating reasons, holiday time off will be granted to such employees who can reasonably be spared, in order of seniority as defined in the Seniority Article of this Agreement.

(b) To assist in the scheduling of such holiday time off, departments, agencies, institutions or other local operating units may establish dates or periods before each holiday by which or within which an employee must request specific holiday time off in order to have his or her seniority considered.

(c) Establishment of such dates or periods shall be worked out in understandings between such departments, agencies, institutions or other local operating units and the appropriate designee of CSEA unless they mutually agree that such dates or periods are unnecessary or undesirable. Failing agreement on establishing or not establishing such dates or periods, the establishment of such dates or periods shall be referred by CSEA or the State to a committee composed of designees of the President of CSEA and the Director of the Governor's Office of Employee Relations for the establishment of such dates or periods for the department, agency, institution or other local operating unit involved.

§10.2 Holiday Time

(a) An employee who is entitled to time off with pay on days observed as holidays by the State as an employer shall be granted compensatory time off when any such holiday falls on a Saturday or pass day; provided, however, that employees scheduled or directed to work on any such Saturday or pass day may receive additional compensation in lieu of such compensatory time off in accordance with Article 7.10 of this Agreement. The State may designate a day to be observed as a holiday in lieu of such holiday which falls on Saturday or a pass day.

(b) Compensatory time off in lieu of holidays earned after the effective date of this Agreement shall be recorded in a separate leave category

known as Holiday Leave. Subject to the rules governing the granting of annual leave, an employee should be given the opportunity to exhaust such time, prior to severance from service.

(c) The following holidays will be observed by all employees within this unit eligible to observe holidays unless otherwise specified by mutual agreement between the parties:

- | | |
|---------------------------|----------------------|
| 1. New Year's Day | 7. Labor Day |
| 2. Martin Luther King Day | 8. Columbus Day |
| 3. Lincoln's Birthday | 9. Election Day |
| 4. Washington's Birthday | 10. Veterans Day |
| 5. Memorial Day | 11. Thanksgiving Day |
| 6. Independence Day | 12. Christmas Day |

(d) The State, at its option, may designate up to two floating holidays in a contract year (April-March) in lieu of two of the holidays set forth in Article 10.2(c), such that employees shall have the opportunity to select, on an individual basis, the dates upon which such floating holidays will be observed by them, consistent with the reasonable operating needs of the State.

In April of each contract year, the State shall provide notice to employees of the designation of holidays to be floated in that contract year.

Floating holiday leave credits may be used in such units of time as the appointing authority may approve, but the appointing authority shall not require that floating holiday leave credits be used in minimum units greater than one-quarter hour. This provision shall not supercede any local arrangements which provide for liquidation in smaller units of time.

(e) When December 25 and January 1 fall on Sundays and are observed as State holidays on the following Mondays, employees whose work schedule includes December 25 and/or January 1 shall observe the holiday on those dates, or if required to work, may receive additional compensation or compensatory time off in accordance with Section 7.10 of this Agreement. In such event, for those employees, December 26 and January 2 will not be considered holidays.

Consistent with the General Construction Law and the Attendance Rules for the Classified Service, any of the above holidays which fall on Sunday shall be observed on the following Monday.

§10.3 Additional Vacation Credit

(a) The State agrees to grant employees having 20 or more years of continuous State service and who are entitled to earn and accumulate vacation credits, additional vacation credits as follows:

<u>Completed Years of Continuous Service</u>	<u>Additional Vacation Credit</u>
20 to 24	1 day
25 to 29	2 days
30 to 34	3 days
35 or more	4 days

(b) An eligible employee shall receive additional vacation credit on the date on which the employee would normally be credited with additional vacation in accordance with the above schedule and shall thereafter be eligible for additional vacation credit upon the completion of each additional 12 months of continuous State service. Continuous State service for the purposes of this section shall mean uninterrupted State service, in pay status, as an employee. A leave of absence without pay, or a resignation followed by reinstatement or reemployment in State service within one year following such resignation, shall not constitute an interruption of continuous State service for the purpose of this section; provided, however, that leave without pay for more than six months or a period of more than six months between resignation and reinstatement or reappointment, during which the employee is not in State service, shall not be counted in determining eligibility for additional vacation credits under this section.

(c) Nothing contained herein shall be construed to provide for the granting of additional vacation retroactively for periods of service prior to the effective date of this Agreement.

§10.4 Vacation Scheduling

(a) Assignment of vacation time off shall be made at the times desired by an employee to the extent practicable in light of the needs of the department or institution involved to provide the service it is charged to provide. In the event that more employees request the same vacation time off than can be reasonably spared, for operating reasons, vacation time off will be granted to such employees who can reasonably be spared, in order of seniority as

defined in the Seniority Article of this Agreement.

(b) To assist in the scheduling of such vacation time off, departments, agencies, institutions or other local operating units shall, upon request from the CSEA Local, establish by September 1 of each contract year an annual date or dates or period or periods by which or within which an employee must request a block or blocks of time in order to have his or her seniority considered. For purposes of this section, a block of time is defined as five or more consecutive work days.

(c) Establishment of such dates or periods shall be worked out in understandings between such departments, agencies, institutions or other local operating units and the appropriate designee of CSEA unless they mutually agree that such dates or periods are unnecessary or undesirable. Failing agreement on establishing or not establishing such dates or periods, the establishment of such dates or periods shall be referred by CSEA or the State to a committee comprised of designees of the President of CSEA and the Director of the Governor's Office of Employee Relations for the establishment of such dates or periods for the department, agency, institution or other local operating unit involved.

§10.5 Vacation Use

Vacation credits may be used in such units of time as the appointing authority may approve, but the appointing authority shall not require that vacation credits be used in minimum units greater than one-quarter hour. This provision shall not supersede any local arrangements which provide for liquidation in smaller units of time.

§10.6 Vacation Credit Accumulation

(a) Vacation credits may be accumulated up to 40 days; provided, however, that in the event of death, retirement or separation from service, an employee compensated in cash for the accrued and unused accumulation may only be so compensated for a maximum of 30 days.

(b) An employee's vacation credit accumulation may exceed the maximum, provided however, that the employee's balance of vacation credits may not exceed 40 days on April 1 of any year, except that on April 1, 2012 only, an employee's balance of vacation credits may exceed 40 days but may not exceed 45 days.

§10.7 Sick Leave Accumulation

Employees who are entitled to earn and accumulate sick leave credits

may accumulate such credits up to a total of 200 days. Employees shall have the ability to use up to 200 days of such credits for retirement service credit and to pay for health insurance in retirement.

§10.8 Sick Leave Notification

An employee absent on sick leave shall notify his or her supervisor of such absence regarding reason and duration on the first day of

such absence and within two hours after the beginning of his or her workday. Notwithstanding an employee's responsibility to provide notice of such absence, no employee shall be denied use of sick leave credits solely on the basis of having not spoken directly to his or her supervisor. If no expected date of return is provided, the employee must call each day of such absence.

Where the work is such that a substitute may be required, the appointing authority may require earlier notification, but not more than one hour prior to the beginning of the employee's workday.

§10.9 Doctor's Certificate

A doctor's certificate will not routinely be required for absences of four consecutive work days or less due to illness. Where an employee is required to provide a doctor's certificate, such notice shall be in writing. When such requirement results from a review of the employee's attendance record, it shall be for absences subsequent to said notice. Upon notice to the supervisor an employee may submit such certificate on a confidential basis directly to the facility or agency personnel office.

§10.10 Use of Personal Leave

(a) The State shall not require an employee to give a reason as a condition for approving the use of personal leave credits; provided, however, that prior approval for the requested leave must be obtained; and that an employee who has exhausted his or her personal leave credits shall charge approved absences from work necessitated by personal business or religious observance to accumulated vacation or overtime credits.

(b) Personal leave credits may be used in such units of time as the appointing authority may approve, but the appointing authority shall not require that personal leave credits be used in minimum units greater than one-quarter hour. This provision shall not supercede any local arrangements which provide for liquidation in smaller units of time.

§10.11 Accounting of Time Accruals and Hours Worked

(a) The State shall prepare and distribute to employees forms for maintaining leave records on a self-accounting basis. Employees shall be advised of the leave accruals to their credit on official records at least once each year, but no less frequently than was the case as of March 31, 1982.

(b) Employees are required to keep daily time records showing actual hours worked on forms, or on an electronic or mechanical timekeeping system, to be provided by the State, subject to review and approval by the employee's supervisor.

§10.12 Written Requests for Leave

An employee shall be entitled to a written response, within six working days, to his or her written request for the use of any leave credits and if denied, a written reason shall accompany such denial. Each facility shall indicate one or more management designees to whom an employee may appeal the failure to receive a written response after four days following such request. The designee shall ensure a response within two days of appeal. Provided, however, that requests for vacation time off submitted pursuant to Article 10.4(b) shall be responded to through procedures developed in accordance with Article 10.4(c). This provision shall also be applicable to written requests for holiday time off submitted in accordance with Article 10.1, subject to local agreements reached pursuant to Article 10.1(c).

(a) To assist in the scheduling of such time off, departments, agencies, institutions or other local operating units may establish an annual date or dates or period or periods by which or within which an employee must request such leave in order to have his or her seniority considered.

The employee may not return to work, however, until the employee has been examined by the appointing authority's physician and given approval to work. The leave with pay provision of this section shall not apply where the failure of the appointing authority's physician to

complete the medical examination is attributable to the employee's failure to appear for the examination or the employee's refusal to allow it to be held.

(c) If, following the employee's examination, the appointing authority's physician does not approve the employee's return to work, the employee shall be placed in the appropriate leave status in accordance with the Attendance Rules. Such request shall not be routinely or arbitrarily denied.

At the sole discretion of the appointing authority, an employee in a position which requires certification or a professional license (excluding a "Class D" driver's license) as a minimum qualification, may be allowed up to three (3) days leave per contract year, subject to the prior approval of the appointing authority, without charge to leave credits to attend a program or programs which are verified as required for the employee to maintain such license or certification for the employee's position with the State.

§11.3 An employee required to serve a waiting period pursuant to the

Workers' Compensation Law shall have the option of using accrued leave credits or being placed on leave without pay. Where an employee charged credits and it is subsequently determined that no waiting period is required, the employee shall be entitled to restoration of credits charged proportional to the net monetary award credited to New York State by the Workers' Compensation Board.

§11.4 When vacation credits are restored pursuant to this Article and such restoration causes the total vacation credits to exceed 40 days, a period of one year from the date of the return of the credits or the date of return to work, whichever is later, is allowed to reduce the total accumulation to 40 days.

§11.5 (a) An employee receiving Workers' Compensation payments for a period of disability found compensable by the Workers' Compensation Board shall be treated as though on the payroll for the length of the disability not to exceed twelve (12) months per injury for the sole purposes of accruing seniority, continuous service, health insurance and Employee Benefit Fund contributions normally made by the State, accrual of vacation and sick leave, and personal leave. determination by the Workers' Compensation Board.

(b) If the employee's controverted or contested claim is decided in the employee's favor, any leave credits charged (and sick leave at half pay eligibility) shall be restored proportional to the net monetary award credited to New York State by the Workers' Compensation Board.

(c) If the employee was in leave without pay status pending determination of a controverted or contested claim, and the claim is decided in the employee's favor, the employee shall receive the benefits in Paragraph 11.5.

(d) Where a claim for Workers' Compensation is controverted or contested by the State Insurance Fund, the parties will abide by the determination of the Workers' Compensation Board.

(2) Mandatory alternate duty assignments shall be based upon medical documentation satisfactory to management. Such satisfactory documentation must include a prognosis of a return to the full duties of the injured worker's original job within 60 calendar days from the date upon which the alternate duty assignment begins. Time limits, consistent with or similar to those contained in Article 10.19 of the Institutional Services Unit Agreement or as developed jointly by the parties, will be utilized for those situations when the State requires that an employee be medically examined. Medical documentation shall not be reviewable under Article 34 of the Agreement.

(3) Management shall have the authority to make mandatory alternate duty assignments to tasks that can be performed by the employee not necessarily within their original job duties, title series, work schedule, work location or workweek.

(4) Mandatory alternate duty assignments shall be for a period up to 60 calendar days per injury. Such assignment may be extended at management's discretion not to exceed the term of the disability.

(5) When an employee's mandatory alternate duty assignment expires or is terminated, such employee shall either be returned to full duty status or returned to being covered by the provisions of the Workers' Compensation statute.

(6) If the above conditions are met and if management is not able to provide the eligible employee with such alternate duty assignment, that employee's compensation shall be adjusted to equal the employee's "100 percent disabled" statutory benefit for the period the employee qualified for an alternate duty assignment based on medical documentation, described in 11.8(a)(2) above, for up to 60 calendar days.

Local committees are encouraged to identify safety and health initiatives and to apply as appropriate for funding from the State/ CSEA Safety and Health Committee for support of initiatives consistent with guidelines established by the State level committee. Among the issues to be addressed by the committees are:

(f) In instances that disrupt the normal business conditions, (e.g. no utilities, lack of ventilation--including heat and air conditioning, bomb threats, etc.) local management will discuss with the local CSEA leadership what it knows of the conditions, when the conditions will be abated and what arrangements will be made to abate the conditions. When the employer has advance knowledge of such conditions, discussions with the union will occur immediately.

(g) In instances where local management is aware of planned renovations, repairs or new construction to be performed, every reasonable effort will be made to provide advance notice to and discuss with the local CSEA leadership.

§15.4 Safety and Health Grievance Procedure

(a) Grievances alleging violation of this Article or identifying any safety violation shall not be arbitrable; rather, they shall be processed pursuant to Article 34.1(b).

(b)(1) Should a grievance involving an alleged violation of this Article or any other safety violation be processed to Step 3 of the aforementioned procedure, it shall be referred to the CSEA Director of Occupational Safety and Health and the appropriate Governor's Office of Employee Relations designee for thorough review and evaluation. Such request shall include documentation to support factual allegations. The Governor's Office of Employee Relations shall consider the matter and shall forward a final decision based on an assessment of new facts within 30 calendar days. In instances where complete assessment of facts may warrant, by mutual agreement, a work site visit will be conducted by appropriate representatives of CSEA and the State.

(c) Alleged violations which would be reviewable through other procedures provided by law, rule or regulation shall not be processed through this procedure.

(d) Individuals designated to investigate grievances arising under this Article shall be listed by CSEA as grievance representatives pursuant to the provisions of Article 4.9 and those representatives shall be subject to the provisions of that Article.

§15.6 Toxic Substance Exposure

Employees who are directly exposed to toxic substances as a result of an accident, an incident or a discovery previously undetected by the State or the employees, will have the opportunity to be medically screened, as appropriate, at State expense. Such medical screening will be offered provided commonly accepted scientific evidence exists to indicate that the amount of exposure presents a clear and present danger to the health of the affected employee.

§15.7 Substance Identification

It is incumbent on the State to identify substances used by employees or to which they are exposed within the workplace. Where a substance is identified as being toxic, prior to any clean up or removal of the substance, the State will determine the nature of the substance, the toxic properties of

the substance, and the safe and recommended method of working with the substance including the appropriate personal protective equipment necessary when working with the identified substance.

§15.8 Personal Protective Equipment

Transportation of such an employee to a general hospital, clinic, doctor or other location for more complete, necessary and appropriate treatment shall be arranged, or provided by the facility. It is not the intent of this provision to cause the State to secure equipment or staff additional to that already available at the facility or to deny clients necessary services.

§15.11 Luncheon Space

Where adequate lunchroom space for employees who bring their own meals is not available, work schedules will be adjusted to permit a sufficient meal period.

§15.12 Employees on Male or Female Wards

The State will offer HBV antibody testing prior to administering the HBV vaccination series to experienced health care workers. Employees who are found to have adequate levels of HBV antibodies will be counseled that HBV vaccination is not necessary.

§15.14 Working Conditions

(a) The State agrees to restrict insofar as possible the scheduling of routine outdoor work where the ambient outdoor temperature is zero degrees or below. building, subject to their compliance with all appropriate rules and requirements of the building operation and maintenance. In consideration of said continuance of existing occupancy by credit unions, CSEA expressly agrees that no claim by any credit union or other organization of State employees for any additional space under the jurisdiction or control of the State, except relocations of such credit unions to equivalent space in other State-owned buildings, shall hereafter constitute a term or condition of employment under any agreement between the CSEA and the State pursuant to Article 14 of the Civil Service Law.

Such plan shall be developed and implemented during the term of this Agreement.

Additionally, the Committee shall continue to make recommendations to the State on the adequacy and utilization of employee parking and suggest alternatives to meet identified needs.

Recognizing that the downtown Albany parking issue is a work- place issue, the Committee shall include representatives of all employee groups

Article 20

Layoffs in Non-Competitive and Labor Classes

§20.1 Permanent non-competitive and labor class employees in this negotiating unit if laid off will be laid off within title on the basis of seniority; provided, however, that such employees shall not gain greater rights than they would have if they were covered by the provisions of Sections 80 and 81 of the Civil Service Law, and provided, further, however, that this provision does not extend to these employees coverage under Civil Service Law, Section 75 or Article 33 of the Agreements with CSEA.

§20.2 Where under current layoff law and procedures permanent employees are to be laid off within a given layoff unit and there are provisional or temporary employees in the same title in another layoff unit not projected for layoff, such provisional or temporary employees will be displaced in order to provide continued employment for those affected permanent employees. The State will manage centrally the placement of the affected permanent employees.

§20.3 Permanent non-competitive class employees with one year of continuous non-competitive service immediately prior to layoff shall be accorded the same rights at layoff as well as placement roster, preferred list and reemployment roster rights, as employees covered by State Civil Service Law Sections 75.1(c), 80-a, 81, 81-a and 81-b. and attempt to resolve matters of mutual concern regarding work force planning, which may include the joint recommendation of demonstration projects to address identified issues, and to review matters relative to redeployment of employees affected by the State's exercise of its right to contract out. The Committee is not intended to be policy-making or regulatory in nature; rather, it is intended to be advisory on matters of work force planning. §23.4 When the employer provides a meal for an employee working in an overtime capacity described above, such meal shall be in lieu of an overtime meal allowance.

§23.5 The State shall process overtime meal allowances for payment at the same time as the overtime work payment is processed.

No credit shall be granted in a promotion examination for out-of-title work.

present a clear danger to persons or property. An emergency exceeding 60 calendar days shall not be considered to be a temporary emergency, and upon the expiration of such 60 calendar days the employee shall be returned to his or her proper employment.

§24.3 (a) A grievance alleging violation of this Article shall be filed directly with the agency head or designee by the employee or CSEA in writing on forms provided by the State with a copy of that grievance being simultaneously filed with the facility or institution head or designee. An opinion shall be issued by the agency as soon as possible, but no later than 20 calendar days following receipt of the grievance. The distribution of that opinion shall include the grievant, the CSEA labor relations specialist and the CSEA local.

and Compensation shall within sixty (60) calendar days of receipt of the appeal, forward his or her opinion to the Director of the Governor's Office of Employee Relations for implementation.

(d) If such opinion is in the affirmative, the Director of the Governor's Office of Employee Relations or the Director's designee shall direct the appointing authority forthwith to discontinue such assignment.

(1) If such substantially different duties are found to be appropriate to a lower salary grade or to the same salary grade as that held by the affected employees, no monetary award may be issued.

(2) If, however, such substantially different duties are found to be appropriate to a higher salary grade than that held by the affected employee, the Director of the Governor's Office of Employee Relations shall issue an award of monetary relief, provided that the affected employee has performed work in the out-of-title assignment for a period of one or more days. And, in such event, the amount of such monetary relief shall be the difference between what the affected employee was earning at the time he or she performed such work and what he or she would have earned at that time in the higher salary grade title, but in no event shall such monetary award be retroactive to a date earlier than fifteen (15) calendar days prior to the date of certified mailing of the grievance to the agency, or date filed with the facility or unit head or designee, whichever is later.

(3) In the event a monetary award is issued, the State shall make every effort to pay the affected employee within three (3) bi-weekly payroll periods, after the issuance of such award.

§24.4 Where CSEA alleges that there exists a dispute of fact, CSEA may, within thirty (30) calendar days of the date of the decision, file an appeal with the Director of the Governor's Office of Employee Relations. Such appeal shall include documentation to support the factual allegations. The appeal shall then be forwarded by the Director of the Governor's Office of Employee Relations to the Director of Classification and Compensation for reconsideration. The Director of Classification and Compensation shall

reconsider the matter and shall, within thirty (30) calendar days, forward an opinion to the Director of the Governor's Office of Employee Relations. The latter shall act upon such opinion in accordance with the provisions of Article 24.3(d) and (e) above.

§24.5 Grievances hereunder may be processed only in accordance with this Article and shall not be arbitrable.

§27.1 (a) Available overtime for non-supervisory work shall be distributed on the basis of overtime rosters by title or by groups of titles by work location equitably among qualified employees who normally do such work under the supervisor responsible for assigning the overtime involved. Original placement on overtime rosters shall be based on seniority as defined in the Seniority Article of this Agreement.

(b) Overtime shall first be offered to employees in seniority order from the overtime roster. Refusal of voluntary overtime shall be treated as overtime worked for the purpose of placement on the voluntary overtime roster. If no employee elects to accept the overtime assignment, it shall be assigned on a mandatory basis to employees in reverse order of seniority. Any employee who is passed over on the mandatory overtime roster as a result of his or her not being on duty when mandatory overtime is distributed, shall retain his or her position on the mandatory overtime roster. Nothing contained herein shall limit the development of local or agency labor/management procedures regarding the distribution of overtime.

(c) At CSEA's request, procedures for the establishment, publication, maintenance and operation of overtime rosters, shall be developed at agency or local level labor/management meetings. Local procedures should provide notice to employees of the possibility of a mandatory overtime assignment. When it is known, notice of such overtime shall be given to employees at the beginning of their regular shift.

(d) Claims involving alleged failures to comply with assignment of overtime shall be subject to the Grievance Procedure.

§27.4 For the purpose of earning and payment of overtime compensation,

an absence charged to sick leave accruals during a work- week shall be treated as follows:

(a) when mandatory overtime is worked, a scheduled absence charged to sick leave accruals is time worked;

(b) when mandatory overtime is worked, an unscheduled absence charged to sick leave accruals is time worked;

(c) when voluntary overtime is worked, a scheduled absence charged to sick leave accruals is time worked;

§31.3 The Office of Mental Health and the Office of People with Developmental Disabilities shall form separate subcommittees of their respective agency labor/management committees to address the parties' mutual concerns regarding facility staffing. Each sub-committee shall contain appropriate level representatives from the respective agency, the Governor's Office of Employee Relations and the Division of the Budget.

§31.4 A department or agency head, or appropriate level designee, shall meet with appropriate level CSEA representatives quarterly for the purpose of discussing and attempting to resolve matters of mutual concern, including matters concerning implementation and administration of this Agreement which are department or agency- wide in nature. Written agenda shall be exchanged by the parties no less than five days before the scheduled date of the meeting. At the time of the meeting, additional matters for discussion may be placed on the agenda by mutual agreement. Nothing contained herein shall prevent a department or agency head, or designated representative, and CSEA representatives from meeting more frequently or less frequently than provided herein upon mutual agreement.

§31.5 A facility or institution head, or appropriate level designee, shall

meet with appropriate level local CSEA representatives quarterly for the purpose of discussing and attempting to resolve matters of mutual concern, including matters concerning implementation and administration of this Agreement which are local in nature. Written agenda shall be exchanged by the parties no less than five days before the scheduled date of a meeting. At the time of a meeting, additional matters for discussion may be placed upon the agenda by mutual agreement. Nothing contained herein shall prevent a facility or institution head, or designated representative, and CSEA representatives from meeting more frequently or less frequently than provided herein upon mutual agreement.

§31.6 The results of a labor/management meeting held pursuant to this Article shall not contravene any term or provision of this Agreement or exceed the authority of the management at the level at which the meeting occurs. It is recommended that understandings that result in a local agreement should include a date by which the local agreement is to sunset. Such results shall not be subject to the provisions of Article 34, Grievance and Arbitration.

§31.7 Representatives of the Governor's Office of Employee Relations and CSEA shall provide assistance to facilitate resolution of matters which are the subject of discussion in labor/management meetings held under this Article and which remain unresolved.

Article 32

Workday/Workweek

§32.1 (a) The normal workweek of full-time employees, except in the case of shift operations, and other than those employed on a seasonal or field basis, shall consist of five consecutive working days, Monday through Friday, with two consecutive days off. The normal workday shall commence between 6:00 a.m. and 10:00 a.m.

(b) In the case of shift operations, the normal workday, wherever practicable and consistent with program needs, shall commence as follows: day shift - 6:00 a.m. to 8:00 a.m.; evening shift - 2:00 p.m. to 4:00 p.m.; night shift - 10:00 p.m. to 12:00 midnight. Wherever practicable and consistent with program needs, the normal work-week of full-time employees assigned to shifts shall consist of five consecutive working days followed by two consecutive days off.

§32.2 (a) With written notice to CSEA at the appropriate level, the State shall be able to change the workday, workweek and shifts, established pursuant to Section 32.1 of this Article, with the consent of the employees affected, or in an emergency. Such changes and/or the establishment of new shifts may also be made with advance written notice and consultation with CSEA. This consultation shall occur at the appropriate level and shall include the local CSEA president and/or the recognized CSEA designee for the department or agency involved. Employees affected by the change, except in emergencies, shall be provided with a minimum of 30 days' written notice prior to the effective date of the change.

(b) In the event that the State provides notice of a change to the normal workday or workweek of non-shift employees, individual employees shall have the opportunity to express claim of hardship in writing to the appropriate agency official. Such claim of hardship will be considered by the agency official and shall be responded to in writing with a copy to CSEA prior to the date of the planned change. An employee may be exempted from the shift change at the discretion of the appropriate agency official. However, such exemptions shall not violate the seniority rights provided to another employee by any terms of this Agreement. The decision of the appropriate agency official shall not be grievable.

§32.3 There shall be no rescheduling of days off or tours of duty to avoid the payment of overtime compensation except in a specific case, upon one week's notice, and when necessary to provide for the continuation of State services.

§32.4 The lunch period of State employees shall not be extended for the purpose of increasing the working time of such employees.

§32.5 (a) Breaks in work hours of more than one hour shall not be scheduled in the basic workday of any employee whose position is allocated to SG-22 or below without the consent of the employee affected.

(b) Rest periods shall continue to be administered in accordance with Civil Service Attendance Rule 20.1 as interpreted by the Civil Service Attendance and Leave Manual Section 20.1 dated July 1992.

§32.6 A shift employee who is granted leave for jury duty shall have his or her shift changed, to the extent practicable, to the normal day shift for the duration of jury duty. Such shift change shall not occur more frequently than once every two years.

Article 33

Discipline

§33.1 (a) Eligibility

The following disciplinary procedure for incompetency or misconduct shall apply to all employees as provided herein in lieu of the procedure specified in the Civil Service Law Sections 75 and 76. This entire disciplinary procedure shall apply to all persons currently subject to Sections 75 and 76 of the Civil Service Law and, in addition, shall apply to any permanent non-competitive class employees described in Section 75(1)(c) and to permanent labor class employees who, since last entry into State service, have completed at least one year continuous service in the State classified service, except that approved leaves of absence or reinstatement within one year of resignation shall not constitute an interruption of such service. The disciplinary procedure provided herein is not applicable to review the removal of an employee from a probationary appointment.

§33.1 (b) Definitions

As used in this Article, “days” shall mean calendar days.

“Service” shall be complete upon personal delivery or, if by registered or certified mail, return receipt requested and concurrent first-class mailing, it shall be complete 10 business days from mailing if the concurrent first class mailing is not returned to the appointing authority.

As used in this Article, “appointing authority” shall include the agency that currently employs an employee of this unit and any agency where such employee was formerly employed.

§33.2 Employee Rights

(a) Representation

(1) An employee shall be entitled to representation by CSEA at each step of the disciplinary procedure, or by private counsel selected at his or her own expense.

(2) CSEA representation may include both a grievance representative and the CSEA Local President or, where the Local President is absent from work, his or her designee, and a CSEA staff representative; however, the absence of the two additional representatives shall not unreasonably delay an interrogation and/or the request to sign a statement made pursuant to this section.

(b) Interrogation

(1) The term “interrogation” shall be defined to mean the questioning of an employee who, at the time of such questioning appears to be a likely or potential target or subject for disciplinary action.

(2) If an employee is improperly subjected to an interrogation in violation of the provisions of this subdivision, an arbitrator appointed pursuant to this Article shall have the authority to exclude information obtained thereby or other evidence derived solely through such interrogation. The State shall have the burden of proof to show that, upon the preponderance of the evidence, such evidence sought to be introduced was not derived solely by reason of such interrogation and was obtained independently from the statements or evidence so provided by the employee.

(3) No employee shall be required to submit to an interrogation by a department or agency (a) if the information sought is for use against such employee in a disciplinary proceeding pursuant to this Article, or (b) after a notice of discipline has been served on such employee, or (c) after the employee’s resignation has been requested pursuant to Article 35, unless such employee is notified in advance of the interrogation that he or she has the right to have CSEA representation, as defined in Section 33.2(a)(2) - **Representation** - or private counsel provided at his or her own expense present or to decline such representation and that, if such representation is requested, a reasonable period of time will be afforded for that purpose. If the employee requests representation and the CSEA or employee fails to provide such representation within a reasonable time, the interrogation may proceed. An arbitrator under this Article shall have the power to find that a delay in providing such representation may have been unreasonable.

(c) Recording Devices/Transcripts

No recording devices or stenographic or other record shall be used during an interrogation unless the employee (1) is advised in advance that a transcript is being made, and (2) is offered the right to have CSEA representation, as defined in Section 33.2(a)(2) - **Representation** - or private counsel provided at his or her own expense present. Unless the employee declines such representation, he or she will be given a reasonable period of time to obtain representation. If the employee requests representation and the CSEA or employee fails to provide such

representation within a reasonable time, the interrogation and taking of a record thereof may proceed. An arbitrator under this Article shall have the power to find that a delay in providing such representation may have been unreasonable. A copy of any stenographic record (verbatim transcript) and/or tape recording made pursuant to this provision shall be supplied to the employee.

(d) Signed Statement

(1) No employee shall be requested to sign any statement regarding his or her incompetency or misconduct unless the employee is offered the right to have CSEA representation, as defined in Section 33.2(a)(2) - **Representation** - or private counsel provided at his or her own expense present.

(2) Unless the employee declines such representation he or she will be given a reasonable period of time to obtain such representation. If the employee requests representation and CSEA or the employee fails to provide such representation within a reasonable time, the employee may be requested to sign such a statement. An arbitrator under this Article shall have the power to find that a delay in providing such representation may have been unreasonable. The statement shall be submitted to the employee within a reasonable time after the interrogation. A copy of the statement shall be supplied to the employee at the time the employee is requested to sign the statement. Prior to signing the statement, the employee may make such modifications or deletions in such statement that the employee deems necessary. Any statements or admissions signed by him or her without having been so supplied to him or her may not subsequently be used in any disciplinary proceeding.

(e) Burden of Proof

In all disciplinary proceedings, the employee shall be presumed innocent until proven guilty and the burden of proof on all matters shall rest upon the employer. Such burden of proof, even in serious matters which might constitute a crime, shall be preponderance of the evidence on the record and shall in no case be proof beyond a reasonable doubt.

(f) Coercion/Intimidation

An employee shall not be coerced, intimidated or caused to suffer any reprisals, either directly or indirectly, that may adversely affect his or her hours, wages or working conditions as the result of the exercise of his or

her rights under this Article.

§33.3 Disciplinary Procedure

(a) Notice of Discipline

(1) Where the appointing authority or the appointing authority's designee seeks the imposition of a written reprimand, suspension without pay, a fine not to exceed two weeks' pay, loss of accrued leave credits, reduction in grade, or dismissal from service, notice of such discipline shall be made in writing and served upon the employee. Discipline shall be imposed only for incompetency or misconduct. The specific acts for which discipline is being imposed and the penalty proposed shall be specified in the notice. The notice of discipline shall contain a detailed description of the alleged acts and conduct including reference to dates, times and places.

(2) If the arbitrator appointed pursuant to this Article finds, upon motion before the commencement of the arbitration, that the notice does not sufficiently apprise the employee of the acts or conduct for which discipline is being imposed, he or she may require that, where the employer has either refused to provide such specificity where the information sought was available or the charges are so vague and indefinite that the employee cannot reasonably respond, the State provide more specificity within thirty (30) days of the ruling. The arbitrator shall proceed immediately with the arbitration hearing on those charges in the notice of discipline where no specificity is required. If the State does not provide such specificity as required by the arbitrator within thirty (30) days, the arbitrator shall dismiss those non-specific charges only, with prejudice, and resolve the remaining charges, if any, contained in the notice. In order for such a motion to be made at the hearing, the employee or his or her representative must have made a request of the employer before the hearing to provide such specificity of the notice and the employer must have failed to do so.

(3) Two copies of the notice shall be served on the employee. Service of the notice of discipline shall be made by personal service, if possible. If service cannot be effectuated by personal service, it shall be made by registered or certified mail, return receipt requested and concurrent first-class mailing.

(4) The Arbitration Administrator of CSEA and the CSEA Local President shall be immediately advised by email, where available, and by regular first-class mail, of the name and work site of an employee on whom a notice of discipline has been served.

(5) The notice of discipline served on the employee shall be accompanied by a written statement that:

- the employee has a right to object by filing a grievance within twenty-one (21) days;
- the grievance procedure provides for a hearing by an independent arbitrator as its final step;
- he or she is entitled to representation by CSEA at every step of the proceeding, or by private counsel selected at his or her own expense;
- if a grievance is filed, no penalty can be implemented until the matter is settled or the arbitrator renders a determination;
- a copy of this Article shall be supplied.

(6) In the case of an employee who speaks only Spanish, this written statement shall also be given in a Spanish translation.

(7) If an employee is not able to personally sign and file a disciplinary grievance, CSEA may, at the employee's request, submit such grievance on the employee's behalf. Provided, however, that within twenty-one (21) days of submission, the employee in question must appear to sign the grievance form or CSEA must produce documentation supporting any reason as to why the employee could not appear. Should neither of these actions occur, the grievance shall be deemed void after twenty-one (21) days.

(b) Statute of Limitations

(1) An employee shall not be disciplined for acts, except those which would constitute a crime, which occurred more than one (1) year prior to the notice of discipline.

(2) In those cases where such acts are alleged to constitute a crime, a notice of discipline must be served no later than the period set forth for the commencement of a criminal proceeding against a public employee in the Criminal Procedure Law of the State of New York.

(c) Service of Notice of Discipline

(1) A notice of discipline shall be served in accordance with this section no later than fourteen (14) days following any suspension without pay or temporary reassignment.

(2) The appointing authority or his or her designee, at his or her discretion, may suspend without pay or temporarily reassign an employee charged with the commission of a crime. Within thirty (30) calendar days

following a suspension, a notice of discipline shall be served on such employee or such employee shall be reinstated with back pay. Where the employee, who is charged with the commission of a crime, is temporarily reassigned, the notice of discipline shall be served on such employee within fourteen (14) days after the disposition of the criminal charges as provided in the Criminal Procedure Law of the State of New York or the employee shall be returned to his or her regular assignment. Nothing in this paragraph shall limit the right of the appointing authority or his or her designee from taking disciplinary action while criminal proceedings are pending. Nothing in this paragraph shall preclude the application of the provisions in Article 33.3(h) sections 9 thru 11.

(d) Penalty

(1) The penalty proposed by the appointing authority or the appointing authority's designee may not be implemented until (a) the employee fails to file a grievance within twenty-one (21) calendar days of the service of the notice of discipline, or (b) having filed a grievance, the employee elects not to pursue it, or (c) the penalty is upheld by the disciplinary arbitrator or a different penalty is determined by the arbitrator to be appropriate, or (d) the matter is settled.

(2) At any time during the disciplinary procedure after a timely grievance has been filed, the employee may elect in writing to the appointing authority or his or her designee, the agency or department head or his or her designee, or the Panel Administrator that he or she elects not to pursue the grievance. In such event, the proposed penalty may be implemented.

(e) Grievance

(1) If not settled or otherwise resolved, the notice of discipline may be the subject of a grievance before the department or agency head and shall be filed either in person or by email where available and by first-class mail, by the employee or CSEA within twenty-one (21)-calendar days of service of the notice of discipline.

(2) The timely filing of such a grievance shall constitute a demand for arbitration unless the grievance is settled or the employee elects not to pursue it.

(3) The filing of such a grievance shall be complete on (a) the date on which it is personally delivered or emailed or, (b) the date of mailing by

first-class mail. The date of first-class mailing shall be the date the stamp is cancelled on the mailing envelope. No other documentation or evidence of the date of such mailing will be acceptable.

(f) Expedited Resolution

(1) If a notice of discipline has been grieved by the employee or CSEA pursuant to Section 33.3(e), the employee must utilize the Expedited Resolution procedure in this section unless the employee has elected to be represented by private counsel. An employee represented by private counsel shall utilize the Disciplinary Arbitration process set forth in Article 33.4.

(2) During the Expedited Resolution process, the employee shall be represented by CSEA and the State shall be represented by the agency or a designee thereof. Each party may have a maximum of two (2) representatives present at any Expedited Resolution meeting or expedited arbitration, exclusive of the employee.

(3) The Expedited Resolution procedure shall commence with a mandatory meeting to be conducted by an arbitrator. Arbitrators will be jointly selected by CSEA and the State for each of CSEA's six (6) regions to conduct all such meetings and, if necessary, all subsequent one (1) day expedited arbitrations. All fees and expenses for the arbitrators will be divided equally between CSEA and the State. CSEA and the State will determine the number of Expedited Resolution meeting days per month, which will be detailed in the arbitrator's contract. Additional Expedited Resolution meeting days may be scheduled as needed. Except in unusual circumstances, a maximum of six (6) cases will be scheduled for each Expedited Resolution meeting day. The Panel Administrator will schedule all cases and issue notifications regarding the Expedited Resolution meetings, including the date, time and location.

(4) The parties shall provide copies of all relevant documents to the opposing party at least two weeks prior to the Expedited Resolution meeting. At that meeting, all efforts will be made to reach a satisfactory resolution of the matter. The arbitrator will serve as a mediator to facilitate a discussion of the issue(s) and the pursuit of an acceptable resolution. If necessary, the arbitrator may choose to hear testimony and review formal evidence.

(5) The arbitrator shall have the right to decide, in order to facilitate

resolution of the matter and based on the information presented by the parties at the Expedited Resolution meeting, whether there needs to be a second settlement meeting to review additional information or documentation, or to hear from additional witnesses. Before the initial meeting is concluded, the parties shall agree as to whether the matter will be scheduled for a second meeting.

(6) In those cases where the appointing authority is not seeking the employee's termination, if the matter is not settled at the Expedited Resolution meeting and the arbitrator believes that no additional information, documentation or witness testimony is necessary, the arbitrator shall issue a short, written decision and award no later than seven (7) calendar days following the meeting.

(7) If the matter still cannot be settled or decided by the arbitrator without either additional evidence or testimony, the arbitrator may conduct a one (1) day expedited arbitration hearing. Before the Expedited Resolution settlement meeting is concluded, the parties and the arbitrator shall agree on the issue and the witnesses to be presented at the expedited arbitration. After the conclusion of the expedited arbitration, the arbitrator shall issue a short, written decision and award within fourteen (14) calendar days.

(8) In those cases where the appointing authority is seeking the employee's termination and the matter is not settled at the Expedited Resolution meeting, the employee may request a one (1) day expedited arbitration hearing to be held before the same arbitrator or, in the alternative, the employee may request arbitration pursuant to Section 33.4 - Disciplinary Arbitration and the arbitrator shall so inform the Panel Administrator, who shall schedule the case for arbitration pursuant to Section 33.4. If the employee is also suspended or temporarily reassigned pursuant to Article 33.3(h), the Panel Administrator shall give the case priority in assignment and shall forthwith set the matter down for hearing to be held within thirty (30) days.

(9) Should the arbitrator believe that a disciplinary matter cannot be presented at an expedited arbitration within one (1) day, the arbitrator shall have the authority to refer the case back to the Panel Administrator for arbitration pursuant to Section 33.4.

(g) Withdrawal/Amendment

The agency or department head or his or her designee has full authority, at any time before or after the notice of discipline is served by an appointing authority or his or her designee, to review such notice and the proposed penalty and to take such action as he or she deems appropriate under the circumstances in accordance with this Article including, but not limited to, determining whether a notice should be issued, amendment of the notice no later than 15 days prior to first Expedited Resolution Meeting or 15 days prior to the disciplinary arbitration hearing provided for in Section 33.4 – Disciplinary Arbitration – of this Article withdrawal of the notice or a reduction in the proposed penalty. Amendment of the notice after 15 days prior to the first Expedited Resolution meeting or after 15 days prior to the disciplinary arbitration hearing provided for in Section 33.4, or withdrawal of the notice, are subject to the following:

- where amended, the employee is entitled to an adjournment where requested by the employee, or his or her representative;
- in the instance where an employee is suspended without pay or temporarily reassigned pursuant to Section 33.3(h)(1) - **Suspension Without Pay** - the withdrawal of a notice of discipline shall cause the employee to be retroactively reinstated with back pay, if suspended, or returned to his or her original assignment, if temporarily reassigned, upon such withdrawal. The amendment of the notice of discipline in such instances shall end such suspension or temporary reassignment as of the date of such amendment. However, the disciplinary arbitrator shall determine whether there was a probable cause for suspension in accordance with Section 33.3(h)(1) - **Suspension Without Pay** - and, where in issue whether the amendment is, in fact, a withdrawal of the initial notice of discipline and entitled to be treated as such pursuant to this section;
- in all instances where an employee is suspended without pay or temporarily reassigned pursuant to Sections 33.3(h) - **Suspension Without Pay or Temporary Reassignment** - and the notice of discipline is amended or withdrawn pursuant to this provision, such an employee may not be again suspended or temporarily reassigned solely upon those same facts alleged to constitute incompetency or

misconduct in the notice of discipline which has been withdrawn or amended;

- where a notice of discipline is withdrawn pursuant to this section, said notice must be reinstated pursuant to Section 33.3(a) - **Notice of Discipline** - no later than thirty (30) days from the time of the withdrawal of the notice of discipline or such withdrawal will be with prejudice to the reinstatement of the notice of discipline;
- in those instances where there is an amendment of the notice of discipline after 15 days prior to the first Expedited Resolution meeting, or 15 days prior to the disciplinary arbitration hearing provided for in Section 33.4, or a withdrawal of the notice of discipline and an arbitrator has been appointed pursuant to Section 33.4(b)(1) - **Disciplinary Arbitrators**, any hearing on the amended or reinstated charges shall be held before the arbitrator initially appointed unless that arbitrator is not available within a reasonable time and the parties jointly agree to the selection of a new arbitrator pursuant to Section 33.4(b)(1) - **Disciplinary Arbitrators**.

(h) Suspension Without Pay or Temporary Reassignment

(1) Prior to exhaustion or institution by an employee of the grievance procedure applicable to discipline, an employee may be suspended without pay or temporarily reassigned only if the appointing authority determines that there is probable cause to believe that the employee's continued presence on the job represents a potential danger to persons or property or would severely interfere with operations. Such determination shall be reviewable by the arbitrator in accordance with this section to determine whether the appointing authority had probable cause. The Arbitration Administrator of CSEA and the CSEA Local President shall be notified in writing by email and first-class mail, within four (4) calendar days of any such suspension.

(2) Where the employee has been suspended without pay or temporarily reassigned, the Panel Administrator shall give the case priority in assignment and shall forthwith set the matter down for hearing.

(3) In the event of a failure to serve a notice of discipline within the time established in Section 33.3 (c) – **Service of Notice of Discipline**, the employee shall be deemed to have been suspended without pay as of the date of service of the notice of discipline or, in the event of a temporary

reassignment, may return to his or her actual assignment until such notice is served. In the event of failure to notify the Arbitration Administrator of CSEA of the suspension within four (4) calendar days, the employee shall be deemed to have been suspended without pay as of the date the notice is sent to the Arbitration Administrator of CSEA.

(4) In the case of any suspension without pay, the employee may be allowed to draw from accrued annual or personal leave credits, holiday leave or compensatory leave which shall be reinstated in the event that, in accordance with this Article, the suspension is deemed improper or the employee is found innocent of all allegations contained in the notice of discipline. The use of such credits shall be at the option of the employee. Such use of leave credits during suspension will not be available if the employee is offered a reassignment and declines.

(5) When an employee is suspended without pay or temporarily reassigned pursuant to this section, the disciplinary arbitrator shall, upon the request of the employee at the close of the State's case, issue an interim decision and award with respect to the issue of whether there was probable cause for the suspension without pay or the temporary reassignment. Should the arbitrator find in the interim decision that probable cause did exist, the arbitrator is not precluded from reconsidering the issue of probable cause after the hearing is closed.

(6) In those cases which involve a suspension without pay pursuant to this section, when the disciplinary arbitrator finds the employee innocent of all allegations contained in the notice of discipline and also finds probable cause for such suspension, he or she shall reinstate the employee with back pay for all of the period of the suspension without pay.

(7) In the event an employee is found innocent of all allegations contained in the notice of discipline as a result of a disciplinary proceeding, he or she must be reinstated to the exact shift, work location and pass days that the employee possessed prior to the institution of the disciplinary charges against said employee and prior to any temporary reassignment imposed pursuant to this Article. In all instances where a disciplinary arbitrator reinstates an employee who is found innocent of all allegations contained in the notice of discipline, and the appointing authority later seeks to change the shift, work location or pass days of said employee, the appointing authority must notify the employee in writing of the reason

therefore without prejudice. Such action by the appointing authority shall be grievable under the Article 34 contract grievance procedure, and all such grievances shall be commenced at Step 3 of said contractual grievance procedure.

(8) During a period of suspension without pay pursuant to the provisions of Article 33.3(h)(1) or 33.3(c)(2), the State shall continue to pay its share of the cost of the employee's health coverage under Article 9 which was in effect on the day prior to the suspension provided that the suspended employee pays his or her share. Also, any employee suspended pursuant to the provisions of Article 33.3(h)(1) or 33.3(c)(2) shall be counted for the purpose of calculating the amount of any periodic deposit to the Employee Benefit Fund.

(9) Where the appointing authority informs an employee that he or she is being temporarily reassigned pursuant to this Article, and prior to exhaustion or institution of the disciplinary grievance procedure, the employee shall be notified in writing of the location of such temporary reassignment and that the employee may elect in writing to refuse such temporary reassignment and be suspended without pay. Such election must be made in writing before the commencement of the temporary reassignment. An election by the employee to be placed on a suspension without pay is final and may not thereafter be withdrawn. Once the employee commences the temporary reassignment, no election is permitted.

(10) Temporary reassignments under this section shall not involve a change in the employee's rate of pay. The provisions of Article 24, **Out-of-Title Work**, shall not apply to temporary reassignments under this section.

(11) The fact that the State has temporarily reassigned an employee rather than suspending him or her without pay or the election by an employee to be suspended without pay rather than be temporarily reassigned shall not be considered by the disciplinary arbitrator for any purpose.

§33.4 Disciplinary Arbitration

(a) Purpose

(1) The purpose of this Section is to provide for final and binding arbitration in cases where the State has served a notice of discipline upon

an employee seeking the employee's termination and: a) the employee has elected to proceed under this section; b) where the arbitrator in the Expedited Resolution process has remanded the matter to this section because the matter cannot be heard within one (1) day; or c) where the employee has elected to be represented by private legal counsel. This Section shall not apply to Section 33.5 - Time and Attendance Disciplinary Grievances.

(2) In matters under this Section, the fact that the employee's grievance was initially discussed in the Expedited Resolution meeting shall not preclude the employee from electing to proceed to arbitration pursuant to this section.

(b) Disciplinary Arbitrators

(1) The State and CSEA jointly agree to the creation of a permanent panel of arbitrators to serve during the term of this Agreement and to be jointly selected and administered by the State of New York and CSEA by an agreed Panel Administrator. The composition of the panel of arbitrators may be changed by mutual agreement of the State and CSEA. In those cases involving an allegation of patient, client, resident or similar abuse, the Panel Administrator of the panel of disciplinary arbitrators must appoint the disciplinary arbitrator from a select panel of arbitrators jointly agreed to by the State and CSEA. Disciplinary arbitrators on the select panel shall receive special training regarding patient abuse and the disciplinary process. The special training shall be jointly sponsored by the State and CSEA.

(2) All fees and expenses of the arbitrator, if any, shall be divided equally between the appointing authority and CSEA, or the employee if not represented by CSEA. Each party shall bear the cost of preparing and presenting its own case. The estimated arbitrator's fees and estimated expenses may be collected in advance of the hearing. Where the arbitrator requires that his or her estimated fees and expenses be collected in advance of the hearing from an employee who elects not to be represented by CSEA, and the employee fails to tender such advance as required, the grievance shall be deemed withdrawn.

(c) Hearing

(1) The disciplinary arbitrator shall hold a hearing within twenty-one (21) calendar days after selection. A decision shall be rendered within

seven (7) calendar days of the close of the hearing or within seven (7) calendar days after receipt of the transcript, if either party elects a transcript as provided in this Article, or within such other period of time as may have been mutually agreed to by the department or agency and the grievant or his or her representative.

(2) Arbitrations, pursuant to this Article, shall be held at an appropriate location at the employee's facility.

(3) Protection of Patient or Client Witnesses

(i) A patient or client witness will be protected, when giving testimony in a disciplinary arbitration hearing, by shielding the employee from view, in one of the following ways:

use of a portable screen or partition consisting of one-way glass; or
use of a closed circuit television in a live transmission with the employee in a separate room and the arbitrator, the representatives and the witness(es) in another room; or

use of a one-way mirrored room with the employee in a separate room with the ability to view and hear the proceedings.

A patient or client witness will be shielded in one of the described ways when a certified or licensed professional determines that there is a need for such protection for the patient or client witness. A determination that there is a need for such protection is not subject to review.

(ii) Additionally, where the employee is in a separate room during the arbitration hearing, a method of communication will be provided for the employee to communicate with his or her representative.

(d) Recording/Transcript

(1) Unless both parties agree, the proceedings in disciplinary arbitrations should not be tape recorded. The use of transcripts is to be discouraged and the fact that a transcript is made should not extend the date the hearing is closed. The party ordering the transcript shall obtain and pay for an expedited or rush transcript.

(2) Either party wishing a transcript at a disciplinary arbitration hearing may provide for one at its own expense and shall provide a copy to the arbitrator and the other party.

(e) Ex Parte Hearing

The arbitrator may hold ex parte hearings in cases where an employee fails to attend the hearing after being served with a notice of discipline

pursuant to this Article, and has not notified the arbitrator in advance or produced a satisfactory reason for his or her failure to appear.

(f) Settlement

(1) A disciplinary matter may be settled at any time following service of the notice of discipline. The terms of the settlement shall be agreed to in writing. An employee before executing such a settlement shall be notified of his or her right to have a CSEA representative or private counsel provided at his or her own expense present or to decline such representation and, if such representation is requested, to have a reasonable period of time for that purpose. If the employee requests representation and the CSEA or employee fails to provide a representative within a reasonable time, the settlement may be executed. An arbitrator pursuant to Article 34 shall have the power to find that a delay in providing a representative may have been unreasonable. A settlement entered into by the employee, his or her private counsel or CSEA shall be final and binding on all parties. The Arbitration Administrator of CSEA and the CSEA Local President shall be advised of the settlement in writing by first-class mail or email.

(2) Offers of compromise or any attempt at settlement prior to the arbitration, shall not be introduced at the arbitration hearing or accepted as evidence by the arbitrator.

(g) Arbitrator's Authority

(1) Disciplinary arbitrators shall render determinations of guilt or innocence and the appropriateness of proposed penalties and shall have the authority to resolve a claimed failure to follow the procedural provisions of this Article including, but not limited to, the timeliness of the filing of the disciplinary grievance, and whether the notice of discipline was properly served in accordance with this Article.

(2) Disciplinary arbitrators shall neither add to, subtract from or modify the provisions of this Agreement.

(3) The disciplinary arbitrator's decision with respect to guilt or innocence, penalty, probable cause for suspension or temporary reassignment, if any, and a claimed failure to follow the procedural provisions of this Article shall be final and binding upon the parties.

(4) The disciplinary arbitrator may approve, disapprove or take any other appropriate action warranted under the circumstances, including, but not limited to, ordering reinstatement and back pay for all or part of any

period of suspension without pay. If the arbitrator upon review finds probable cause for suspension without pay, he or she may consider such suspension in determining the penalty to be imposed.

(5) The disciplinary arbitrator is not restricted by the contractual limits on penalties which may be proposed by the State. He or she has full authority, if the remedy proposed by the State is found to be inappropriate, to devise an appropriate remedy, but shall not increase the penalty sought by the State except that the arbitrator may direct referral to a rehabilitative program in addition to the penalty.

(6) The employee's entire record of employment may be considered with respect to the appropriateness of the penalty to be imposed, if any.

(7) This disciplinary procedure is not the proper forum for the review of counseling memoranda or unsatisfactory performance evaluations.

(h) Back Pay Award

Where an employee is awarded back pay, the amount to be reimbursed shall not be offset by any wages earned by the employee during the period of his or her suspension. Where an employee is awarded back pay, said award shall be deemed to include retroactive reimbursement of all other benefits, including the accrual of leave credits and holiday leave.

§33.5 Time and Attendance Disciplinary Grievances

(a) All notices of discipline based solely on time and attendance, including tardiness, which have not been settled or otherwise resolved, shall be reviewed by a permanent umpire in accordance with the attached schedule except as otherwise provided in paragraph (g) below.

(b) The determinations of the permanent umpire shall be confined to the guilt or innocence of the grievant and the appropriateness of the proposed penalty. The employee's entire record of employment may be considered by the permanent umpire with respect to the appropriateness of the penalty to be imposed. The permanent umpire shall have the authority to resolve a claimed failure to follow the procedural provisions of this Article.

(c) The decision and award of the permanent umpire, with respect to guilt or innocence and penalty, if any, shall be final and binding on the parties and not subject to appeal to any other forum except that, in the case of a decision and award of the permanent umpire which results in a penalty of dismissal from service, the decision and award may be reviewed in

accordance with Article 75 of the CPLR. The permanent umpire shall, upon a finding of guilt, have full authority to uphold the penalty proposed in the notice of discipline or to impose a lesser penalty within the minimum and maximum penalties as contained in the attached schedule and appropriate to that notice of discipline. In appropriate cases and in addition to the penalty imposed, the permanent umpire may direct the grievant to attend counseling sessions or other appropriate programs jointly agreed upon by the State and CSEA.

(d) Within one (1) month of the execution of this Agreement, the State and CSEA shall mutually select a panel of two or more permanent umpires who shall serve for the term of this Agreement, and shall be jointly administered by the State and CSEA. All fees and expenses of the permanent umpires shall be divided equally between the State and CSEA.

(e) Unless the State and CSEA mutually agree otherwise, the permanent umpires shall be available to hold reviews at least once each month on a regularly scheduled basis. At such times, the permanent umpires shall review and finally determine all time and attendance disciplinary grievances which have been pending no less than ten (10) days prior to the permanent umpire's scheduled appearance, and are unresolved in accordance with paragraph (a) above.

(f) An employee is entitled to appear at the review before a permanent umpire and is entitled to have a CSEA representative or an attorney provided at his or her own expense present. Matters scheduled to be heard by the permanent umpire may not be adjourned except at the discretion of the permanent umpire for good cause shown. Any matters which are adjourned shall be rescheduled for the next regularly scheduled appearance of the permanent umpire.

(g) Where an employee is to be served a notice of discipline related solely to time and attendance and, within three years of such notice, has been found guilty of or settled (or a combination of both) two prior notices of discipline not solely related to time and attendance, the appointing authority may elect either to pursue such time and attendance notice before the permanent umpire in accordance with the attached Schedule or to service a notice of discipline and proceed before a disciplinary arbitrator. This paragraph shall not apply to notices of discipline based solely on tardiness.

For the purposes of the Time and Attendance Schedule only, “prior record” shall mean any notice of discipline based solely on time and attendance where either guilt was found or a settlement occurred or a combination of both occurred. However, for all notices of discipline based solely upon time and attendance issued on or after July 1, 1992, the “prior record” shall not include any notices of discipline based solely upon time and attendance that are three or more years old if the employee has not been served a notice of discipline based solely upon time and attendance within the three years from the date of the resolution of the last notice of discipline based solely upon time and attendance.

Notices of discipline based solely on tardiness shall proceed on the tardiness schedule only and shall not be considered as a prior record for any other offense.

The penalty level for notices of discipline which contain charges of both tardiness and unauthorized absence shall be the appropriate level within the type of unauthorized absence charge.

(h) As used in this Article, “time and attendance disciplinary grievances” shall mean those disciplinary grievances based upon notices of discipline which specify tardiness, or unauthorized absence, including improper use of sick leave, and do not contain any other allegations of misconduct or incompetence.

§33.6 Administration

The State and CSEA may jointly administer the arbitration procedure and panels for the purpose of this Article. The State shall seek an appropriation in the amount indicated in each year of the 2016-2021 Agreement: \$404,320 in 2016-2017, \$412,406 in 2017-2018, \$420,654 in 2018-2019, \$429,067 in 2019-2020 \$437,649 in 2020-2021 to be used for the self-administration of the panels and procedure, the time and attendance procedure, research for and training of the panels in the area of patient abuse, and publication of arbitration decisions. The unexpended portion of each year's appropriation shall be carried over into the succeeding year and added to the appropriation for the succeeding year.

Article 34

Grievance and Arbitration Procedure

§34.1 Definition of Grievance

(a) A contract grievance is a dispute concerning the interpretation, application or claimed violation of a specific term or provision of this Agreement. Other disputes which do not involve the interpretation, application, or claimed violation of a specific term or provision of this Agreement including matters as to which other means of resolution are provided or foreclosed by this Agreement, or by statute or administrative procedures applicable to the State, shall not be considered contract grievances. A contract grievance does not include matters involving the interpretation, application or claimed violation of an agreement reached pursuant to any previously authorized departmental negotiations.

(b) Any other dispute or grievance concerning a term or condition of employment which may arise between the parties or which may arise out of an action within the scope of authority of a department or agency head and which is not covered by this Agreement shall be processed up to and including Step 3 of the grievance procedure except those issues for which there is a review procedure established by law or pursuant to rules or regulations filed with the Secretary of State.

§34.2 Requirements for Filing Contract Grievances

(a) A contract grievance shall be submitted, in writing, on forms to be provided by the State.

(b) Each contract grievance shall identify the specific provision of the Agreement alleged to have been violated and shall contain a short, plain statement of the grievance, the facts surrounding it, and the remedy sought.

(c) CSEA shall have the right to initiate a grievance at Step 1 which involves more than one employee at that facility or institution. Such grievance shall contain a general description of the employees involved including, if possible, the name of such employees, title and work location.

(d) Upon agreement of the State and CSEA, CSEA shall have the right to initiate at Step 2 a grievance involving employees at more than one facility of a department or agency. CSEA shall also have the right, upon agreement with the State, to initiate at Step 3 a grievance involving employees at more than one department or agency.

(e) The State shall initiate contract grievances against CSEA at Step 4.

§34.3 Representation

CSEA shall have the exclusive right to represent any employee, upon the employee's request, at any step of the grievance procedure; provided, however, an individual employee may represent himself or herself in processing his or her grievance at Steps 1 and 2.

§34.4 Grievance Steps

Prior to initiating a formal written grievance pursuant to this Article, an employee or CSEA is encouraged to resolve disputes subject to this Article informally with the appropriate immediate supervisor.

(a) Step One. The employee or CSEA shall present the grievance to the facility or institution head or his or her designated representative not later than thirty (30) calendar days after the date on which the act or omission giving rise to the grievance occurred. The facility or institution head or designated representative shall meet with the employee or CSEA and shall issue a short, plain written statement of reasons for its decision to the employee or CSEA not later than twenty (20) working days following the receipt of the grievance.

(b) Step Two. An appeal from an unsatisfactory decision at Step 1 shall be filed by the employee or CSEA, on forms to be provided by the State, with the agency or department head or designated representative within ten (10) working days of the receipt of the Step 1 decision. Such appeal shall be in writing and shall include a copy of the grievance filed at Step 1, a copy of the Step 1 decision and a short, plain written statement of the reasons for disagreement with the Step 1 decision. The agency or department head or designated representative shall meet with the employee or CSEA for a review of the grievance and shall issue a short, plain written statement of reasons for its decision to the employee or CSEA, as appropriate, no later than twenty (20) working days following receipt of the Step 1 appeal.

(c) Step Three*. An appeal from an unsatisfactory decision at Step 2 shall be filed by CSEA through its Director of Contract Administration or his or her designee, on forms to be provided by the State with the Director

*CSEA, if it requests a meeting in its Step 3 appeal of a grievance filed under Article 34.1(b), shall be entitled to meet with the Director of the Governor's Office of Employee Relations, or the Director's designee, before a decision is issued.

of the Governor's Office of Employee Relations, or designated representative, within fifteen (15) working days of the receipt of the Step 2 decision. Such appeal shall be in writing, and shall include a copy of the grievance filed at Step 1, and a copy of all prior decisions and appeals, and a short, plain written statement of the reasons for disagreement with the Step 2 decision.

Within 30 calendar days of the filing of the appeal to Step 3, a grievance may be amended to specify a different term or provision of the Agreement alleged to have been violated other than specified at the submission at Step 1. Such amendment shall be included in the Step 3 appeal letter along with a short, plain statement noting the new term or provision of the Agreement alleged to have been violated. No other amendment(s) to the grievance shall be permitted except with consent of the State.

The Director of the Governor's Office of Employee Relations, or the Director's designee, shall issue a short, plain written statement of reasons for his or her decision within thirty (30) working days after the conclusion of the 30-day amendment period or receipt of the Step 3 appeal letter, whichever is earlier. A copy of said written decision shall be forwarded to the Director of Contract Administration of CSEA, or his or her designee.

(d) Step Four. Arbitration

(1) Contract grievances which are appealable to arbitration pursuant to the terms of this Article may be appealed to arbitration by CSEA by the Director of Contract Administration or his or her designee, by filing a demand for arbitration upon the Director of the Governor's Office of Employee Relations within fifteen (15) working days of the receipt of the Step 3 decision.

(2) The demand for arbitration shall identify the grievance, the department or agency involved, the employee or employees involved, and the specific term or provision of the Agreement alleged to have been violated.

All contract grievances appealed to arbitration shall be heard by a single Master Arbitrator, who shall be mutually selected by the parties. All such grievances shall be heard and reviewed by the Master Arbitrator during the Triage phase of Step 4. At the Triage phase, the parties shall be represented by staff and/or counsel, and shall present all relevant information, documents and argument to the Master Arbitrator.

(3) The Master Arbitrator shall have complete authority at the Triage phase of Step 4 to sustain or deny the grievance, or to suggest and accomplish resolution of the grievance. If the Master Arbitrator determines that an evidentiary hearing is necessary, the grievance shall be scheduled for expedited arbitration before the Master Arbitrator for the next available hearing date. The Master Arbitrator shall discuss with the parties the specific issue to be arbitrated, and the specific witnesses who shall testify at the expedited arbitration. The Master Arbitrator shall have the authority to preclude witnesses he/she determines to be non-essential to the issue(s) before him/her.

(4) The parties may provide legal counsel at the expedited arbitration. All relevant facts and documents shall be stipulated to at the expedited arbitration, and witnesses may be presented upon the approval of the Master Arbitrator. Except in exceptional cases, there will be no written briefs filed; verbal closing statements will be allowed. The Master Arbitrator shall take notice of all relevant prior arbitration decisions. The Master Arbitrator shall render a written Award no later than thirty (30) days after the close of the hearing.

(5) Upon mutual agreement by CSEA and the State, and with the consent of the Master Arbitrator, certain grievances shall be heard before the Master Arbitrator in a traditional arbitration setting, allowing a full range of witnesses and the submission of written briefs. In exceptional cases, at the request of the Master Arbitrator, an outside ad hoc arbitrator may be employed to hear and determine a specific grievance or issue, as agreed upon by the parties.

(6) The Master Arbitrator shall have full authority to resolve all procedural and substantive contractual issues at either the Triage phase or the Expedited Arbitration phase of Step 4, but shall have no power to add to, subtract from or modify the terms or provisions of this Agreement. The Master Arbitrator shall confine his Award solely to the application and/or interpretation of this Agreement. All Awards of the Master Arbitrator, both at the Triage phase and at the Expedited Arbitration phase, shall be final and binding consistent with the provisions of CPLR Article 75.

(7) The Master Arbitrator shall be available for a specified number of days in each month to review and resolve grievances and to study and issue Awards, as agreed upon by the parties. All fees and expenses of the Master

Arbitrator shall be divided equally between the parties. The parties agree that the Master Arbitrator shall be paid the customary fees for such arbitration services.

§34.5 Procedures Applicable to Grievance Steps

(a) Steps 1 and 2 shall be informal and the grievant and/or CSEA shall meet with the appropriate step representative for the purpose of discussing the grievance.

(b) No transcript is required at any step. However, either party may request that the review at Step 2 only be tape recorded at its expense and shall provide a copy of such tape recording to the other party.

(c) Step 3 is intended primarily to be a review of the existing grievance file; provided, however, that additional exhibits and evidence may be submitted in writing.

(d) Any meeting required by this Article may be mutually waived.

(e) All of the time limits contained in this Article may be extended by mutual agreement. Extensions shall be confirmed in writing by the party requesting them. Upon the failure of the State, or its representatives, to provide a decision within the time limits provided in this Article, the grievant or CSEA may appeal to the next step. Upon failure of the grievant, or the grievant's representative, to file an appeal within the time limits provided in this Article, the grievance shall be deemed withdrawn.

(f) A settlement of or an award upon a contract grievance may or may not be retroactive as the equities of each case demand, but in no event shall such a resolution be retroactive to a date earlier than thirty (30) days prior to the date the contract grievance was first presented in accordance with this Article, or the date the contract grievance occurred, whichever is the later date.

(g) A settlement of a contract grievance at Steps 1 through 3 shall constitute precedent in other and future cases only if the Director of the Governor's Office of Employee Relations and the President of CSEA agree, in writing, that such settlement shall have such effect.

(h) The State shall supply in writing, with each copy of each step response, the name and address of the person to whom any appeal must be sent, and a statement of the applicable time limits for filing such an appeal.

(i) All contract grievances, appeals, responses and demands for arbitration shall be submitted by registered or certified mail, return receipt

requested, or by personal service. All time limits set forth in this Article shall be measured from the date of receipt. Where service is by registered or certified mail, the date of the receipt shall be that date appearing on the return receipt; provided, however, that the time limits for the submission of a grievance or the filing of an appeal or demand for arbitration or issuance of a step response shall be determined from the date of personal service or date of mailing by certified or registered mail, return receipt requested.

(j) Working days shall mean Monday through Friday, excluding holidays, unless otherwise specified, and days shall mean calendar days. **

The State shall prepare, secure introduction and recommend passage by the Legislature of such legislation as may be appropriate and necessary to establish a special appropriation fund to be administered by the Office of the State Comptroller to provide for prompt payment of settlements reached or arbitration awards issued pursuant to this Article.

(k) In the event that CSEA alleges that the favorable resolution of a grievance has not been implemented in a reasonable period of time or that the State has reneged on the terms of the resolution, CSEA may resort to the procedure contained in the Article 34.1(b) which shall, for purposes of this subsection, begin at Step 2.

(l) A claimed failure to follow the procedural provisions of Article 33 - **DISCIPLINE** - shall be reviewable in accordance with the provisions contained in that Article.

Article 35

(c) in the event a notice of discipline is served, he or she has the right to object to such notice by filing a grievance;

(d) such disciplinary grievance procedure terminates in binding arbitration;

(e) he or she would have the right to representation by CSEA or by private counsel selected at his or her own expense at every step of the procedure; and

(f) he or she has the right to refuse to sign the resignation and his or her refusal in this regard cannot be used against him or her in any subsequent proceeding.

§35.2 A resignation which is requested and secured in a manner which fails to comply with this procedure shall be null and void.

Article 36

Job Abandonment

(a) Any employee absent from work without authorization for 14 consecutive calendar days shall be deemed to have resigned from his or her position if the employee has not personally contacted his or her facility or agency personnel office on or before the 15th calendar day following the commencement of such period of absence without authorization.

(b) Within the first seven days of said absence without authorization, the appointing authority shall send notification to the employee and the CSEA Local President by certified mail, return receipt requested, that the employee's absence is considered unauthorized and would be deemed to constitute resignation pursuant to Article 36.

(c) Within 15 calendar days commencing from the 15th consecutive day of absence from work without authorization, an employee may submit an explanation concerning his or her absence, to the appointing authority. The burden of proof shall be upon the employee to establish that it was not

possible for him or her to report to work or notify the appointing authority, or the appointing authority's designee, of the reason for his or her absence. The appointing authority shall issue a short response within 5 calendar days after receipt of such explanation. If the employee is not satisfied with the response, CSEA, upon the employee's request, may appeal the appointing authority's response to the Governor's Office of Employee Relations within 5 calendar days after receipt of the appointing authority's response. The Director of the Governor's Office of Employee Relations, or the Director's designee, shall issue a written response within 5 calendar days after receiving such appeal. Determinations made pursuant to this subsection shall not be arbitrable.

The procedures shall include the authority to adjust amounts of reimbursement. The maximum claim reimbursement shall be \$350.

(2) Where practicable, upon request of the employee, and subject to availability of funds, the department or agency may make payment up to that amount stated in Section 115, Subparagraph 3 of the State Finance Law out of local funds, pursuant to Comptroller regulations.

(3) Disputes regarding final disposition of claims pursued under this provision shall not be arbitrable. The employee's recourse shall be the Court of Claims.

Article 44

Seniority

§44.1 Unless otherwise stated, seniority as used in this Agreement shall be the length of State service without a break in service of more than two years (unless on approved leave). Any absence that exceeds one (1) year will result in that portion that exceeds one (1) year being deducted from the length of service for seniority purposes except for approved military leave of up to four years.

Part-time service shall be credited on a prorated basis for seniority purposes.

Employees are to be advised of their seniority date upon request.

§44.2 Appointments and promotions to vacant positions in the non-competitive service or assignment of employees to work locations and

shifts shall be made on the basis of seniority, subject to the operating needs of a department or agency or component thereof, or subject to an identification of differences between employees with respect to relevant factors concerning the employee's ability to perform the required duties and responsibilities satisfactorily.

§44.3 Seniority shall be used to determine the order of selection among employees for the scheduling of pass days within each shift and title. Provided, however, that nothing contained herein shall limit the development of local or agency labor/management procedures regarding the selection of pass days.

§44.4(a) Within ninety (90) days of the execution of this Agreement, the specific procedures for implementing the provisions of this Article shall be developed through department or agency labor/management meetings. Grievances alleging a failure to follow the specific procedures developed by department or agency labor/management meetings shall be processed through the grievance procedure only to the Governor's Office of Employee Relations and shall not be arbitrable.

(b) Where employees are involuntarily assigned to a shift or work location in order to meet the program or operating needs of the facility or office, such employees shall have the right to select pass days in accordance with the specific procedures developed by labor/management department or agency meetings.

(c) The specific procedures developed by labor/management to implement the provisions of this Article shall not be applicable to employees who are transferred or reassigned at their request. In addition, specific procedures may be developed by facility level labor/management meetings specifying a time period during which employees transferred or reassigned as a result of disciplinary action may not make selection of pass days.

Article 45

Posting and Bidding for Job Vacancies

§45.1 Non-Competitive and Labor Class Positions

(a) Each operating unit (institution, DDSO, hospital, college, main office or other appropriate facility) shall establish and maintain procedures for distributing or posting announcements of vacancies in non-competitive and

labor class positions at that operating unit at least 10 calendar days prior to the date they are to be filled. Announcements of such vacancies shall contain the title of the position or positions to be filled, minimum qualifications required for appointment, the shift and work location, and the number of vacancies.

(b) When such vacancies are announced as provided herein, employees who wish to be considered for appointment or reassignments to such vacancies shall be allowed to bid for such vacancies; provided, however, that such bid must be filed with the appointing authority within 10 days following announcement of the vacancy. In such cases appointments and promotions shall be made on the basis of seniority, as defined in the Seniority Article of this Agreement, subject to the operating needs of a department or agency or component thereof, or subject to an identification of differences between employees with respect to relevant factors concerning the employees' ability to perform the required duties and responsibilities satisfactorily.

§45.2 Competitive Class Positions

(a) Each appointing authority shall be responsible for establishing and maintaining procedures to ensure that Civil Service examination announcements are distributed or posted so that qualified employees under his or her jurisdiction have a reasonable opportunity to learn of pending examinations.

(b) Each operating unit as defined above shall establish and maintain procedures for distribution or posting announcements of vacancies in competitive class positions at that operating unit at least 10 calendar days prior to the date they are to be filled. Announcements of such vacancies shall contain the title of the position or positions to be filled, minimum qualifications required for appointment, the shift and work location, and the number of vacancies.

(c) When such vacancies are announced as provided herein, employees who wish to be considered for transfer or reassignment to such vacancies shall be allowed to bid for such vacancies; provided, however, that such bid must be filed with the appointing authority within 10 days following announcement of the vacancy. In such cases assignments shall be made on the basis of seniority, as defined in the Seniority Article of this Agreement, subject to the operating needs of a department or agency or component

thereof, or subject to an identification of differences between employees with respect to relevant factors concerning the employee's ability to perform the required duties and responsibilities satisfactorily.

(d) All employees canvassed for appointments from a promotion eligible list who indicate a willingness to accept such appointment if offered shall be notified in writing when an appointment is made from such eligible list or when a determination is made not to fill the vacancy or vacancies involved.

§45.3 Nothing contained in this Article shall diminish or alter the right of appointing authorities to direct appropriate transfers or re-assignments, of employees where such transfers or reassignments, in the judgment of the appointing authority, are in the best interests of such employees or the State, nor shall anything contained in this Article have application to competitive class positions allocated to SG-13 and above [except Section 45.2(b)] or to temporary appointments to competitive or non-competitive class positions for periods not exceeding six months. The failure in any case of any appointing authority to post or distribute examination announcements or notices of vacancies or otherwise to follow procedures required in this Article or the failure of any person to receive such notice or announcements or to bid on a vacancy as provided in this Article shall not affect or operate to invalidate any appointment which otherwise conforms to the Civil Service Law, Rules or Regulations nor shall anything contained in this Article be construed to place appointing authorities under any legal obligation, except as provided by Civil Service Law, Rules or Regulations to make appointments from among persons presently employed by the State. It is understood, however, that each appointing authority will make every reasonable effort to comply with the distribution or posting provisions of this Article.

§45.4 Nothing contained in this Article shall be deemed to abrogate any existing departmental or agency procedures which provide for more extensive or additional posting or notice provisions or to prevent any department or agency from hereafter providing for more extensive posting or notice provisions than are contained in this Article.

§45.5 Where rebidding is deemed appropriate, the procedures regarding such rebidding represents an appropriate item for discussion in the labor/management forum.

Article 46

Continuous Hours of Work

When an employee's normal daily schedule is seven and one-half or eight hours, an employee shall not be required but may volunteer to work more than 16 consecutive hours in a 24-hour period.

An employee of OPWDD or OMH in a direct care title who actually works 16 consecutive hours and then is mandated to work additional time beyond that 16 hours shall receive double time for all hours worked in excess of those 16 hours. In calculating eligibility, only time actually worked shall be counted. Time charged to leave accruals or on other full paid leave status shall not count toward determining the 16 hours of actual work.

Article 47

Standby On-Call Rosters

§47.1 Employees who are required to be available for immediate recall and who must be prepared to return to duty within a limited period of time shall be listed on standby on-call assignment rosters. Assignments to such rosters shall be equitably rotated, insofar as it is possible to do so, among those employees qualified and normally required to perform the duties. The establishment of such rosters at a facility shall be subject to the approval of the department or agency involved and the Director of the Budget.

§47.2 An employee who is eligible to earn overtime shall not be required to remain available for recall unless the employee's name appears on an approved recall roster. An employee shall be paid an amount equal to 25 percent of the employee's daily rate of compensation for each eight hours or part thereof the employee is actually scheduled to remain and remains available for recall pursuant to such roster. An employee who is actually recalled to work will receive appropriate overtime or recall compensation as provided by law. Administration of such payments shall be in accordance with rates established by the Director of the Budget. The daily rate of compensation shall be at the rate of one-tenth of the bi-weekly rate of compensation and will include geographic, locational, inconvenience shift pay as may be appropriate to the place or hours normally worked. Only employees eligible for on-call premium pay will be required to be on call.

Article 48

Notice of Civil Service Status

Each employee shall be notified in writing of his or her Civil Service status upon original appointment and upon each change in status thereafter.

Article 49

Uniforms

§49.1 Uniform Maintenance Allowance

(a) The State will recommend to the Legislature that each employee in the following titles shall be provided an annual maintenance allowance of \$68 if a part-time employee and \$88 if a full-time employee in each year of the Agreement: Food Service Titles, Mental Health Therapy Aide, Hospital Attendant, Nursing Assistant, Teaching Hospital Sterile Supply Technician, Licensed Practical Nurse, Youth Division Aide, Cadet Leaders 1-3, Wilderness Challenge Aide and Medical Office Assistant.

(b) Provided, however, that the employees who receive a regular uniform service or are not required to wear uniforms shall not be eligible for this allowance.

§49.2 Work Related Clothing Allowance

(a) The State will recommend to the Legislature that each employee in the following titles receive \$58 in each year of the Agreement to provide work related clothing: Farmer, Farm Hand, Industrial Training Supervisor, Housekeeper, Lab Worker, Lab Technician, Lab Aide, Lab Helper, Lab Caretaker, Barber, Beautician, Dental Hygienist and Dental Assistant, Developmental Disabilities Secure Care Treatment Aide, and Secure Care Treatment Aide assigned to a sexual offender treatment program.

(b) Provided, however, employees who receive work related clothing shall not be eligible for this allowance.

Article 50

Employee Enhancement

One hundred thousand dollars of the monies appropriated under Article 14, Employee Development and Training, of this Agreement shall be specifically designated to research, study, develop programs and recommendations and implement pilot programs, as appropriate in the area of the impact of the delivery of client care services on employees in client

services fields. Such efforts shall include, but not be limited to, topics as: stress management, interpersonal relations, topics regarding the care and treatment of the mentally ill, mentally retarded, youthful offenders and prison inmates.

Included among the goals of this program is the enhancement of the ability of employees in Institutional Bargaining Unit positions to more effectively deal with the tremendous demands placed on their professional and personal lives resulting from the stressful and exhausting conditions inherent in the delivery of human services.

Article 51

General Hospital Duty

Where hospital duty is deemed appropriate, such duty shall be assigned on the basis of voluntary and mandatory rosters among qualified employees who normally do such work by work location or service. Such rosters shall be maintained in the same manner as overtime rosters. Nothing contained herein shall limit the development of local labor/management procedures regarding assignment to hospital duty.

When an employee is assigned to such general hospital duty, that employee shall be reimbursed for travel expenses incurred and shall receive an amount equal to 15 percent of their daily rate of pay for each instance which requires travel beyond one-half hour from the facility.

Article 52

Recall Pay

An employee who is recalled to work overtime after having completed his or her scheduled work period and left his or her scheduled work station shall be considered to have worked, for the purpose of computing overtime credits, a minimum of one-half day. In the event an employee is recalled to work more than once during a period of one-half day commencing with the onset of the initial recall, he or she will not be entitled to more than one-half day's overtime credit unless more than one-half day is actually worked. There shall be no assignment of routine or non-emergency duties or other "make work" in order to avoid the payment of recall pay.

For purposes of this article, recall is defined as unscheduled overtime not contiguous with the employee's scheduled work period.

Article 53

Chest X-Rays

Upon the written order from authorized medical personnel for an employee of an institution where appropriate facilities are available, the State shall provide a chest x-ray of the employee every year for the term of this Agreement. Such application shall designate the physician to whom the employee wishes the x-ray to be sent.

Article 54

Printing of Agreement

The Civil Service Employees Association shall cause this Agreement to be printed and shall furnish the State with a sufficient number of copies for its use. The State agrees to provide each employee initially appointed on or after the date of this Agreement a copy thereof as soon as practicable following the employee's first day of work. The cost of printing this Agreement shall be shared equally by the State and CSEA.

Article 55

Conclusion of Collective Negotiations

This Agreement is the entire agreement between the State and CSEA, terminates all prior agreements and understandings and concludes all collective negotiations during its term. During the term of this Agreement, neither party will unilaterally seek to modify its terms through legislation or any other means. The parties agree to support jointly any legislation or administrative action necessary to implement the provisions of this Agreement. The parties acknowledge that, except as otherwise expressly provided herein, they have fully negotiated with respect to the terms and conditions of employment and have settled them for the term of this Agreement in accordance with the provisions thereof.

Article 56

Severability

In the event that any article, section or portion of this Agreement is found to be invalid by a decision of a tribunal of competent jurisdiction or shall have the effect of loss to the State of funds made available through Federal law, then such specific article, section or portion specified in such decision

or having such effect shall be of no force and effect, but the remainder of this Agreement shall continue in full force and effect. Upon the issuance of such a decision or the issuance of a ruling having such effect of loss of Federal funds, then either party shall have the right immediately to reopen negotiations with respect to a substitute for such article, section or portion of this Agreement involved. The parties agree to use their best efforts to contest any such loss of federal funds which may be threatened. In the event that the Legislature fails to implement Section 7.1, any or all articles may be reopened at the option of CSEA or the State, and renegotiated. In the event that any other article, section or portion of this Agreement fails to be implemented by the Legislature, then in that event, such article, section or portion may be reopened by CSEA or the State and renegotiated. During the course of any reopened negotiations any provision of this Agreement not affected by such reopener shall remain in full force and effect.

Article 57

Approval of the Legislature

It is agreed by and between the parties that any provision of this Agreement requiring legislative action to permit its implementation by amendment of law or by providing the additional funds therefore, shall not become effective until the appropriate legislative body has given approval.

Article 58

Duration of Agreement

The term of this Agreement shall be from April 2, 2016 to April 1, 2021.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be signed by their respective representatives on August 8, 2017.

Appendix I

Maternity and Child-Rearing Leave

This memorandum revokes and replaces the August 3, 1973 memorandum from the Civil Service Commission regarding maternity leave effective immediately.

Pregnant employees may be asked or encouraged to report the existence of pregnancy, but they may not be required to do so. Where, in the opinion of the appointing officer, the nature of the duties performed may be particularly hazardous or burdensome during pregnancy, this should be pointed out in the letter of appointment and such employees should be urged to advise their supervisors of any pregnancy. In any case where the appointing authority believes the employee is unable to perform the duties of the position because of pregnancy, the employee may be required to undergo a medical examination at the expense of the department or agency, by a physician designated by the appointing authority. A pregnant employee who is determined to be medically disabled from the performance of job duties must be treated the same as any other employee similarly disabled insofar as disability leave benefits are concerned.

Sick leave and sick leave at half-pay may be used only during a period of medical disability. Under the State's policy, disabilities arising from pregnancy or childbirth are treated the same as other disabilities in terms of eligibility for or entitlement to sick leave with and/or without pay, extended sick leave and sick leave at half-pay. Generally, the period of such disability is deemed to commence approximately four weeks prior to delivery and to continue for six weeks following delivery. While doctor's certificates may be required for any period of disability, agencies should request detailed medical documentation whenever disability is claimed to commence prior to or to extend beyond the period of disability described above. An appointing authority may approve an employee's request for leave without pay during pregnancy and prior to the onset of any medical disability as a matter of discretion. Absences during pregnancy and following childbirth may be charged to vacation, overtime or personal leave irrespective of whether the employee is disabled. While the use of annual leave, overtime and personal leave accruals prior to the onset of medical disability is discretionary with the appointing authority, employees must be permitted to use these accruals during a period of medical

disability after sick leave with pay has been exhausted.

Employees, regardless of sex, are entitled to leave without pay for childcare for up to seven months following the date of delivery.*

For purposes of computing the seven month period of mandatory leave, periods during which the employee was absent for “disability” or use of leave credits are included; the mandatory seven month period is not extended by the granting of disability leave or the use of accrued leave. During a period of leave for childcare, employees shall be permitted, upon request, to use annual leave, personal leave and overtime credits before being granted leave without pay. As is the case with other mandatory leaves without pay (e.g., military leave), agencies shall not require that employees exhaust all appropriate leave credits prior to being granted leave without pay for childcare. Sick leave or sick leave at half-pay may be used only during a period of medical disability (Attendance Rules Sections 21.3, 21.4, 21.5, 28.3, 28.4 and 28.5). Except in the case of continuing medical disability, any leave of absence beyond the seventh month following childbirth shall be at the discretion of the appointing authority as provided in Sections 22.1 and 29.1 of the Attendance Rules. An employee who requests a leave for childcare of less than seven months is entitled to have such leave extended, upon request, up to the seven month maximum and may, at the discretion of the appointing authority, have such leave extended beyond the seventh month.

In certain situations, an employee may not be permitted to return from such leave until the expiration of the period that such employee requested and was granted. Generally, such restrictions on early return are limited to situations where such return would be disruptive of a project or where the termination of a replacement would occur.

During the seven month period following childbirth, the granting of leave for childcare is mandatory upon request from either parent. If both parents are State employees, leave for childcare is mandatory for one parent at a time and the parents may elect to split the mandatory seven month leave into two separate blocks of leave with each parent entitled to one continuous period of leave but not to exceed a combined total of seven months of leave and not to extend beyond seven months from the date of delivery.

*See Institutional Services Unit Contract, Article §10.18.

Agencies may, in their discretion, approve other arrangements for shared leave including concurrent leave and may, as a matter of discretion, extend leave for child care beyond the mandatory seven months. Furthermore, while one parent is absent on leave for child care, agencies continue to have the discretion to approve requests from the other parent for periods of vacation or personal leave, and for family sick leave in accordance with Sections 21.3(f) and 28.3(f) of the Attendance Rules.

Temporary, provisional and probationary employees without any permanent status are entitled to leave with full pay and/or without pay as described above. However, these employees are not eligible for sick leave at half-pay nor are they entitled to leave beyond that date when their employment would otherwise terminate (e.g., temporary item abolished, permanent incumbent restored to item, certification of eligible lists, etc.). In general, the State's policy on leave for pregnancy, childbirth and child care shall not be construed to require extension of any employment (permanent, permanent contingent, temporary, or provisional) beyond the time it would otherwise terminate.

DATED: January 28, 1982

Appendix II

Child Care Leave for Adoptive Parents

This memorandum extends entitlement to leave without pay for child care to adoptive parents in the same manner and to the same extent that such leave is available to birth parents. This memorandum applies to all eligible State employees, except that where an Agreement between the State and an employee organization entered into pursuant to Article 14 of the Civil Service Law (the Taylor Law) provides for a different leave benefit, the provisions of the Agreement shall control. However, nothing in the Agreements precludes appointing authorities from extending the benefits provided by this policy on a discretionary basis.

State employees, regardless of gender, are entitled to a maximum of seven months of leave without pay for child care in connection with the adoption of a child in accordance with the provisions of Article 7 of the Domestic Relations Law. Entitlement to such leave without pay shall be for a period of up to seven months. The employee may take leave for this purpose starting at any time from the date the adoptive child is placed with

the family to the effective date of the adoption.*

In general, the guidelines for leave of absence for child care for adoptive parents are the same as those governing leave for child care for birth parents.

During a period of leave for childcare, employees shall be permitted, upon request, to use annual leave, personal leave and overtime credits before being granted leave without pay. However, agencies shall not require that employees exhaust all appropriate leave credits before being granted leave without pay for childcare. The seven month period of such leave is not extended by the use of accrued leave credits.

An adoptive parent who requests a leave of absence for child care purposes of less than seven months is entitled to have such leave extended, upon request, up to the seven month maximum.

If both adoptive parents are State employees, one parent may elect to take the entire leave, or the parents may choose to divide the leave time with each entitled to one continuous period of leave as long as it does not exceed a combined total of seven months of leave.

Agencies may, in their discretion, approve other arrangements for shared leave and may as a matter of discretion extend leave for child care for adoptive parents beyond the seven months to which this new policy entitles them. Furthermore, while one parent is absent on leave for childcare, agencies continue to have the discretion to approve requests from the other parent for periods of vacation or personal leave, or for family sick leave in accordance with Sections 21.3(f) and 28.3(f) of the Attendance Rules.

The State's policy on leave for child care for adoptive parents shall not be construed to require extension of any employment beyond the time it would otherwise terminate.

2017-2018	April 6, 2017	March 30, 2017
2018-2019	April 5, 2018	March 29, 2018

2020-2021	April 2, 2020	March 26, 2020

Effect of Minimum Wage Level

1. If in the discretion of the Director of the Budget, employees covered by the Seasonal Agreement are raised to the minimum wage level, the negotiated raise will be applied only so far as is necessary to supplement the minimum wage raise to bring those employees to the negotiated increase.

2. If the raise to the minimum wage results in a raise higher than the negotiated increase, no negotiated salary increase will be paid for that year.

3. At no time will both a raise to the minimum wage and the negotiated salary increase be given to an employee covered by this interpretation where such would result in more than the negotiated increase in salary from the preceding year.

A. Holiday Compensation

(a) Seasonal employees not covered by the Attendance Rules who are regularly employed on a 37.5 or 40 hour per week basis who work at least 25 days during the season will be entitled to additional compensation at their hourly rate up to a maximum of eight hours, for time worked on each of the first three (3) days during their employment in any seasonal period (4/1 to 9/30 and 10/1 to 3/31) which are observed as holidays by the State. Such compensation should be paid retroactively upon completion of five weeks of work.

(b) Seasonal employees not covered by the Attendance Rules who are regularly employed on a 37.5 or 40 hour per week basis who work at least 25 days during the current seasonal period and who have been so employed during at least one of the two consecutive seasonal periods (4/1 to 9/30 and 10/1 to 3/31) immediately preceding the current seasonal period will be entitled to additional compensation at their hourly rate up to a maximum of eight hours for time worked on days during their employment in the current seasonal period which are observed as holidays by the State. Such compensation should be paid retroactively upon completion of five weeks of work.

(c) A seasonal employee who is entitled to time off with pay on days observed as holidays by the State as an employer and who has been scheduled or directed to work will receive additional compensation for time worked on such days.

B. Attendance and Leave

1. Seasonal employees who have been continuously employed on at least a half-time basis, for 19 pay periods, shall be entitled to Attendance Rules coverage, in accordance with the Civil Service Attendance Rules and the appropriate provisions of their negotiating unit Agreement.

Seasonal employees who are employed at least half-time and who are expected by the appointing authority to be so employed continuously for nine months, without a break in service exceeding one full payroll period, shall be eligible to observe holidays and to earn and accumulate vacation and sick leave and be granted personal leave on a prorated basis in the same manner and subject to the same limitations and restrictions as would apply if they were compensated on an annual salary basis.

2. Seasonal employees not employed continuously as described in

paragraph (1) above, but who are employed in at least 19 cumulative pay periods on at least a half-time basis in each of these pay periods within a fiscal year shall be entitled to the following:

Employees anticipated to continue at the employment level described above in the current fiscal year shall be credited with three days leave accruals on April 1 of each year when the 19 cumulative pay periods as described above have been worked in the previous fiscal year.

If a seasonal employee described in this Section (2) receives a permanent appointment in the same agency, such employee may carry such leave for a period of one year in a separate category to be used within one year of the permanent appointment. Usage of such leave is subject to the operating needs of the Agency. Any such leave that is not utilized shall be forfeited. Such leave does not qualify for usage in the Productivity Enhancement Program (PEP). The leave is to be used subject to prior approval for absence for personal reasons and for unscheduled absences due to illness. These leave accruals shall be non-cumulative from fiscal year to fiscal year. Such accruals do not have a cash-out or retirement value. Service in more than one State agency shall be credited toward meeting the 19 cumulative pay period requirement.

C. Health Insurance Coverage

1. Seasonal employees who, at the time of hire, are expected to be continuously employed on at least a half-time basis for at least six months, shall be eligible to apply for health insurance coverage as of the date of employment. Coverage shall be subject to a 42-day new employee waiting period on the date of first employment, and benefits shall be available as of the 43rd day of employment, assuming the employee submitted a written application for coverage during the 42-day waiting period and was on the payroll or on authorized Workers' Compensation leave without pay for the entire 42-day waiting period.

2. Seasonal employees who, at the time of hire, are not expected to be continuously employed on at least a half-time basis for at least six months, shall not be eligible for health benefits at the start of employment. However, upon actual completion of six months of continuous employment on at least a halftime basis, an employee so hired shall become eligible to apply for health benefits. Coverage shall become effective following the completion of a 42-day new employee waiting period that commences on

the day following their completion of six months of such a work schedule, assuming the employee submits a written application for coverage during the waiting period, and remains on the payroll or on authorized Workers' Compensation Leave without Pay for the entire 42-day waiting period.

3. Where the State establishes a seasonal position for six months or more, the appointee to that position shall not have his or her service intentionally broken solely for the purpose of rendering that employee ineligible for health insurance purposes. However, if that individual's service is broken for another reason, the individual shall not be eligible to continue coverage after employment is terminated, except as described in Section 4 below.

4. Should a seasonal employee who attained health insurance coverage under Section 1 or 2 above, leave the payroll and then be rehired subsequently, the employee shall retain eligibility for health insurance coverage upon rehire without being hired for an anticipated six month period of continuous employment on at least a halftime basis, provided the employee is not off of the payroll more than six months. An employee so rehired may continue his or her health insurance by paying the full cost of coverage for the period of time he or she is off the payroll, or, if not rehired, until the date that is six months from the date of employment terminated.

D. Appointment Letter

Each State department and agency shall provide a seasonal employee with an appointment letter indicating his or her date of hire and date of anticipated separation.

Appendix IV

Attendance and Leave

Earning and Accumulation and Use of Vacation, Sick Leave, Personal Leave and Holiday Leave

This Appendix describes leave provisions applicable to full-time annual salaried employees in the Institutional Services Unit covered by the Attendance Rules. Eligibility for Attendance Rules coverage, including leave benefits, for part-time, hourly and per diem employees is not addressed here. A more detailed explanation of these Rules may be found in the Attendance and Leave Manual for State agencies.

The portion of the Attendance Rules for employees in New York State Departments and Institutions which is grievable under the Benefits Guaranteed provision of the Agreement shall remain so. Interpretive aspects of this Appendix shall not be grievable.

This Appendix is a brief summary of the major types of leave and their earning, accumulation and use. Leave provisions described herein are drawn from the Attendance Rules for employees in New York State Departments and Institutions Sections 20-26, related laws, rules and Article 10 of the 2016-2021 ISU Agreement which provide the authorization for the benefits discussed.

This Appendix focuses on the most common leave provisions and is not intended as an all-inclusive discussion of each and every leave category. It is beyond the scope of this material to deal with unusual or exceptional circumstances.

VACATION

Earning

Six and one-half days of vacation are credited upon completion of 13 bi-weekly pay periods of service. Thereafter, vacation is earned at the rate of one-half day every pay period during the first seven years of service and bonus days are added each year on the employee's vacation anniversary date at the rate of one day for each year of service to a maximum of 20 days vacation per year after seven years. Upon completion of the first seven years of service, vacation is earned each pay period at a rate which equals

20 days for every 26 pay periods; i.e., about one and one-half days every four weeks.

Vacation credit is earned only for bi-weekly pay periods during which an employee is in full pay status for at least seven of the ten workdays in the pay period.

An employee is also credited with additional vacation each year upon completion of 20 or more years of service. He or she receives one additional day each year for 20 to 24 years of service, two days for 25 to 29 years, three days for 30 to 34 years, and four days for each year of service starting with the 35th year.

Upon completion of from one to 35 or more years of service vacation is earned and accumulated in accordance with the following schedule:

**Completed Years
of Continuous
Service**

Vacation Earned

1	14 days (including 1 bonus day)
2	15 days (including 2 bonus days)
3	16 days (including 3 bonus days)
4	17 days (including 4 bonus days)
5	18 days (including 5 bonus days)
6	19 days (including 6 bonus days)
7	20 days (including 7 bonus days)
8 to 19	20 days (at rate of approximately 1 1/2 days every 4 weeks)
20 to 24	21 days (including 1 additional bonus day)
25 to 29	22 days (including 2 additional bonus days)
30 to 34	23 days (including 3 additional bonus days)
35 or more	24 days (including 4 additional bonus days)

Generally, vacation may not be accumulated beyond a maximum of 40 days. However, the Institutional Services Unit Agreement provides that when an employee who is at the vacation maximum (or who will exceed the vacation maximum at the end of the current time card period) submits a written request for time off which is denied, the employee may exceed the vacation maximum until March 31 or until the employee drops below the 40-day maximum, whichever occurs first. Employees who reduce

credits below 40 days are once again subject to the 40-day maximum. They can again exceed that maximum only following denial of a request under the conditions described above. Any vacation credits in excess of 40 days on March 31 are forfeited.

Vacation Anniversary Date

The vacation anniversary date is ordinarily the date of appointment to State service. The vacation anniversary date is not altered by leaves without pay or separations from State service of less than six months' duration.

However, the vacation anniversary date is adjusted whenever the employee is on leave without pay for more than six months or is separated from State service for a period of six to twelve months. The vacation anniversary date is adjusted by adding the number of months and days off the payroll due to leave without pay or separation to the original vacation anniversary date.

Generally, persons reemployed after a separation from State service which exceeds one year are treated as new employees and are assigned a new vacation anniversary date.

Use of Vacation

Section 10.4 of the ISU Agreement contains a discussion of the impact of seniority on scheduling of vacations and describes procedures for local arrangements establishing annual periods within which employees must request a block of time off in order to have seniority considered. For Section 10.4 a block of time is defined as five or more consecutive work days.

Section 10.12 provides additionally that, apart from other arrangements developed in accordance with this section, an employee's properly submitted written request for use of accrued vacation credits must be answered in writing within four days of its receipt and establishes procedures to ensure a timely response within two days thereafter. This section also confirms that vacation scheduling is an appropriate subject for labor/management discussions.

Separation

Employees who separate from State service may be eligible for a lump sum payment for up to 30 days of accrued and unused vacation.

SICK LEAVE

Earning

Sick leave is earned and accumulated at the rate of one-half day each bi-weekly pay period for a total of 13 days per year and may be accumulated to a maximum of 200 days. It is earned only for pay periods during which an employee is in full pay status for at least seven of the ten workdays in the pay period.

Use

Proper uses of sick leave include personal illness, visits to doctor or dentist or other recognized medical practitioner and illness or death in the employee's family (up to 25 days per year). For this purpose, family is defined as any relative or relative-in-law, or any person with whom the employee has been making his or her home. Family sick leave is available to employees who are providing direct care to a family member who is ill.

Employees who have exhausted sick leave credits are entitled to charge absences otherwise chargeable to sick leave to other leave credits (vacation, personal leave, etc.) subject to the same approval procedures and documentation requirements as apply to use of sick leave credits. Section 10.20 of the ISU Agreement establishes circumstances under which this use of other credits for absences due to illness may be denied.

Section 10.8 of the ISU Agreement identifies some of the information that an employee must provide when calling in and identifies how often an employee needs to call in.

Medical Documentation

The Attendance Rules provide that an appointing authority is entitled to satisfactory medical documentation before approving absence due to illness or before authorizing return to work.

Satisfactory medical documentation generally meets the following criteria:

1. A brief diagnosis will not be required as part of any required medical documentation unless the employee has been absent from work due to illness or injury for greater than 30 consecutive calendar days.
2. It specifies the inclusive dates of disability covered by the doctor's note and the date or dates of treatment during the period covered.
3. It certifies that the employee is disabled from the performance of his or her job duties. In some cases (for example, partial disability) it may

provide information on the kinds of job duties the employee is unable to perform.

4. It indicates the anticipated date of return to work.

5. It is signed by an appropriate medical practitioner.

Agencies are required to treat medical documentation in a confidential manner. The ISU Agreement provides the opportunity for employees, upon proper notice, to submit medical certificates directly to a personnel office, instead of a supervisor, for additional confidentiality.

The ISU Agreement provides that a doctor's certificate will not be routinely required for absences of four consecutive work days or less due to illness. This in no way limits management's rights to require medical documentation for a specific absence in order to substantiate use of sick leave.

The ISU Agreement further provides that the appointing authority must provide written notice when requiring an employee to submit a medical certificate. When the requirement is the result of a review of the employee's attendance record, the requirement shall be for absences occurring after the written notice was provided.

Separation

There is no provision for cash payment for unused sick leave upon separation from State service. However, employees who retire directly from State service may use up to 200 days of unused sick leave for retirement service credit and to defray the cost of health insurance in retirement.

Extended Sick Leave

Under the Attendance Rules, an employee who has exhausted all leave credits and who is absent due to personal illness may, at the discretion of the appointing authority, be advanced up to five days of sick leave credits. Sick leave credits may be advanced to avoid a payroll deduction, but it is generally not appropriate to advance sick leave credits simply to postpone sick leave at half-pay or a leave without pay or when the employee will not be able to return to work. Advanced sick leave must be repaid as soon as possible following the employee's return to work from subsequent accumulations of leave credits. Any advanced sick leave not repaid at time of separation is deducted from any compensation due the employee.

Sick Leave at Half-Pay

Article 10.15 of this Agreement describes the conditions which must be met before mandatory sick leave at half-pay must be granted. However, under certain circumstances agencies may grant discretionary sick leave at half-pay pursuant to Section 21.5 of the Attendance Rules during any period of absence caused by personal disability for which the employee is not entitled to mandatory sick leave at half-pay under the contract. For example, an employee in the ISU Unit who is otherwise eligible, may be granted discretionary sick leave at half-pay prior to being absent 30 consecutive workdays. To be eligible for discretionary sick leave at half-pay under the Attendance Rules an employee must have completed one cumulative year of State service, must have permanent status as of the point sick leave at half-pay is to begin (probationers with no permanent hold item are not eligible), must have exhausted all accrued leave credits and must have submitted satisfactory medical documentation of personal disability.

PERSONAL LEAVE

Crediting

Employees are credited with five days of personal leave upon appointment to State service and thereafter with five days each year on the anniversary date of such appointment. However, if an employee is off the payroll for any reason on his or her personal leave anniversary date, his or her personal leave anniversary date is changed to the date he or she returns to the payroll and he or she is credited with five days of personal leave at that time. Personal leave is not cumulative and any personal leave credits remaining unused are cancelled at close of business the day preceding the employee's personal leave anniversary date.

Use

While personal leave is provided for absences necessitated by personal business including religious observance and by extraordinary weather conditions, it may be used as vacation subject only to those limitations and restrictions which apply to the use of vacation credits. Personal leave credits may be used in any case where the absence could properly be charged against vacation credits and requests for personal leave must be approved for absences necessitated by religious observance obligations insofar as the absence will not interfere with the proper conduct of government functions.

While employees are generally not required to provide a reason when requesting prior approval for use of personal leave, it is incumbent upon any employee seeking special consideration or reconsideration following initial denial of a request to use personal leave to provide sufficient explanation of the reason for the request.

Separation

There is no provision for cash payment for unused personal leave upon separation from State service.

HOLIDAY LEAVE

Earning

Holiday leave is accrued:

for work performed on holidays during the hours that correspond to the employee's regular work shift by employees who have waived holiday pay pursuant to Section 7.16 of the ISU Agreement, or for holidays which fall on an employee's pass days (regular days off).

Use

Use of holiday leave is governed by the same general guidelines that govern the use of vacation. (Section 10.1 of the ISU Agreement discusses scheduling time off on holidays.)

Separation

There is no provision for cash payment upon separation for unused holiday leave.

PRIOR APPROVAL FOR USE OF LEAVE CREDITS

Except in emergencies, employees are expected and required to obtain advance approval for leaves of absence and prior approval before charging an absence to leave credits. In general, they are expected to request time off in advance, and to get approval in advance of taking the time off. They are also expected to get approval in advance for the specific leave credits to be charged for the absence, i.e., vacation or sick leave or personal leave, etc.

In an emergency where it is not possible to anticipate an absence and secure prior approval to be absent or charge the absence to appropriate leave credits, the employee should notify his or her agency as soon as possible that he or she will not be reporting for duty and the reasons therefore. Employees should make themselves aware of the specific call-in procedures established by their agencies. (See Use of Sick Leave for

additional ISU call-in procedures.) If an employee is suddenly taken ill or is otherwise forced to absent himself or herself from work for good and sufficient reasons, he or she may be allowed to charge such an unavoidable absence to appropriate leave credits. The routine or automatic charging of such an absence as an authorized or unauthorized leave without pay would be inconsistent with the intent and spirit of the Attendance Rules for State employees and related provisions in negotiated Agreements.

Although prior approval of the appointing authority is required before an employee may charge an absence from duty to leave credits, such approval may be granted, and in some cases should be granted, subsequent to the absence. The employee who takes a day off to complete some routine household chores should be placed on unauthorized leave without pay if he or she takes the day off without prior approval. On the other hand, the employee who is unexpectedly and unavoidably absent from work but notifies his or her agency of such absence as soon as practicable should be allowed to use appropriate leave credits to cover the absence so long as the appointing authority is satisfied the absence was unexpected and unavoidable.

OTHER LEAVES

The Attendance Rules, related laws, contract provisions and policies provide for several other types of leaves which include:

- Leave for Civil Service Examinations (Attendance Rules, Rule 21.10, ISU Agreement-Article 28.2).
- Employee Organization Leave (ISU Agreement-Article 4.8).
- Leave for Jury Duty or Ordered Court Appearance (Attendance Rules, Rule 21.9, ISU Agreement-Article 32.6).
- Military Leave and Leave for Veterans (Military Law Sections 242, 243, 246, 249 and Public Officers Law Section 63).
- Child Care Leave (ISU Agreement-Article 10.18 and Appendices I and II).
- Absence Due to Occupational Injury (ISU Agreement-Article 11).

MEMORIAL DAY, INDEPENDENCE DAY AND VETERANS DAY

An eligible veteran who receives holiday pay for working on Memorial Day or Veterans Day or an eligible former reservist who receives holiday pay for working on Independence Day is also entitled to compensatory time

off with pay as provided by Section 63 of the Public Officers Law or Section 249 of the Military Law. If the employee has waived holiday pay, the employee is entitled to compensatory time off for time worked on the holiday in lieu of such holiday pay and is not entitled to a second day of compensatory time off because of provisions of the Public Officers Law or the Military Law. In the one case, both holiday pay and compensatory time off must be granted, in the other case, only the one day of compensatory time off may be allowed.

An eligible former reservist is entitled to compensatory time off for time worked on Independence Day and an eligible veteran for time worked on Memorial Day or Veterans Day. If that day falls on a Saturday and the State designates another day to be observed as a holiday in lieu of such holiday (and the employee is entitled to observe such designated holiday), the employee is entitled to holiday pay and/or compensatory time off for time worked on such other day. The employee is also entitled to compensatory time off for time worked on the Saturday observed as the legal holiday. However, the employee is not eligible for holiday pay for time worked on the legal holiday since it is not a day observed as a holiday by the State as an employer.

Appendix V

MAXIMUM ALLOWANCES FOR RECEIPTED LODGING AND MEAL EXPENSES FOR OVERNIGHT

Employees are reimbursed for overnight lodging and meals based on an allowance established by the General Service Administration (GSA) for travel within the continental US (CONUS) and by the Department of State for travel outside the continental US (OCONUS). Rates are available by Federal Fiscal year which begins on October 1 of each year. These rates are found at <http://www.gsa.gov/portal/category/104711>. Users can change the fiscal year to identify approved rates for prior periods.

Appendix VII

Mandatory Alternate Duty Policy Memorandum of Understanding

A. Mandatory Alternate Duty Policy

As provided in the 2007-2011 negotiated Agreements between the State and CSEA, and continued in this Agreement, employees who sustain workers' compensation disabilities as defined in Article 11 on or after July 1, 2008, shall receive the workers' compensation benefit provided by law as described in Article 11 of the Agreement. In the interest of returning employees to duty as soon as possible and in recognition of the fact that the statutory wage replacement benefit may be reduced in proportion to the employee's reduced percentage of disability as the recovery process goes on, the State and CSEA have agreed to institute a Mandatory Alternate Duty Program described herein.

This program is designed to assist employees in returning to work prior to resumption of full job duties and to enable agency management to utilize the capabilities of those employees who would otherwise be unable to return to duty. (The term mandatory as used herein means that [a] an employee who meets the eligibility criteria and requests a mandatory alternate duty assignment must be offered a mandatory alternate duty assignment or the employee must be compensated as provided below, or [b] an employee who meets the eligibility criteria can be ordered by management to return to a mandatory alternate duty assignment.)

B. Eligibility

To qualify for participation in the Mandatory Alternate Duty Program, an employee must meet the following criteria:

1. be classified as partially disabled at 50 percent or less by the State Insurance Fund (SIF); and
2. have a prognosis of full recovery (defined as the ability to perform the full duties of the job in which the employee was injured) within 60 calendar days (defined as 60 calendar days prior to the date of full recovery given by the examining physician).

These medical findings may occur in the course of an examination by an SIF consulting physician, or by the employee's attending physician, or in connection with a management-ordered medical evaluation. (Refer to "Medical Documentation" below).

An employee meeting these eligibility criteria may request his/her agency to develop an alternate duty assignment. Such request can be submitted at any time between the date of full recovery specified in the medical documentation and 80 calendar days prior to that date. However, in no instance may the mandatory alternate duty assignment begin earlier than 60 calendar days prior to the date of full recovery provided by the examining physician. For any such employee who meets the eligibility criteria set forth above, as determined on the basis of medical documentation satisfactory to management, the appointing authority is required to take one of the following actions:

1. offer the employee a mandatory alternate duty assignment for up to 60 calendar days which takes into account the employee's physical limitations; or

2. where a mandatory alternate duty assignment cannot be provided, arrange for the employee to receive a supplement equal to the difference between that employee's full statutory benefit rate based on 100 percent disability and the partial disability statutory benefit rate paid to that employee by the SIF. This supplement is payable for the period the mandatory alternate duty assignment would have been expected to last, not to exceed 60 calendar days.

If a qualified employee does not request an alternate duty assignment, agency management may direct the employee to return to work on an alternate duty basis. Such alternate duty assignment shall be for up to 60 calendar days and shall take into account the employee's physical limitations.

The employee who accepts a mandatory alternate duty assignment is entitled to receive his/her regular full salary for the period of the mandatory alternate duty assignment. Where an employee declines a mandatory alternate duty assignment, the employee will be referred to the SIF for an appropriate benefit determination. Employees who neither request nor are ordered to return to work continue to receive wage replacement benefits from the SIF in accordance with the Workers' Compensation Law.

C. Medical Documentation

Medical documentation submitted to support an employee's participation in the Mandatory Alternate Duty Program must be satisfactory to management. This documentation should contain the following

information: a statement that the employee is 50 percent or less disabled, an estimated date of full recovery that is within 80 calendar days of the date of the medical examination, and a statement of the physical limitations which need to be taken into consideration in developing the employee's mandatory alternate duty assignment. This documentation may be provided by a SIF or other State-selected physician or by the employee's attending physician or be a combination of information from these sources.

All medical documentation should be treated confidentially and great care should be exercised to protect employees against the indiscriminate dissemination or use of the medical information it contains. However, appropriate agency staff are entitled to have access to the medical information related to an employee's physical limitations to the extent it is necessary (1) to evaluate the employee's ability to participate in the Mandatory Alternate Duty Program and (2) to develop an appropriate assignment.

In certain instances, agency management will need additional medical information beyond the original documentation regarding an employee's participation in the Mandatory Alternate Duty Program. This need usually can be met by requesting more detailed information from the examining physician. Occasionally, agencies may need to have the employee examined by a physician selected by management. In those cases where agency management feels the need to have the employee examined by a physician selected by management, the agency shall make a reasonable effort to complete a medical examination within 20 calendar days from receipt of the employee's request for a mandatory alternate duty assignment.

When agency management fails to complete the medical examination and reach a decision regarding the employee's eligibility for an alternate duty assignment within the 20 calendar day period, the employee shall receive a supplement equal to the difference between the employee's full 100 percent disability statutory benefit rate and the partial statutory benefit rate being paid to the employee by the SIF until the examination is completed and a decision made. This provision shall not apply where the failure of the agency-selected physician to complete the medical examination is attributable to the employee's failure to appear for the examination, the employee's refusal to allow it to be held, or the employee's refusal to

cooperate or provide the necessary documentation.

If, following this examination, the agency's physician does not find the employee eligible to participate in the Mandatory Alternate Duty Program, the employee will be referred to the SIF for an appropriate benefit determination.

The issue of medical documentation is not reviewable under Article 34 of the Agreement.

D. Development of Mandatory Alternate Duty Assignments

A mandatory alternate duty assignment, to constitute a valid offer, must be reflective of the employee's physical limitations and may involve performance of some duties of the employee's regular position, or some duties of another existing position or a composite of tasks from several positions. Through a review of past workers' compensation experience, agencies may be able to develop an inventory of potential alternate duty assignments or tasks. However, agencies are expected to make every effort to tailor any mandatory alternate duty assignment to the employee's specific limitations and individual capabilities.

An offer of mandatory alternate duty assignment to an employee should include the following:

- description of proposed alternate duties
- location of assignment
- work hours and workweek
- supervisor
- starting date (no earlier than 60 calendar days prior to the anticipated date of full recovery) and ending date (the anticipated date of full recovery).

The specifications in the offer will be based on the medical documentation accepted by management.

If an eligible employee believes that some element of the proposed mandatory alternate duty assignment constitutes a personal hardship, he/she may express the claim of hardship to the appropriate agency official. Such claim of hardship will be considered by the agency official and responded to in writing with a copy to CSEA prior to the proposed beginning date of the mandatory alternate duty assignment or as soon thereto as possible. This response shall be considered dispositive of the matter.

As stipulated in the Agreement, management has the authority to make mandatory alternate duty assignments to tasks that can be performed by the employee which may not necessarily fall within the employee's regular salary grade, title series or job duties and are not considered violations of either Article 24 or Section 61.2 of the Civil Service Law. Also, such assignments are not considered violations of Articles 44 or 45 of the agreements since mandatory alternate duty assignments exist outside the posting and bidding process. Additionally, when developing an assignment, management is not restricted to the employee's former work location, work schedule, or workweek and such conditions of the assignment are not considered violations of Article 32. Once a complete mandatory alternate duty assignment is established for the period required, the provisions of Article 32 cover the employee while he/she is working in the assignment.

Management is expected to accommodate the employee as much as possible and exercise sound judgment and consistency in the development of mandatory alternate duty assignments. Agency management will discuss, clarify and review the proposed mandatory alternate duty assignment with the employee and will discuss any changes in that assignment that become necessary during the course of the assignment prior to the change taking place. It is not the intent of this policy, however, to in any way entitle an affected employee to negotiate his/her mandatory alternate duty assignment with agency management.

The provisions of this program including, for example, the nature of alternate duty assignments and the review of personal hardship situations, are appropriate subjects for labor/management discussions.

E. Expiration of Mandatory Alternate Duty Assignments

When an employee's mandatory alternate duty assignment expires, the employee will be found able to perform the full duties of his/her regular position in most cases and will return to full duty. If not sufficiently recovered, however, the employee is either returned to being covered by the Workers' Compensation statute (and will receive a wage replacement benefit reflective of the employee's level of disability) or may request a discretionary extension of the mandatory alternate duty assignment. (See "Extension of Mandatory Alternate Duty Assignments" below.)

Nothing in this policy abrogates management's rights to have the

employee examined by a physician selected by management as a condition of allowing the employee to return to full duties. In other words, the fact that there was an initial prognosis accepted by management of ability to perform the full duties of the employee's regular job on a specific date does not make return to full duty at the end of the mandatory alternate duty assignment on that date automatic.

F. Extension of Mandatory Alternate Duty Assignments

There may be exceptional cases where employees who qualified for and participated in the Mandatory Alternate Duty Program and whose mandatory alternate duty assignment has expired do not fully recover within the specified period. Since their alternate duty assignments automatically expire, these employees may request and management may elect to continue the assignments on a discretionary basis beyond the established ending date. Such extensions are subject to the terms and conditions of this program and are solely at management's discretion based on submission of additional medical documentation satisfactory to management. Extensions will be granted only for very limited time periods, for example, in single payroll period blocks and only when supported by satisfactory medical documentation.

G. Termination of Mandatory Alternate Duty Assignments

An alternate duty assignment may be terminated prior to its expiration if it is determined, based on medical documentation satisfactory to management, that the employee is able to return to full duties earlier than the original prognosis had indicated. In exceptional cases, management may determine that a mandatory alternate duty assignment in progress is not successful. In that instance, management may elect to modify the mandatory alternate duty assignment to improve the prospects for success. Such changes should be discussed with the employee prior to being implemented. Alternatively, management may rescind the mandatory alternate duty assignment, in which case management is required to provide the employee with a supplement equal to the difference between the employee's full 100 percent statutory benefit rate and the partial disability benefit rate paid to that employee by the SIF. Such supplement will not be paid beyond the point the mandatory alternate duty assignment would have expired.

Article 22 Employment Security

A. REDEPLOYMENT PROCESS AND PROCEDURES

This process and procedure is developed to support the provisions of Article 22 regarding the redeployment of permanent employees impacted by the State's right to contract out for goods and services. It is the State's intent to redeploy employees affected to the maximum extent possible in instances where the positions will be eliminated as a result of the contracting out for goods and services. All agencies will work cooperatively to ensure that every opportunity to redeploy is explored. Employees will be flexible in considering redeployment alternatives.

(1) General Redeployment Rules and Definitions

(a) Rules

1.a. All employees whose functions will be contracted out will be placed on a redeployment list with the employees' eligibility remaining in effect until the employee is redeployed, exercises his or her displacement or reemployment rights, or is separated pursuant to the provisions of Article 22.1. However, such list, established pursuant to the intended contracting out of the specific function, will expire when all employees on that list are either redeployed, exercise their displacement or reemployment rights, or are separated pursuant to Article 22.1. In the event that not all employees in an affected title in a layoff unit must be redeployed, eligibility for retention shall be based on seniority as defined in Section 80 and 80-a of the Civil Service Law, except that employees in such affected titles may voluntarily elect to be redeployed. In the event that more employees elect redeployment than can be accommodated, eligibility for redeployment shall be in order of seniority as defined in Section 80 and 80-a of this law. The names of persons on a redeployment list shall be certified for redeployment in order of seniority.

b. Should an employee not be redeployed prior to separation, that employee shall continue on a redeployment list after separation for a period not to exceed six months or until the employee is redeployed or exercises his/her reemployment rights.

A redeployment list comprised of separated employees shall be certified to positions occupied by non-permanent employees pursuant to Civil Service procedures, prior to the certification of other reemployment lists.

It is anticipated that, based on Civil Service practice, redeployment lists will be certified against non-permanent appointees within 30-45 days of separation.

2. Redeployment under the terms of Article 22 shall not be used for disciplinary reasons.

3. The State shall make its best efforts to arrange with other non-executive branch agencies, authorities and other governmental entities to place redeployed personnel should redeployment in the classified service not be possible.

4. A vacancy in any State department or agency shall not be filled by any other means, except by redeployment, until authorized by the Department of Civil Service. Agencies with authority to fill vacancies will be required to use the redeployment list provided by the Department of Civil Service to fill vacancies.

5. Employees offered redeployment shall have at least five (5) working days to accept or decline the offer.

6. Full-time employees will be redeployed to full-time assignments and part-time employees will be redeployed to part-time assignments, unless the employees volunteer otherwise.

7. Redeployment opportunities within ASU, ISU, OSU and DMNA shall first be offered to affected employees in the units. Exceptions to this section may be agreed to by the Employment Security Committee.

8. There shall be the following types of redeployment:

9. Primary redeployment shall mean redeployment to the employee's current title or a title determined by the Department of Civil Service to have substantially equivalent tests, qualifications or duties. Comparability determinations shall be as broad as possible and will include consideration of the professional licenses or educational degrees required of the incumbents of the positions to be contracted out.

b. Secondary redeployment shall be to a title for which the employee qualifies by virtue of his or her own background and qualifications. Participation shall not be mandatory for either party. If an individual employee is interested in secondary redeployment, the State shall work with that employee to identify suitable available positions and arrange for placements. Should the Department of Civil Service determine that an employee can be certified for appointment to a particular job title, such

employee shall be placed on the appropriate reemployment roster immediately upon such determination. Appointments from such reemployment rosters shall be governed by Civil Service Law. The State shall make its best efforts to identify suitable available positions and arrange for placements. Secondary redeployment shall not be considered until primary redeployment alternatives are fully explored.

c. Employees not successfully redeployed through their primary and secondary redeployment options may be temporarily appointed to positions in which they are expected to be qualified for permanent appointment within nine months. At the discretion of the appointing authority and the Department of Civil Service, this period may extend to one year. Participation shall not be mandatory for either party.

When the employee completes the necessary qualification(s) for the position, such employee shall be permanently appointed to the position pursuant to Civil Service Law, Rules and Regulations.

If the employee fails to complete the required qualification(s) for the position, fails the required probation, or is otherwise not appointable, the employee's transition benefits shall be subject to the provisions of subsection 14(d) below.

In the event an employee completes the qualification(s) but is unappointable because of the existence of a reemployment list, that employee shall be placed on the reemployment roster for the title in question.

If the trainee employee is appointed pursuant to the foregoing to a higher level position, the employee shall retain his/her present salary while in a trainee capacity.

If the trainee employee is appointed pursuant to the foregoing to a lower level position, a trainee salary rate appropriate to the new position will be determined at the time of appointment.

d. Employees who are redeployed to comparable titles or through secondary redeployment in a lower salary grade shall be placed on reemployment lists.

9. Agencies with employees to be redeployed shall notify the Department of Civil Service of the name, title and date of appointment of affected employees at least 90 days' prior to the effective date of the contract for goods and services which makes redeployment necessary. If more than 90

days' notice is possible, such notice shall be provided. Agencies shall be responsible for managing the redeployment effort in conjunction with the Department of Civil Service. Employees to be redeployed shall be notified by their agency at the same time as the agency notifies the Department of Civil Service.

10. Redeployment to current or comparable titles shall be accomplished without loss to the redeployed employee of compensation, seniority or benefits (except as affected by new bargaining unit designations). Future increases in compensation of employees redeployed to comparable titles shall be determined by the position to which the employee is redeployed. Subsequently negotiated salary increases shall not permit an employee to exceed the second longevity step of the new position.

11. Salary upon secondary redeployment shall be that appropriate for the salary grade to which the employee is redeployed, as calculated by the Office of the State Comptroller and/or the Director of Classification and Compensation, as appropriate.

12. An employee may elect redeployment to any county in New York State, but the employee may not decline primary redeployment in his/her county of residence, or county of current work location. Such declination will result in separation without the transition benefits of Article 22.1(b) of the Agreement.

13. Any fees required by the Agency or the Department of Civil Service upon the redeployment of an employee shall be waived. Redeployed employees who qualify for moving expenses under the State Finance Law Section 202 and the regulations thereunder shall be entitled to payment at the rates provided for in the Rules of the Director of the Budget 9 NYCRR Part 155.

14. Probation

a. Permanent non-probationers redeployed to positions in their own title or to titles for which they would not be required to serve a probationary period under Civil Service Law and Rules shall not be subject to further probation.

b. Probationers redeployed to positions in their own title shall serve the balance of their probationary period in the new agency.

c. Employees redeployed to comparable titles for which they would be required to serve a probationary period under applicable Civil Service Law

and Rules or under secondary redeployment shall be subject to a probationary period in accordance with the Rules for the Classified Service.

d. Employees who fail probation shall be eligible for layoff and preferred list rights in their original titles. Additionally, such employees who fail probation shall have an opportunity to select either the transition benefit of an Educational Stipend as set forth in Appendix VIII(B), or the Severance Option as provided for in Appendix VIII(C). The value of the salary earned during the redeployed employee's probation (or in connection with 8(c) above) shall be subtracted from the value of the transition benefit, VIII(B) or VIII(C), chosen by the employee.

(b) Definitions

1. Seniority shall be determined by Section 80 of the Civil Service Law for competitive class employees and by Article 20.1 of the Agreement for non-competitive and labor class employees.

2. In the event that two or more employees have the same seniority date, the employee with the earliest seniority date in an affected title shall be deemed to have the greater seniority. Further tie breaking procedures shall be developed by the Committee and applied consistently.

(2) Role of the Employment Security Committee

The Committee shall meet at least bimonthly to discuss open issues related to the redeployment process. Such issues shall include, but not be limited to: comparability determinations; vacancy availability; information sharing in hiring and redeployment; dispute resolution; Civil Service layoff procedures; hardship claims from individual employees in the redeployment process. The Committee shall also explore the viability of expanding the redeployment concept to other reduction in force situations.

(3) Grievability and Dispute Resolution

The application of terms of the Appendix shall be grievable only up to Step III of the provisions of Article 34 (Grievance and Arbitration Procedure).

Disputes raised to the Step III level will be reviewed by the Employment Security Committee for attempted resolution. If a decision must eventually be rendered and no resolution is agreed to, the decision shall be issued pursuant to the procedures outlined in Article 34.1(b).

B. EDUCATION STIPEND

(1) Eligibility

The Education Stipend shall solely apply to permanent employees who are eligible as per Article 22.1, who have agreed to accept the terms as set forth herein and have been notified of their acceptance by the State.

Employees who have exercised one of the options described in Section 22.1(b)(ii), (iii) of the Agreement and related Appendices shall be ineligible for the Education Stipend set forth herein.

(2) Stipend

An employee may elect to receive an Education Stipend for full tuition and fees at an educational institution or organization of the employee's choosing to pursue course work or training offered by such institution or organization provided, however, that the employee meets the entrance and/or course enrollment requirements. The maximum stipend cannot exceed the one year (two semesters) SUNY tuition maximum for Resident Graduate Students. Such tuition will be paid by the State directly to the institution in which the employee is pursuing course work, subject to certification of payment by the agency.

(3) Health Insurance

A permanent affected employee who elects the Education Stipend and is separated, shall continue to be covered under the State Health Insurance Plan at the same contribution rate as an active employee for one year following such separation or until reemployment by the State or employment by another employer, whichever occurs first.

(4) Grievability and Dispute Resolution

The application of terms of the Appendix shall be grievable only up to Step III of the provisions of Article 34 (Grievance and Arbitration Procedure).

Disputes raised to the Step III level will be reviewed by the Employment Security Committee for attempted resolution. If a decision must eventually be rendered and no resolution is agreed to, the decision shall be issued pursuant to the procedures outlined in Article 34.1(b).

C. SEVERANCE OPTION

(1) Definitions

The terms "affected employee" and "affected employees" shall refer to those employees of the State of New York who are represented by the Civil

Service Employees Association, Inc. and who are subject to redeployment pursuant to provisions of Article 22.1, unless otherwise indicated herein.

The term “Service” shall mean an employee’s State service as would be determined by the Retirement System, regardless of jurisdictional class or Civil Service status.

(2) Eligibility

The severance benefits provided by this Severance Option shall apply solely to permanent employees who are eligible pursuant to §22.1, and who have agreed to accept the terms as set forth herein; have been notified of their acceptance by the State; have executed a Severance Agreement; and are subject further to the limitations set forth in §2.c. below.

Employees who have declined a primary redeployment opportunity in county of residence, or county of work location or exercise one of the options described in Article 22.1(b)(i) or (iii) shall be ineligible for the severance benefits set forth in this Severance Option.

(3) Payment Schedule

a. Other than those covered under b. below, all affected employees with at least six (6) months, but less than one year of service are eligible to receive \$2,000 or two weeks’ base pay, whichever is greater.

Each additional year of service will result in a \$600 increase per year to a maximum of \$15,000. However, employees in the following categories will receive the amount specified if that amount exceeds that which would be otherwise payable:

One year of service, but less than three years of service.	4 Weeks of Base Pay
Three years of service, but less than five years of service.	6 Weeks of Base Pay
Five years of service, but less than ten years of service.	8 Weeks of Base Pay

Ten years of service, but less than fifteen years of service. 10 Weeks of Base Pay

Fifteen years of service, but less than twenty years of service. 12 Weeks of Base Pay

Twenty or more years of service. 14 Weeks of Base Pay

b. Affected employees 50 years of age or over may choose the schedule in (a) above or the following at their option:

- employees with 10 years of service, but less than 15 are eligible to receive 20 percent of base annual salary;
- employees with 15 years of service, but less than 20 are eligible to receive 30 percent of base annual salary;
- employees with 20 years of service, but less than 25 are eligible to receive 40 percent of base annual salary;
- employees with 25 years of service or more are eligible to receive 50 percent of base annual salary.

(4) Payment Conditions

a. All payments made to affected employees under the Severance Option shall be reduced by such amounts as are required to be withheld with respect thereto under all federal, state and local tax laws and regulations and any other applicable laws and regulations. In addition, the severance payment made pursuant to §3 of this Severance Option shall not be considered as part of salary or wages for the purposes of determining State and member pension contributions and for the purposes of computing all benefits administered by the New York State Employees’ Retirement System.

b. All payments made to affected employees under this Severance Option are considered to be one-time payments and shall not be pensionable. Each affected employee must execute a Severance Agreement (sample hereto) prior to separation from State service in order to be eligible to receive said payment.

c. In no event shall an affected employee who returns to State service receive severance pay in an amount that would exceed that which he or she would otherwise have received as base annual salary during the period of separation from State service. Should the amount of severance pay exceed the amount of base annual pay otherwise earned during the period of separation from State service, said employee shall repay the difference pursuant to the following rules:

i. Any affected employee who resumes State service shall repay such excess payments received within one (1) year of the employee's return to payroll, by payroll deductions in equal amounts.

ii. Nothing in this §4.c. shall affect the State's right to recover the full amount of the monetary severance payment by other lawful means if it has not recovered the full amount by payroll deduction within the time periods set forth herein.

(5) Grievability and Dispute Resolution

a. The application of terms of the Appendix shall be grievable only up to Step III of the provisions of Article 34 (Grievance and Arbitration Procedure).

b. Disputes raised to the Step III level will be reviewed by the Employment Security Committee for attempted resolution. If a decision must eventually be rendered and no resolution is agreed to, the decision shall be issued pursuant to the procedures outlined in Article 34.1(b).

(6) Health Insurance

A permanent affected employee who elects the severance option and is separated, shall continue to be covered under the State's Health Insurance Plan at the same contribution rate as an active employee for one year following such separation or until reemployment by the State or employment by another employer, whichever occurs first.

(7) Savings Clause

If any provision of this Severance Option is found to be invalid by a decision of a tribunal of competent jurisdiction, then such specific provision or part thereof specified in such decision shall be of no force and effect, but the remainder of this Severance Option shall continue in full force and effect.

Appendix IX

Counseling

Counseling is an effort on the part of a supervisor to provide to an employee, positively or negatively, significant feedback regarding on-the-job activity. It is meant to be a positive communication device, clarifying what has occurred and what is expected. Counseling is not disciplinary, having constructive goals, such as assisting in employee development, or teaching or modifying behavior. It involves face-to-face contact and out of respect to the employee and the process, must be conducted in private.

Counseling is not viewed as a routine matter. When contemplating the issuance of a follow-up memo, supervisors should consider if that level of normal response is necessary or appropriate. Not all incidents require counseling, not all counseling requires the issuance of a memo. Consideration of this action may be appropriate for discussion with higher levels of supervision and/or the personnel department. If such a memo is issued to an employee, it must accurately describe the discussion and clearly establish expectations for the future. Overall, counseling is viewed as a supportive supervisory means of communication with employees.

Any grievances regarding counseling are grievable only to the extent provided by Article 18 of the Agreement.

Appendix X

Leave Donation

This Appendix describes the leave donation program applicable to employees of the CSEA Bargaining Units. Detailed guidelines on program administration are contained in Attendance and Leave Manual Appendix H.

Program Description

The intent of the Leave Donation Program is to provide a means of assisting employees who, because of long-term personal illness, have exhausted their accrued leave credits and would otherwise be subject to a severe loss of income during a continuing absence from work. This Appendix extends the current provisions of the Leave Donation Program.

Eligibility Criteria - Donors

In order to donate vacation credits an employee of this unit must:

- have a minimum vacation balance of at least ten days after making the donation, based on the donor's work schedule. Vacation credits which would otherwise be forfeited may not be donated.
- donor identity is kept strictly confidential.

Eligibility Criteria - Recipients

In order to receive donated leave credits, an employee of this unit must:

- be subject to the Attendance Rules or otherwise eligible to earn leave credits;
- be absent due to a non-occupational personal illness or disability for which medical documentation satisfactory to management is submitted as required;
- have exhausted all leave credits;
- be expected to continue to be absent for at least two bi-weekly payroll periods following exhaustion of leave credits or sick leave at half-pay;
- must not have had any disciplinary actions or unsatisfactory performance evaluations within the employee's last three years of State employment

Donation to and from Employees in Other Units

Employees of this Unit may participate in the voluntary donation or receipt of accrued vacation credits with employees of other bargaining units or those designated M/C subject to the following conditions:

Vacation credits may only be donated, received, or credited between employees who are deemed eligible to participate in an authorized leave donation program, provided that there are simultaneously in effect a Leave Donation Exchange Memorandum of Agreement between the Governor's Office of Employee Relations and the employee organizations representing both the proposed recipient and the proposed donor, or applicable attendance rules for managerial or confidential employees, that authorize such donations.

The donations are governed by the provisions of the program applicable to the donor; receipt, crediting and use of donations are governed by the provisions of the program applicable to the recipient.

Restrictions on Donations

Only vacation credits which would not otherwise be forfeited may be donated. Credits must be donated in full-day units (7.5 or 8 hours). There

is no limit on the number of times an eligible donor may make donations. Donated credits not used by recipients are returned to the donor, provided the donor is employed in the same agency as the recipient. Donated credits from employees outside the agency will NOT be returned.

There is no maximum number of days which a recipient employee may accept, provided, however, that donated credits cannot be used to extend employment beyond the point it would otherwise end by operation of law, rule or regulation. There is no maximum number of donors from whom an eligible employee may accept donations.

An employee's continuing eligibility to participate in this program must be reviewed by the agency personnel office at least every 30 days and more frequently if appropriate, based on current standards as to what constitutes satisfactory medical documentation.

Use of Donated Credits

Donated credits may be used, at the employee's option, in full-day units after exhaustion of all leave credits and prior to sick leave at half-pay or in either full or half-day units after exhaustion of sick leave at half-pay.

An employee who opts to use donated credits prior to sick leave at half-pay is permitted to again participate in this program following exhaustion of sick leave at half-pay. Use in full or half-day units is based on the recipient employee's work schedule.

Donations made across agency lines shall be used prior to donations made within the agency.

Status of Recipient Employees

Recipient employees are deemed to be in leave without pay status for attendance and leave purposes while charging donated leave credits. They do not earn bi-weekly accruals or observe holidays, nor do they receive personal leave or vacation bonus days if their anniversary dates fall while using donated leave credits. Time charged to donated leave credits does not count as service for earning additional eligibility for sick leave at half-pay.

Employees using donated leave receive retirement service credit for days in pay status.

Health insurance premiums, retirement contributions and other payroll deductions continue to be withheld from the employee's paycheck so long as the check is of an amount sufficient to cover these deductions.

Solicitations

Donations may be solicited by the recipient employee, on his or her behalf by coworkers or by local union representatives. The employing agency may not solicit donations on the employee's behalf.

Administrative Issues

The employing department or agency is responsible for verifying medical documentation, reviewing eligibility requirements, approving and processing donations, confirming employee acceptance of donations and transferring credits. This program is not subject to the grievance procedure contained in this Agreement.

For purposes of this Appendix, family shall be defined as any relative or any relative-in-law regardless of place of residence, or any person with whom the employee makes his or her home.

Appendix XI

Productivity Enhancement Program

This Appendix describes the Productivity Enhancement Program available to employees in the Administrative Services, Institutional Services, Operational Services and Division of Military and Naval Affairs Units. Detailed guidelines on program administration will be issued by the Department of Civil Service.

Program Overview

Appendix XII

Voluntary Reduction in Work Schedule

Program Guidelines Introduction:

Voluntary Reduction in Work Schedule (VRWS) is a program that allows employees to voluntarily trade income for time off. The VRWS program is available to eligible annual-salaried employees in the Administrative Services Unit (ASU), Operational Services Unit (OSU), Institutional Services Unit (ISU), and Division of Military and Naval Affairs Unit (DMNA). Individual VRWS agreements may be entered into for any number of payroll periods up to a maximum of 26 bi-weekly pay periods in duration and must expire at the end of the last payroll period in the fiscal year.

1. Purposes

a. VRWS provides agencies with a flexible mechanism for allocating staff resources.

b. VRWS permits employees to reduce their work schedules to reflect personal needs and interests.

2. Limitations: Eligibility, Work Schedule Reduction, Term of VRWS

a. Eligibility: This program is available to certain annual-salaried employees in the Administrative Services, Operational Services, Institutional Services and Division of Military and Naval Affairs Units.

(1) Employees are required to be employed to work on a full-time annual salaried basis for a minimum of one bi-weekly payroll period immediately prior to the time of entry into the VRWS Program. Time on paid or unpaid leave from a full-time annual salaried position satisfies this requirement.

and

Employees must remain in a full-time annual salaried position during the term of the VR agreement.

and

Employees must have one continuous year of State service on a qualifying schedule (any schedule which entitled the employee to earn leave credits, not necessarily a full time schedule).

Consistent with the way in which creditable service is counted under the Attendance Rules, separations of less than one year and periods of leave without pay of any duration are not counted toward the one-year service requirement but do not constitute a break in service. Employees who separate from State service (through resignation, termination, layoff, etc.) for more than one year cannot count service preceding that break in service toward the one-year requirement (unless the employee is reinstated by the Civil Service Commission or Department or appointed while on a preferred list.) Payroll periods of VRWS participation, Sick Leave at Half Pay, or Workers' Compensation Leave and time on the Leave Donation Program will count toward the one-year service requirement.

b. Work Schedule Reduction: Participating employees may reduce their work schedules (and salaries) a minimum of five (5) percent, in five percent increments, up to a maximum of thirty (30) percent.

c. Term of VRWS Program: Effective with the first full bi-weekly payroll period in October 2000, the VRWS program will commence for employees in the Administrative Services, Operational Services, Institutional Services and Division of Military and Naval Affairs Units.

3. Description of an Employee VRWS Agreement

a. An employee develops a plan for a reduced work schedule.

b. Management reviews and approves the plan as long as it is consistent with operating needs.

c. Jointly agreed plan specifies:

(1) Duration of VRWS agreement which may be up to a maximum of 26 bi-weekly payroll periods with the VRWS agreement expiring the last day

of the last payroll period in the fiscal year.

(2) Percentage reduction of work schedule and salary.

(3) Amount of VR time earned in exchange for reduced salary.

(4) Schedule for use of VR time earned. This may be either a fixed schedule, e.g., every Friday, every Wednesday afternoon, an entire month off, etc. or intermittent time off.

(i) An employee's fixed schedule VR time off, once the VRWS schedule has been agreed upon by management, cannot be changed without the consent of the employee except in an emergency. In the event an employee's schedule is changed without his or her consent, the employee may appeal this action through an expedited grievance procedure.

(ii) VR time used as intermittent time off will be subject to scheduling during the term of the VRWS agreement, and will require advance approval by the employee's supervisor.

d. While the VRWS agreement is in effect, the employee will earn and accumulate VR credits in accordance with the percentage reduction in work week, e.g., a 10 percent reduction will result in 7.5 or 8 hours of VR credit earned each payroll period which the employee will charge on his or her scheduled VR absences. If the employee's VRWS schedule calls for one-half day off every Friday afternoon, 3.75 or 4 hours of VR credits will be charged for each Friday. An employee whose VRWS agreement calls for a 10 percent reduction and taking an entire month off will work his or her full 37.5 or 40 hours each week, accrue 7.5 or 8 hours of VR credit each payroll period, and have the accumulated VR credits to use during that month.

e. The employee never goes off the payroll. The employee remains in active pay status for the duration of the agreement and receives pay checks each payroll period at the agreed-upon, temporarily reduced level.

f. The employee will work a prorated share of his or her normal work schedule over the duration of the agreement period.

g. Participation in the VRWS program will not be a detriment to later career moves within the agency or the State.

h. Scheduled non-work time taken in accordance with a VRWS agreement shall not be considered to be an absence for the purpose of application of Section 4.5(f) of the Civil Service Rules governing probationary periods.

4. Time Limits

The employee and management can establish a VRWS agreement on a fiscal year basis of any number of payroll periods in duration from one (1) to twenty-six (26). The VRWS contract expires the last day of the last payroll period in the fiscal year. The VRWS agreement must begin on the first day of a payroll period and end on the last day of a payroll period. VRWS ending balances must be segregated for each fiscal year. The employee and management may, by agreement, discontinue or modify the VRWS agreement if the employee's needs or circumstances change.

5. Time Records Maintenance

a. All VRWS schedules will be based on the crediting and debiting of VR credits on the employee's time card against a regular 37.5 or 40 hour workweek.

b. VR credits earned during an agreement may be carried on the employee's time card past the end of the individual VRWS agreement and past the end of the fiscal year but must be liquidated by the September 30th following the end of the fiscal year in which the individual VRWS agreement expires. VRWS ending balances must be segregated for each fiscal year.

c. There is no requirement that existing paid leave credits (including previously earned and banked VR credits) be exhausted prior to the beginning of the new VRWS agreement. However, agencies should encourage employees to use carried-over VR credits on a priority basis.

6. Advancing of VR Credits: Recovering a VR Credit Debit

a. To accommodate an employee whose VRWS agreement calls for an extended absence during the agreement period, an agency may advance VR credits in an amount not to exceed the number of hours for which the employee is paid in one payroll period.

b. If an employee terminates his or her employment and has a VR debit, the agency shall recover the debit from the employee's lagged salary payment for his or her last payroll period at work.

7. Coordination with Alternative Work Schedules

It is possible to coordinate VRWS agreements with Alternative Work Schedule arrangements when desired by the employee and consistent with operating needs. For example, a VRWS agreement may be combined with four-day week scheduling for a 37.5 hour/ week employee by the employee

opting for a 10 percent reduction to produce a workweek of 3 days of 8.5 hours and 1 day of 8.25 hours. Such a schedule would generate savings for the employee of commuting expenses, childcare costs, etc. An alternative work schedule which applies to a single employee is considered to be an individualized work schedule and does not require approval through the normal Alternative Work Schedule approval process.

8. Effect on Benefits and Status

The effect of participation in the VRWS program on benefits and status is outlined in Appendix A.

9. Effect on Overtime Payment for Overtime Eligible Employees

Scheduled absences charged to VR credits, unlike absences charged to leave credits, are not the equivalent of time worked for purposes of determining eligibility for overtime payments at premium rates within a workweek. For example, an employee who, under an 80 percent VRWS schedule, works four days, charges the fifth day to VR credits, and is called in to work a sixth day, will not be considered to have worked the fifth day and thus will not be entitled to premium rate payments on the sixth day. Similarly, VR credits earned, banked and charged after the payroll period in which they are earned are not counted in determining eligibility for overtime in the workweek in which they are charged. However, employees who work full time at reduced salary and bank VR credits who, as the result of working and charging leave accruals other than VR credits, exceed their normal 37.5 or 40-hour workweek continue to be eligible for overtime compensatory time and paid overtime in that workweek as appropriate.

Sections 135.2(h) and (i) of Part 135 of the Budget Director's Overtime Rules are waived to the extent necessary to permit payment of overtime compensation to overtime-eligible employees who are participating in this program.

10. Discontinuation or Suspension of VRWS Agreements

Although VRWS agreements are for stated periods of time, they can be discontinued by mutual agreement at the end of any payroll period. VR agreements may be discontinued, at management discretion, when an employee is promoted, transferred or reassigned within an agency, facility or institution, although VR credits must be carried forward on the employee's time record.

VR agreements may also be discontinued when an employee moves

between agencies or between facilities or institutions within an agency. (See Provisions for Payment of Banked (Unused) VR Time in Exceptional Cases below.)

Employees who go on sick leave at half pay for 28 consecutive calendar days, who receive leave donation credits for 28 consecutive calendar days or who are absent because of a work-related injury or illness for 28 consecutive calendar days will have their VRWS agreement suspended and be returned to their normal full- time work schedule and pay base. For accidents occurring on or after July 1, 1992, CSEA employees covered under the Statutory Benefit Program will continue on VRWS until the first day they are placed on workers' compensation disability leave, at which time they will have their VRWS agreement suspended. Suspension of a VR agreement does not extend the agreement beyond its scheduled termination date. If the employee returns to work prior to the scheduled termination date of the VR agreement, the employee's participation in the VR agreement resumes and continues until the scheduled termination date, unless both parties agree to terminate the agreement.

11. Provisions for Payment of Banked (Unused) VR Time in Exceptional Cases

The VRWS program is intended to be a program that allows employees to voluntarily trade income for time off. The agreement for program participation between the employee and management includes a plan for the use of VR time earned. Management must make every effort to ensure that VR time earned by an employee is used (1) under the terms of the individual VRWS agreement, (2) before the September 30th liquidation date (see Section 5b), (3) before the employee separates from State service, and (4) while the employee is on the job he or she was in when the VRWS program agreement was made. If this is not possible, payment for banked (unused) VR time may be made in exceptional cases that fall under the following criteria:

(a) Upon layoff, resignation from State service, termination, retirement or death, unused VR time will be paid at the then current straight time rate of pay.

(b) Upon movement of an employee from one agency to another or between facilities or institutions within an agency, unused VR time will be paid at the then current straight time rate of pay by the agency or

facility/institution in which the VR time was earned, unless the employee requests and the new agency or facility/institution accepts the transfer of the VR time on the employee's time card. The lump sum payment for VR balances upon movement to another agency or facility/institution will be made irrespective of whether or not the employee is granted a leave of absence from the agency where the VR time was earned. Payment will be made within two payroll periods following the move to the new agency/facility/institution.

(c) VRWS ending balances must be segregated for each fiscal year. Employees who accumulate VR time in a fiscal year and who are unable to use the VR time by the applicable September 30th liquidation date due to management requirements predicated on workload will be paid at the then current straight time rate of pay. Payment will be made within two payroll periods following the applicable September 30th liquidation date. Requests for payment in the exceptional cases specified in this subparagraph, as distinct from those specified in subparagraphs (a) and (b) above, should be directed to GOER Research Division-VRWS Program and will be decided on a case-by-case basis.

In all cases where payment for unused VR time is made, notification of payment must be sent to GOER Research Division-VRWS Program. Such notification must include date of payment, circumstances of payment, employee's name, title, number of hours in the employee's normal workweek (37.5 or 40), number of days of unused VR time, daily rate of pay, and gross dollar amount of payment. In addition, agencies must certify that they have not already used these savings for replacement staff in other programs or, if they have, identify another funding source for the payment.

12. Review of VRWS Denials

a. Individual Requests

An employee whose request to participate in the VRWS program has been denied shall have the right to request a written statement of the reason for the denial. Such written statement shall be provided within five working days of the request. Upon receipt of the written statement of the reason for the denial, the employee may request a review of the denial by the agency head or the designee of the agency head. Such requests for review must be made, and will be reviewed, in accordance with the following procedure:

(1) Requests must be submitted by the employee or the employee's

representative within ten working days of receipt of the written statement or of the date when the written statement was due.

(2) Requests must be submitted to the official who serves as the agency head's designee at Step 2 of the grievance procedure. Employees of facilities must concurrently provide a copy of such request to the facility head.

(3) Such requests shall specify why the employee believes the written reasons for the denial are improper. The request must explain how the employee believes his or her work can be reorganized or reassigned so that his or her participation in the VRWS program will not unduly interfere with the agency's program operations.

(4) The designee of the agency head shall review the appeal and make a determination within ten working days of receipt. The determination shall be sent to the employee and a copy shall be sent to the President of CSEA. The determination shall be based on the record, except that the agency head's designee may hold a meeting with the employee and/or the employee's supervisors if the designee believes additional information or discussion is required to make a determination. If the employee believes that there are special circumstances that make a meeting appropriate, the employee may describe these circumstances in addition to providing the information specified in paragraph 3 above, and request that a review meeting be held. The agency head's designee shall consider such request in determining whether or not to hold a review meeting.

(5) The determination of the agency head's designee shall not be subject to further appeal.

b. Facility-Wide or Agency-Wide Practices

When CSEA alleges that an agency or a facility, or a sub-division thereof, has established a practice of routinely denying employee applications to participate, this matter shall be an appropriate subject for discussion in a labor/management committee at the appropriate level. Such labor/management discussions shall be held in accordance with relevant provisions of the applicable negotiated agreement.

13. Exceptions

The restrictions and limitations contained in these Program Guidelines may be waived by the Governor's Office of Employee Relations whenever that Office determines that strict adherence to the guidelines would be

detrimental to the sound and orderly administration of State government.

Appendix XIII

Leave Adjustment Program for Part-Time Annual Salaried Employees

The following describes the benefit available to eligible part-time annual salaried employees scheduled to work additional hours beyond their payroll percentage. Agencies must set up a procedure to review time records to provide the negotiated benefit described below.

This program is no longer a pilot program.

Eligibility

The provisions of this Program apply to eligible part-time annual salaried employees scheduled to work hours in excess of their payroll percentage.

In order to participate in this Program, part-time annual salaried employees must be employed to work a schedule equated to their payroll percentage which entitles them to earn leave credits under the Attendance Rules (either five days per week or at least half-time per bi-weekly pay period), not including the additional time worked above their payroll percentage.

“Employed to work a schedule” that entitles the employee to earn leave credits under the Attendance Rules means that the schedule assigned to the employee qualifies for the earning of leave credits under the Attendance Rules. The employee need not actually work that schedule each pay period in order to remain eligible. The employee may be on paid or unpaid leave from a qualifying schedule.

The additional time worked cannot be counted to qualify an otherwise ineligible employee to earn leave credits under the Attendance Rules. Leave credits can be granted for additional time worked only as described in this Program to part-time annual salaried employees already eligible to earn leave credits under the Attendance Rules for their work schedule equated to their payroll percentage.

For example, an employee with a payroll percentage of 40% and corresponding work schedule of four days per pay period cannot participate in the Program even though the employee works additional time for a fifth day each pay period because the employee’s work schedule based on his/her payroll percentage is not a qualifying schedule. On the other hand, an employee with a payroll percentage of 50% earns leave credits under the Attendance Rules based on the work schedule corresponding to his/her payroll percentage and is eligible to be granted vacation, sick leave and personal leave adjustment credits for additional time worked beyond his/her 50% schedule under this Program.

Participating employees are not eligible to be credited under this Program for additional hours worked in excess of the normal 37.5 or 40-hour workweek.

Vacation and Sick Leave

1. Agencies must review the additional time worked by eligible part-time annual salaried employees twice a year, for pay-rolls 1-13 and for payrolls 14-26. Additional vacation and sick leave will be credited within 60 days after the end of payroll period 13 and within 60 days after the end of payroll period 26.

The first crediting of additional vacation and sick leave occurred within a 60-day recording period following pay period 13 of fiscal year 2000-2001.

The provisions regarding the special rate for calculating vacation adjustment credits for employees who earn vacation at the 20-day rate apply to additional hours worked beginning in pay period 1 of fiscal year 2004-2005. The first crediting at this rate will occur within a 60-day period following the end of pay period 13 of fiscal year 2004-2005.

2. Agencies must credit eligible employees with vacation and sick leave adjustment credits proportional to the additional hours worked during the 13 pay periods under review.

Sick Leave Adjustment Credits

An employee must have worked a minimum of five (5) hours of additional time above the number of hours equated to his/her payroll percentage to earn an additional one-quarter (1/4) hour of sick leave. Eligible employees are credited with one-quarter (1/4) hour of sick leave for every five (5) hours of additional time worked during the thirteen pay periods under review. For this purpose, time worked includes time charged to leave credits (see 3 below).

Vacation Adjustment Credits for Employees Who Accrue at the Thirteen-Day Rate

An employee who earns vacation at the 13-day rate must have worked a minimum of five (5) hours of additional time above the number of hours equated to his/her payroll percentage to earn an additional one-quarter (1/4) hour of vacation. Eligible employees are credited with one-quarter (1/4) hour of vacation or every five

(5) hours of additional time worked during the thirteen pay periods under review. For this purpose, time worked includes time charged to leave credits (see 3 below).

Vacation Adjustment Credits for Employees Who Accrue at the Twenty-Day Rate

An employee who earns vacation at the 20-day rate must have worked a minimum of three and one quarter (3.25) hours of additional time above the number of hours equated to his/her payroll percentage to earn an additional one-quarter (1/4) hour of vacation. Eligible employees are credited with one-quarter (1/4) hour of vacation for every three and one quarter (3.25) hours of additional time worked during the thirteen pay periods under review. For this purpose, time worked includes time charged to leave credits (see 3 below).

When an employee's seventh anniversary date falls during the 13 pay periods under review, the employee will be credited with vacation adjustment credits at the 13-day rate for those 13 pay periods and thereafter will be credited with vacation adjustment credits at the 20-day rate.

Some examples follow:

A.1. During payroll periods 1-13 of 2004, a half-time ASU employee with three years of creditable service works a total of 80 hours beyond her normal half-time schedule. This employee would be credited with an additional four (4) hours of vacation and four (4) hours of sick leave within 60 days after payroll period 13. (80 hours of additional time worked divided by 5 hours = 16 five-hour segments multiplied by .25 hour credited for each 5 hours of additional time worked = four (4) hours of additional vacation and four (4) hours of additional sick leave.)

A.2. During payroll periods 14-26, this employee works 155 hours above her payroll percentage and earns 7.75 hours of additional vacation and 7.75 hours of additional sick leave. (155 hours divided by 5 hours = 31 five-hour segments multiplied by .25 hour credited for each 5 hours of additional time worked = 7.75 hours of additional vacation and 7.75 hours of additional sick leave credit.)

B.1. During payroll periods 1-13 of 2004, a half-time ASU employee with ten years of creditable service works a total of 80 hours beyond her normal half-time schedule. This employee would be credited with an additional six and one quarter (6.25) hours of vacation and four (4) hours of sick leave within 60 days after payroll period 13. The vacation is calculated as follows: 80 hours of additional time worked divided by 3.25

hours = 24.62 three and one-quarter hour segments multiplied by .25 hour credited for each 3.25 hours of additional time worked = 6.15 hours. Rounding to the nearest quarter hour, the employee receives 6.25 hours of additional vacation. The sick leave is calculated as described in example A1 above.

B.2. During payroll periods 14-26, this employee works 155 hours above her payroll percentage and earns 12 hours of additional vacation and 7.75 hours of additional sick leave. The vacation is calculated as follows: 155 hours divided by 3.25 hours = 47.69 three and one quarter hour segments multiplied by .25 hour credited for each 3.25 hours of additional time worked = 11.92 hours. Rounding to the nearest quarter hour, the employee receives 12 hours of additional vacation. The sick leave is calculated as described in example A2. above.

3. Employees must charge accruals on the basis of the total number of hours the employee is scheduled to work on a given day, beginning with the first day following the payroll period in which the employee is first credited with additional vacation and sick leave under this Program. Until the first time the employee is credited with additional vacation and sick leave, the employee who takes a day off charges credits only to cover the normal schedule corresponding to the payroll percent and not to cover any additional scheduled hours. The employee simply does not receive pay for those additional hours. Beginning with the pay period after being credited for the first time with additional vacation and sick leave, the employee is required to charge credits for all scheduled hours on a given day, including any additional scheduled hours, and therefore receives pay for those additional hours.

For example, a 50 percent employee on the administrative payroll cycle who works 20 hours per week, four hours per day, begins working additional time for the first time in pay period 1 in fiscal year 2004-2005. On November 1, 2004, the employee takes a day of sick leave, charges 4 hours to cover his normal schedule, and receives 4 hours pay for the day even though he was scheduled to work additional time on that day. On November 3, 2004, the last day of a pay period, the employee is credited for the first time with additional vacation and sick leave under this Program for pay periods 1 through 13. On November 4, 2004, the employee takes a day of vacation. His work schedule on that day is 8 hours, including 4 hours

of additional time. He is required to charge 8 hours to cover his full schedule, and receives 8 hours pay for the day.

4. Vacation and sick leave adjustment credits must be added to the employee's regular vacation and sick leave balances. Employees continue to be subject to a prorated sick leave maximum, and to a prorated vacation maximum on April 1 of each year, based on their payroll percentage. Employees who separate from State service receive a lump sum payment for unused vacation of up to 30 prorated days based on their payroll percentage. Separating employees should be credited as of the date of separation with any additional leave to which they are entitled under this Program so that such leave can be included in the vacation lump sum payment and, for retirees, in the calculation of retirement service credit and the sick leave credit for health insurance in retirement, subject to applicable maximums based on the employee's payroll percentage.

Personal Leave

1. Agencies must review the additional time worked by eligible part-time annual salaried employees once a year. Employees who work additional time will be credited with personal leave adjustment credit once a year on the personal leave adjustment date. The personal leave adjustment date will not change if the employee is not in pay status on that date. The first personal leave adjustment date was May 30, 2001 for the period April 1, 2000 through March 31, 2001.

2. Agencies must credit eligible employees with personal leave adjustment credits proportional to the number of additional hours worked during the 26 pay periods under review. An employee must have worked a minimum of 13 hours of additional time above the number of hours equated to his/her payroll percentage to earn an additional one-quarter (1/4) hour of personal leave. Eligible employees are credited with one-quarter (1/4) hour of personal leave for every 13 hours of additional time worked during the 26 pay periods under review. For this purpose, time worked includes time charged to leave credits.

For example, during the period April 1, 2004 through March 31, 2005, an ISU employee works a total of 235 hours beyond her payroll percentage and earns 4.50 hours of personal leave adjustment time. (235 hours of additional time worked divided by 13 hours = 18.08 13-hour segments multiplied by .25 hour credited for each 13 hours of additional time

worked=4.52 hours. Rounding to the nearest quarter hour, the employee received 4.50 hours of personal leave adjustment credit.)

3. Employees must charge accruals on the basis of the total number of hours the employee is scheduled to work on a given day beginning with the first day following the pay period in which the employee is first credited with additional vacation and sick leave credits under this Program (see Vacation and Sick Leave (3) above).

4. Personal leave adjustment credits accrued as a result of additional time worked will be kept in a separate leave category called “Personal Leave Adjustment.”

5. An employee will have 12 months from the personal leave adjustment date to use personal leave adjustment credits. Unused leave will lapse at close of business on the day prior to the personal leave adjustment date.

6. If the payroll percentage of an eligible employee changes (i.e., 50% to 75%, 50% to 100%, etc.) the employee’s unused regular personal leave balance will be converted to days based on the new percentage. Personal leave adjustment time will not be carried forward.

Additional Issues

Agencies or facilities may develop procedures in local labor/management regarding access during the 60-day recording period, in cases of special need for leave, to vacation, sick leave and personal leave adjustment credits earned but not yet recorded.
