## **Your Retirement Benefits: Employees' Retirement System**

Office of the New York State Comptroller  
**Thomas P. DiNapoli**

## CREDIT FOR YOUR PAST SERVICE

Legislative changes in 2000 allow for the crediting of most previous public employment.

- **Prior Service** — Prior service is any period of time you received salary from a public employer before that employer elected to participate in NYSLRS.
- **Service Before Your Date of Membership** — You may receive credit for working for a participating public employer in New York State before you joined NYSLRS (including Comprehensive Employment and Training Act (CETA) service).
- **Service From a Previous Membership** — If you previously were a member of NYSLRS, or another public retirement system in New York State, your service may be recredited and your date of membership and tier restored.
- **Military Service** — You may be able to get retirement credit for service in the U.S. armed forces.

### To Apply

Submit a Request to Purchase Service Credit (Including any Military Service) (RS5042) form. See page 9-66 for a description and a link to the form on our website. You can also submit an email (using our secure email form), or a letter, that includes the complete details of the service you'd like credited.

**Email:** [www.emailNYSLRS.com](http://www.emailNYSLRS.com)

**Mail:** NYSLRS  
Member and Employer Services Bureau  
110 State Street  
Albany, NY 12244-0001.

### Military Service Credit

To find out if you qualify, please send us a copy of your Certificate of Release or Discharge from Active Duty (DD-214) along with your request. If your military records were destroyed in the 1973 fire at the National Personnel Records Center (NPRC), we will also accept a certificate of military service.

You can request a copy of your records from the National Archives and Records Administration:

**Website:** [www.archives.gov/veterans/military-service-records](http://www.archives.gov/veterans/military-service-records)

**Fax:** 314-801-9195

**Address:** National Personnel Records Center  
1 Archives Drive  
St. Louis, MO 63138-1002

Veterans who have left the armed forces, but maintain reserve status, should contact the reserve component of the appropriate branch of service.

Veterans currently in the National Guard should contact the Adjutant General's Office of New York State. In most cases, recently discharged National Guard members will not be able to get their military records from NPRC until six months after discharge because of the required processing.

For more information about getting credit for your military service, visit our Military Service Credit page at [www.osc.state.ny.us/retire/members/military-service-credit.php](http://www.osc.state.ny.us/retire/members/military-service-credit.php).

## **All Types of Service Credit**

Some things to remember:

- Even if you included past service on your membership application, you must make this formal request to receive credit for it.
- Make your request well before you expect to retire. This gives us sufficient time to get salary and service records from your employer(s), and it allows you ample time to pay for the credit, if necessary.
- Tier 2, 3, 5 and 6 members need two years of service credit in their current memberships before they can claim credit for previous service.
- Members may need at least five years of service credit in their current memberships before they can claim credit for military service. It depends on the particular statute governing the service.
- To establish eligibility for a vested retirement benefit, you must request credit for your previous service while on the payroll of a participating employer. If you receive notice of an associated cost after you've left payroll, you must pay the full amount within 30 days.

## PAYING FOR YOUR CREDIT

There will generally be a cost to claim credit for your previous service. We will send you a letter indicating the amount of previous service credit you are eligible to receive and any applicable cost.

- **Mandatory Service** — If you are covered by a plan that requires contributions (Tier 3, 4, 5 and 6 members), and if no or insufficient contributions were made to NYSLRS, you may owe mandatory payments associated with your past service. In that case, we notify you of the amount due. You may make a single lump sum payment to cover the cost for this service, or you may request that we notify your employer to begin payroll deductions to cover the cost.
- **Optional Service** — If you are seeking credit for military service or public employment before your membership date, any associated payments are optional. Your cost letter will provide payment options and a due date, after which your cost would have to be recalculated. The cost accumulates 5 percent interest compounded annually.

Please review your options carefully before making a decision, and contact us ([www.contactNYSLRS.com](http://www.contactNYSLRS.com)) with any questions you have. You may also want to use our online benefit projection calculator at [www.osc.state.ny.us/retire/members/projecting-your-pension.php](http://www.osc.state.ny.us/retire/members/projecting-your-pension.php). Try calculating your benefit with and without the available credit to help you determine if making the purchase is right for you.

If there is a cost to secure credit for optional past service, there are three ways you can make payment:

1. A single lump sum to cover the entire cost of the past service;
2. Payroll deductions (you may make additional payments if you want to pay off the balance sooner);  
or
3. A trustee-to-trustee transfer from one of the allowable plans below (for optional service only).

408(a) or 408(b) Individual Retirement Account
403(a) Annuity Plan
403(b) Tax-Sheltered Annuity
401(a) or 401(k) Qualified Defined Benefit or Contribution Plan
457 Governmental Deferred Compensation Plan

Transfers from Roth IRAs, inherited IRAs or inherited Roth IRAs are not permitted.

---

**Note:** If you decide on payroll deductions, the payment period cannot exceed the amount of service credit being purchased. For example, if you are purchasing three years of service credit, payroll deductions can be made for up to three years, or until your date of retirement, whichever comes first. At the time of retirement, the total cost must be paid in full or you will receive credit only for that part of your previous service that was paid for. Any mandatory service that has not been paid for by your date of retirement will cause a **permanent** reduction to your monthly benefit.

# Final Average Salary

*Your final average salary (FAS) is an important factor in the calculation of your retirement benefit. For ERS members in Tiers 1 through 5, FAS means the average of the three highest consecutive years of earnings in covered public employment. For Tier 6 members, it is the average of the five highest consecutive years of earnings. This is usually the last years of employment immediately before retirement. However, if there is a consecutive three- or five-year period\* of usable earnings earlier in a member's career that will result in a higher FAS, we will use that higher FAS to calculate the benefit. We do the FAS comparison automatically at the time of your retirement. The earnings used in the FAS calculation may be subject to certain limitations based on the date you joined NYSLRS.*

*\* Not always a calendar or a fiscal year.*

# THREE-YEAR FINAL AVERAGE SALARY

## Tiers 1, 2, 3, 4 and 5

A three-year FAS is the average of the wages earned during any three consecutive years of service when earnings were highest. This is usually the last three years of employment.

The FAS calculation can include, but is not limited to, the following types of payments earned during the FAS period:

- Regular salary;
- Holiday pay;
- Longevity;
- Overtime;\* and
- Vacation pay (up to 30 days for members who joined prior to April 1, 1972, or after July 26, 1976, if the FAS is based on the earnings three years immediately preceding retirement).

In most cases, the following payments **cannot** be included in the FAS:

- Unused sick leave;
- Payments made as a result of working your vacation;
- Any form of termination pay;
- Payments made in anticipation of retirement;
- Lump sum payments for deferred compensation;
- Any payments made for time not worked; and
- Lump sum payments for accumulated vacation if you joined April 1, 1972 through July 26, 1976.

A sample FAS calculation for a member with full-time service and no breaks in employment during the FAS period is provided below:

Example	
Date of Retirement 3/9/2018	
Earnings Period	Usable Earnings
Year 1: 3/9/2017 – 3/8/2018	\$ 46,723
Year 2: 3/9/2016 – 3/8/2017	\$ 44,912
Year 3: 3/9/2015 – 3/8/2016	\$ 42,336
	\$ 133,971 ÷ 3 =
	\$ 44,657 FAS

\* For Tier 5 members, the total amount of overtime and compensatory overtime that can be included in your FAS calculation is limited.

# LIMITATIONS

## Tier 1

Tier 1 members who joined prior to June 17, 1971, are not subject to a limitation. If your date of membership is June 17, 1971, or later, a limitation may apply to the calculation of your FAS. The earnings in any one year used in your FAS calculation cannot exceed the earnings of the previous 12 months by more than 20 percent. Earnings in excess of 20 percent will be excluded from the calculation.

A 20 percent increase in salary from one year to another is unusual. Therefore, most Tier 1 members are not affected by this limitation.

Example		
Tier 1 Member who joined on or after 6/17/71		
Actual Earnings	Limit	Earnings Allowed
Year 1: \$47,000	$\$38,000 \times 1.2 = 45,600$	\$ 45,600
Year 2: \$38,000	$\$37,000 \times 1.2 = 44,400$	\$ 38,000
Year 3: \$37,000	$\$33,000 \times 1.2 = 39,600$	<u>\$ 37,000</u>
Year 4: \$33,000		
		\$ 120,600 ÷ 3 =
		<b>\$ 40,200 FAS</b>

The earnings in Year 1 exceed the earnings in the previous year by more than 20 percent, therefore, the FAS is limited and only the Earnings Allowed can be used in the calculation.

## Tier 2

The earnings in any one year of your FAS calculation cannot exceed the average earnings of the previous two years by more than 20 percent. Earnings in excess of the 20 percent limitation will be excluded from the calculation. Few Tier 2 members are affected by this limitation.

Example		
Tier 2 Member		
Actual Earnings	Limit	Earnings Allowed
Year 1: \$47,000	$\frac{(\$38,000 + \$37,000)}{2} \times 1.2 = 45,000$	\$ 45,000
Year 2: \$38,000	$\frac{(\$37,000 + \$33,000)}{2} \times 1.2 = 42,000$	\$ 38,000
Year 3: \$37,000	$\frac{(\$33,000 + \$32,000)}{2} \times 1.2 = 39,000$	<u>\$ 37,000</u>
Year 4: \$33,000		
Year 5: \$32,000		
		\$ 120,000 ÷ 3 =
		<b>\$ 40,000 FAS</b>

The earnings in Year 1 exceed the average of the earnings in the previous two years by more than 20 percent, therefore, the FAS is limited and only the Earnings Allowed can be used in the calculation.

## Tiers 3, 4 and 5

The earnings in any one year used in the FAS calculation cannot exceed the average earnings of the previous two years by more than 10 percent. Earnings in excess of the 10 percent limitation will be excluded from the calculation. As a result, Tier 3, 4 and 5 members are more likely to be limited in the amount of salary used in their FAS calculation.\*

A lump sum payment for up to 30 days of unused accumulated vacation may be included in the FAS calculation if the total compensation in that 12-month period does not exceed the 10 percent limitation. \*\*

Example		
Tier 3, 4 or 5 Member		
Actual Earnings	Limit	Earnings Allowed
Year 1: \$47,000	$\frac{(38,000 + 37,000)}{2} \times 1.1 = 41,250$	\$ 41,250
Year 2: \$38,000	$\frac{(37,000 + 33,000)}{2} \times 1.1 = 38,500$	\$ 38,000
Year 3: \$37,000	$\frac{(33,000 + 32,000)}{2} \times 1.1 = 35,750$	\$ <u>35,750</u>
Year 4: \$33,000		
Year 5: \$32,000		
		\$ 115,000 ÷ 3 =
		<b>\$ 38,334 FAS</b>

The earnings in Years 1 and 3 exceed the average of the earnings in the previous two years by more than 10 percent, therefore, the FAS is limited and only the Earnings Allowed can be used in the calculation.

\* Tier 5 members are limited in their allowable overtime earnings.

\*\* A lump sum vacation payment will be added into the last year's earnings.

# FIVE-YEAR FINAL AVERAGE SALARY

---

## Tier 6

A five-year FAS is the average of the wages earned during any five consecutive years of service when earnings were the highest. This is usually the last five years of employment.

The five-year FAS calculation can include, but is not limited to, the following types of payments earned during the FAS period:

- Regular salary;
- Holiday pay;
- Longevity pay; and
- Overtime pay.\*

In most cases, the following payments **cannot** be included in the FAS:

- Unused sick leave;
- Payments made as a result of working your vacation;
- Wages in excess of the Governor's salary (currently \$179,000);
- Lump sum payments for deferred compensation;
- Any payments made for time not worked;
- Any form of termination pay;
- Payments made in anticipation of retirement;
- Lump sum payments for accumulated vacation; and
- For members paid by three or more participating employers, wages paid by more than two of those employers.

\* For Tier 6 members, the total amount of overtime and compensatory overtime that can be included in the calculation of your FAS is limited.

## LIMITATIONS

The earnings in any one year used in the FAS calculation cannot exceed the average earnings of the previous four years by more than 10 percent. Earnings in excess of the 10 percent limitation will be excluded from the calculation. As a result, Tier 6 members are likely to be limited in the amount of salary used in their FAS calculation.

### Example

#### Tier 6 Member

Actual Earnings	Limit	Earnings Allowed
Year 1: \$47,000	$\frac{(38,000 + 37,000 + 33,000 + 32,000)}{4} \times 1.1 = 38,500$	\$ 38,500
Year 2: \$38,000	$\frac{(37,000 + 33,000 + 32,000 + 31,000)}{4} \times 1.1 = 36,575$	\$ 36,575
Year 3: \$37,000	$\frac{(33,000 + 32,000 + 31,000 + 30,000)}{4} \times 1.1 = 34,650$	\$ 34,650
Year 4: \$33,000	$\frac{(32,000 + 31,000 + 30,000 + 29,000)}{4} \times 1.1 = 33,550$	\$ 33,000
Year 5: \$32,000	$\frac{(31,000 + 30,000 + 29,000 + 28,000)}{4} \times 1.1 = 32,450$	\$ <u>32,000</u>
Year 6: \$31,000		
Year 7: \$30,000		
Year 8: \$29,000		
Year 9: \$28,000		
		\$ 174,725 ÷ 5 =
		<b>\$ 34,945 FAS</b>

The earnings in Years 1, 2 and 3 exceed the average of the earnings in the previous four years by more than 10 percent, therefore, the FAS is limited and only the Earnings Allowed can be used in the calculation.

# Retirement Plans

*Your retirement plan describes the formula used to calculate your retirement benefit. All calculation examples shown in this section represent the Single Life Allowance payment option, which provides the maximum amount payable for your lifetime.*

*Some ERS members are in retirement plans that allow for retirement, regardless of age, after a specific number of years. These special plans cover job titles such as Corrections Officers, Security Hospital Treatment Assistants, Sheriffs, Undersheriffs and Deputy Sheriffs. If you are in a special plan, you should review your plan booklet for retirement benefit calculation information. Plan booklets are available on our Publications page at [www.osc.state.ny.us/retire/publications/index.php](http://www.osc.state.ny.us/retire/publications/index.php).*

## SERVICE RETIREMENT ELIGIBILITY

To be eligible to collect a retirement benefit, a member must meet one of the following criteria:

- Tier 1 members age 55 or older;
- Tier 2, 3, and 4 members age 55 or older with five or more years of credited service; or
- Tier 5 and 6 members age 55 or older with ten or more years of credited service.

## BENEFIT REDUCTIONS

Your age at retirement could directly impact the calculation of your retirement benefit. Members who meet one of the following criteria can retire with no age-based reduction to their benefits:

- Tier 1 members age 55 or older;
- Tier 2, 3, 4 and 5 members who retire at the age of 62 or older;
- Tier 6 members who retire at age 63 or older; or
- Tier 2, 3, and 4 members who retire between the ages of 55 and 62 with 30 or more years of service credit.

Retirement benefits for members who retire under a regular plan and do not meet one of the criteria listed above will be permanently reduced based on their age on their date of retirement.

Benefit reduction percentages for each tier of membership are provided below. Please note that these reductions are prorated by the month. For example, the pension benefit of a Tier 4 member with less than 30 years of service who retires at the age of 55 years and 6 months old would be permanently reduced by 25.5 percent.

### Benefit Reduction Charts

Age at Retirement	Tiers 2, 3 & 4 Reduction	Tier 5 Reduction	Tier 6 Reduction
63	-	-	0%
62	0%	0%	6.5%

### Section 75-h (State) and Section 75-i (Local)

#### **SERVICE RETIREMENT BENEFIT**

- If you retire with 20 or more years of service credit, your guaranteed service retirement benefit will be 1/50th (2 percent) of your FAS for each year of service credit.
- If you made contributions to NYSLRS, your benefit will include an annuity purchased by the contributions and the interest earned. However, if you retire with an outstanding loan against those contributions, the annuity portion of your benefit will be permanently reduced and a portion of the unpaid balance may be subject to federal income taxes.
- Under this plan, the pension portion of your retirement benefit cannot exceed 75 percent of your FAS (with 37½ or more years of service). However, if you are eligible for the additional service credit provided by Article 19 (see page 9-10), your benefit cap is raised to 79 percent of your FAS.
- Tier 2 members who retire before age 62 with less than 30 years of service are subject to a benefit reduction. (See page 9-22 for reductions.)
- With less than 20 years of service, your benefit will be calculated under either Section 75-d (State) or Section 75-e (local). (See page 9-26 for more information.)

If your service credit at retirement exceeds 37.5 years (or 39.5 years if you are eligible for Article 19 service), you **may** qualify for a higher retirement benefit under Section 75-f or 75-g. (See page 9-25 for calculation information.)

- For New York State employees employed by the State on March 31, 1970, the benefit provided by Section 75-h would be compared to the benefit provided by Section 75-f.
- For employees of local government employers, the benefit provided by Section 75-i would be compared to the benefit provided by Section 75-g.
- Sections 75-f and 75-g provide an annual benefit equal to 50 percent of your FAS for 25 years of service credit plus 1.66 percent of your FAS for each year of service credit over 25 years, with no cap.

<b>Examples</b>	
<b>Tier 1   Age 55</b>	
28 years of service FAS = \$43,500	
$\frac{28 \times \$43,500}{50}$	= \$ 24,360 per year \$ 2,030 per month
<b>Tier 2   Age 55</b>	
28 years of service FAS = \$43,500	
$\frac{28 \times \$43,500}{50}$	= \$ 24,360
	- <u>6,577</u> *
	\$ 17,783 per year
	\$ 1,482 per month
* 27 percent benefit reduction at age 55.	

<b>Example</b>	
<b>Tier 2   Age 55</b>	
30 years of service FAS = \$43,500	
$\frac{30 \times \$43,500}{50}$	= \$ 26,100 per year \$ 2,175 per month

# TIERS 1 & 2

## Section 75-f (State) and Section 75-g (Local)

### SERVICE RETIREMENT BENEFIT

- With 25 or more years of service credit, your service retirement benefit will be 50 percent of your FAS, plus 1/60th (1.66 percent) for each year of service credit over 25 years.
- Tier 2 members who retire before age 62 with less than 30 years of service are subject to a benefit reduction. (See page 9-22 for reductions.)
- If you made contributions to NYSLRS, your benefit will also include an annuity purchased by your contributions and the interest earned. However, if you retire with an outstanding loan against those contributions, the annuity portion of your benefit will be permanently reduced and a portion of the unpaid balance may be subject to federal income taxes.
- With less than 25 years of service credit, State and local employees covered by this plan will have their benefit calculated under Section 75-d and 75-e respectively.

- Tier 2 members who retire before age 62 with less than 30 years of service are subject to a benefit reduction. (See page 9-22 for reductions.)
- If you made contributions to NYSLRS, your benefit will include an annuity purchased by your contributions and the interest earned. ## Article 15

### SERVICE RETIREMENT BENEFIT

- If you retire with less than 20 years of service credit, your pension will equal 1/60th (1.66 percent) of your FAS for each year of service.
- With 20 to 30 years of service credit, your service retirement benefit will equal 1/50th (2 percent) of your FAS multiplied by your years of credited service.
- For each year of credited service beyond 30 years, the benefit will increase by 3/200ths (1.5 percent) of your FAS.
- With less than 30 years of credit, if you choose to retire before age 62, your benefit will be subject to a reduction. (See page 9-22 for reductions.)

#### Examples

##### Age 62

##### Age 55

17 years of service

$$= \$ 8,998 \text{ per year}$$
$$= \$ 750 \text{ per month}$$

\* 27 percent benefit reduction at age 55.

#### Examples

##### Age 62

22 years of service  
FAS = \$43,500

$$\frac{22 \times \$43,500}{50} = \$ 19,140 \text{ per year}$$
$$= \$ 1,595 \text{ per month}$$

##### Age 55

22 years of service  
FAS = \$43,500

$$\frac{22 \times \$43,500}{50} = \$ 19,140$$
$$- \quad \underline{5,167}^*$$
$$= \$ 13,973 \text{ per year}$$
$$= \$ 1,164 \text{ per month}$$

\* 27 percent benefit reduction at age 55.

##### Age 55 Over 30 Years of Service

32 years of service  
FAS = \$43,500

$$\frac{30 \times \$43,500}{50} = \$ 26,100$$
$$(1.5\% \times 2^{**}) \times 43,500 = + \quad \underline{1,305}$$
$$= \$ 27,405 \text{ per year}$$
$$= \$ 2,283 \text{ per month}$$

In this example, the member has more than 30 years of service. Therefore there is no benefit reduction.

# Preparing for Your Retirement

*Retirement is one of the biggest life changes that most people will ever experience. One of the keys to minimizing the uncertainty that can occur during the retirement process is to plan ahead. Properly preparing for your retirement will provide you with the tools and information you'll need to make educated decisions about your benefits. It will also make the process easier to understand and less stressful when it's time to retire.*

# COUNTDOWN TO RETIREMENT

---

For more information, be sure to read our publication, *How Do I Prepare to Retire?* (VO1709).

## UNDERSTANDING YOUR BENEFIT

It's never too early to start planning for your retirement. One of the most important things you should do to prepare is review how much your pension benefit could be. We offer a variety of ways for you to obtain a projection of your future retirement benefits.

When planning for your retirement, you should use more than one — and possibly all — of the methods listed below, depending on where you are in your career.

### Review your Member Annual Statement

For most members, a projection of your future pension benefit is provided each year on your Member Annual Statement. Each statement may include up to three benefit projections based on different possible dates of retirement. While, in most cases, these benefit calculations are conservative, they are an effective planning tool that you can use throughout your entire career.

### Use our Benefit Projection Calculator

Most members, regardless of age, can use the benefit calculator on our website to project what their approximate pension could be based on retirement dates they choose. The calculator also projects benefit amounts under the various payment options available to you at retirement. Visit our website at [www.osc.state.ny.us/retire/members/projecting-your-pension.php](http://www.osc.state.ny.us/retire/members/projecting-your-pension.php) to use the calculator. This service is currently not available to members enrolled in certain plans and to Tier 5 or 6 members.

---

**Note:** These benefit projections are based entirely on salary and service credit information you enter — not Retirement System records. So it's important that you contact us to confirm the information we have in our records for you is accurate and complete **before you make any final decisions regarding your retirement.**

---

### Request a Benefit Projection from our Call Center

Most members, regardless of age, with five or more years of service credit are eligible to request a benefit projection by contacting our Call Center. These benefit projections are based on your salary and service reported by your employer(s) to date. Actively employed members age 50 or older can also request a benefit calculation that projects additional service credit based on a date of retirement up to five years into the future. In most cases, these projections will be mailed to your home address the next business day. This benefit projection method is a great tool for vested members who are considering leaving the payroll before they are old enough to collect their retirement benefits and for those members who will be eligible to retire within five years. If you decide not to retire, you may request a new benefit projection whenever your circumstances change.

### Speak with an Information Representative

We offer you the opportunity to speak with an Information Representative to obtain a projection of your retirement benefits. This consultation service is available at locations throughout New York State. To request a benefit projection or to schedule an appointment, contact our Call Center toll free at 1-866-805-0990, or 518-474-7736 in the Albany, New York area.

## Request an Estimate

If you are within five years of your first eligible date of retirement and have not received credit for all your public service in New York State, you can request an estimate. An estimate provides information about your retirement benefits and the approximate amount you can expect to receive annually and monthly under each of the standard retirement options (sample estimates are provided on pages 9-41 through 9-44).

You can receive this information by submitting a Request for Estimate form (RS6030) or by writing to our Benefit Calculations and Disbursement Services Bureau. See page 9-66 for a description and a link to the form on our website.

Your request must include an estimated date of retirement, the name and birth date of your intended pension beneficiary (if applicable) and a list of your entire public employment history, including military service. The date of retirement on your request cannot be more than five years in the future.

---

**Note:** An estimate can take a number of months to complete, so we recommend you submit your request at least nine to 18 months before your estimated date of retirement.

---

Be sure to review your estimate carefully and report any inconsistencies to us as soon as possible. If you decide not to retire, you may request a new estimate whenever your circumstances change.

## LOCATE PROOF OF YOUR BIRTH DATE

We must have proof of your birth date before any benefits can be paid. In most cases, a photocopy of the document is acceptable — but if you send us the original, we will return it to you.

Please send us a copy of one of the following:

- Birth certificate;
- New York State driver's license issued on or after January 1, 2005;
- Passport or passport card;
- A Marriage Certificate, if it shows the age on a given date or the date of birth;
- Certificate of Release or Discharge from Active Duty (DD-214);
- Baptismal certificate;
- Enhanced driver's license; or
- Naturalization papers.

If you do not have one of these documents readily available, now is the time to hunt them down or arrange to get a replacement. This is especially important if you have to write to an out-of-state registry or a foreign country for an acceptable document. If you intend to choose a retirement option that provides a lifetime benefit to a beneficiary (one of the Joint or Pop-Up options), we also require proof of your beneficiary's birth date.

The National Center for Health Statistics' website contains information for each state on where to write for vital records, such as your birth certificate, and the cost. Visit their site at [www.cdc.gov/nchs/w2w.htm](http://www.cdc.gov/nchs/w2w.htm).

If you are unable to provide one of these documents, please contact us for information about alternative types of proof that are acceptable.

You may forward proof of your and/or your beneficiary's birth dates to us any time before your retirement date. Be sure to include your name, address and retirement account number (registration number or NYSLRS ID) with any documents you want included in your records. Your registration number can be found on your latest Member Annual Statement.

## COMMIT TO PAYING OFF YOUR NYSLRS LOANS

Many members take advantage of our loan program. However, it may be to your advantage, as you near retirement, to commit to paying off (or at least substantially reducing) your NYSLRS loan balances. Some of the remaining balance at retirement may be subject to federal income tax.

If you are a Tier 1 or 2 member with outstanding loans at retirement, your pension will not be affected, but if you are entitled to an annuity (in addition to your pension benefit), it will be permanently reduced.

If you are a Tier 3, 4, 5 or 6 member with an outstanding loan balance at retirement, your pension will be **permanently** reduced.

You can check your current loan balance using *Retirement Online*. Visit our NYSLRS home page at [www.osc.state.ny.us/retire/index.php](http://www.osc.state.ny.us/retire/index.php), then click “Register” or “Sign In.”

You may pay off your loan sooner by increasing the loan payment deducted from your salary. Send us a letter indicating the amount you would like your payments increased to — we will notify your payroll department. Or you may send additional payments directly to us — be sure to write “loan payment” on your check or money order. Additional payments should not be submitted more than once a month. Send your letter and/or payments, along with your name, address and registration number to:

NYSLRS  
Loan Unit  
110 State Street  
Albany, NY 12244-0001

## REVIEW YOUR DOMESTIC RELATIONS ORDER

The New York State Court of Appeals has determined that retirement benefits are considered marital property and can be divided between you and your ex-spouse when the marriage ends. If you divorce, your retirement benefits could be affected in any of the following ways:

- Your ex-spouse may be entitled to a portion of your pension.
- You may be required to name your ex-spouse as beneficiary of any pre-retirement death benefit payable.
- You may be required to elect a retirement option that provides a continuing benefit to your ex-spouse in the event of your death.
- Your ex-spouse may be entitled to a portion of your cost-of-living adjustment.

Any division of your benefits must be stated in the form of a domestic relations order (DRO) — a court order that gives us specific instructions on how your benefits should be divided. We will also need a certified copy of your divorce decree. We highly recommend your attorney send us a proposed DRO for review prior to its entry in court. Orders that are vague, contain inconsistent or contradictory provisions, or are contradictory to plan requirements or New York State law will be rejected. A DRO does not allow for a distribution of your pension until you actually retire, die or terminate membership.

NYSLRS offers an easy-to-complete online DRO template. The template is not required, but because the review process is simplified for all submissions using the DRO template, we can complete our review faster if you use it. We will also honor a properly drawn DRO issued by a New York State court.

We will honor an out-of-state order if you submit a notarized statement to us:

- Consenting to the laws of New York State;
- Authorizing us to make payments from your retirement benefit in accordance with the provisions of the order; and
- Releasing us from any liability whatsoever as a consequence of any payments based upon that order.

For more information about our online DRO template and how divorce may affect retirement benefits, please visit our Divorce and Your Benefits page at: [www.osc.state.ny.us/retire/members/divorce/index.php](http://www.osc.state.ny.us/retire/members/divorce/index.php). If you have any questions, you or your legal representative should email our Matrimonial Bureau at [dro@osc.state.ny.us](mailto:dro@osc.state.ny.us). Inquires may also be faxed to 518-474-7794.

## REVIEW OTHER INCOME SOURCES

A sound financial plan is crucial for a comfortable retirement. At least eight months before you plan to retire, review other sources of retirement income such as savings, investments, a pension from private employment, proceeds from a deferred compensation plan or perhaps income from post-retirement employment.

Experts tell us you will need at least 70 to 80 percent of your pre-retirement income to maintain your current standard of living. The average retiree receives about 35-40 percent of his or her post-retirement income from Social Security. If your earnings have been below average, Social Security may replace more of your income, while an above average income means a lower percentage will be replaced.

The Social Security Administration (SSA) offers many tools to help guide you through the retirement process, including ways to estimate your benefit, which could help you determine the best time to start receiving it. You can view your personal Social Security Statement online or you can request that a statement be mailed to you by completing a form. Visit the SSA's website at [www.ssa.gov](http://www.ssa.gov) to find out more about your Social Security Statement.

## **PREPARE A RETIREMENT BUDGET**

Once you determine what your expected income will be, it's time to prepare a budget. Having a budget allows you to decide how you want to spend your money and helps you keep your long-term goals in focus.

You will need to determine how you spend your money, so it is a good idea to keep track of your expenses over a month or two. Don't forget to include expenses that occur periodically, such as car insurance or property and school taxes. You will also want to include money you set aside for an emergency fund or save for future goals. We have included a set of work sheets to help you in your budget preparation on pages 9-38 to 9-40.

## **REVIEW YOUR HEALTH INSURANCE COVERAGE**

We do not administer health insurance programs for retirees. Before you retire, check with your employer's health benefits administrator to determine your eligibility for post-retirement coverage for yourself and your family. The administrator will be able to provide you with information concerning the type of coverage available, the cost and how much you must pay.

If you are not eligible for coverage through your employer after retirement or you need supplemental coverage, visit [www.nystateofhealth.ny.gov](http://www.nystateofhealth.ny.gov) well in advance of retiring for more information on health insurance options available to you and your family.

For New York State employees and retirees, the New York State Department of Civil Service administers the New York State Health Insurance Program (NYSHIP). Your health benefits administrator should be able to answer your questions about your coverage as a retiree. You can also visit the Department of Civil Service's website at [www.cs.ny.gov](http://www.cs.ny.gov) or call them at 1-800-833-4344 or 518-457-5754 to learn more.

# Applying for Your Service Retirement Benefit

*Applying for your service retirement benefit is relatively easy, especially if you have taken the proper steps to prepare for your retirement. However, it is important you know exactly what your responsibilities are. It will also help if you understand how we will be handling our part of the process.*

*Remember — we are here to help if you need us. If you have any concerns or questions about applying for your service retirement benefit, please contact our Call Center to speak with a customer service representative.*

## FILING YOUR RETIREMENT APPLICATION

You must file a completed Application for Service Retirement form (RS6037) with us to receive your retirement benefit. See page 9-67 for a description and a link to the form on our website.

Retirement applications, and many other documents, are required by law to be filed with the Office of the State Comptroller within specific time limits. Your retirement application must be on file with us for at least 15 days, but not more than 90 days, before your retirement date. The 15-day filing requirement is waived if you are over age 70 at retirement.

For your application to be considered as “filed with the Comptroller,” it must be received by our Albany office, one of our consultation sites or another office of the State Comptroller. **Giving your employer the form does not mean that you have “filed with the Comptroller.”**

Instead of visiting our offices to file time-sensitive documents, you can fulfill the filing requirement by mailing your application to us. If you mail your retirement application or option election form using “Certified Mail — Return Receipt Requested,” the postmark date will serve as the date of filing. If you mail your application or option election form using regular mail, and you die between the time you mail it and the time we receive it, a *legible* postmark will serve as the filing date.

We will send you a confirmation letter approximately two to three weeks after we receive your retirement application. We will also notify your employer you have filed for retirement. If you received an estimate or benefit projection from us within the past 18 months, our letter will include an Option Election form for you to choose how you want your retirement benefit paid based on the information supplied in that estimate or projection. Also included will be a W-4P form, enabling you to have federal taxes withheld each month, and a Direct Deposit Enrollment Application (RS6370), so you can have your pension deposited directly into the bank account of your choice.

We will send a new estimate of your retirement benefits **only if** you have not received an estimate or benefit projection from us within the last 18 months or if your retirement plan calculation recently changed. Included with this estimate will be an Option Election form for you to choose how you want your retirement benefit paid.

## **DETERMINE YOUR FEDERAL WITHHOLDING**

Your NYSLRS pension is subject to federal income tax. A W-4P form (Withholding Certificate for Pension or Annuity Payments) will be mailed to you with your retirement confirmation letter. A W-4P form enables you to have federal taxes withheld from your monthly benefit. If you have questions, visit our Taxes and Your Pension page at [www.osc.state.ny.us/retire/retirees/tax\\_services\\_information.php](http://www.osc.state.ny.us/retire/retirees/tax_services_information.php).

You can also use our federal tax withholding calculator. By entering your anticipated monthly benefit, whether you are single or married, and the number of dependents you claim, the calculator will show you how much federal tax will be withheld from your retirement benefit. Of course, if you have other sources of taxable income besides your pension, you may want to have more withheld — check with your tax adviser to determine the appropriate amount.

If you do not submit a completed W-4P form to us, we can still process your retirement application. But, when we pay your monthly benefit, the amount of federal tax withheld will be based on the status “married with three dependents.” This may or may not be adequate for your needs. You can, however, change your federal withholding tax status anytime. Refer to page 9-68 for a description and a link to the form on our website.

Your pension is not subject to New York State income tax. If you are planning to move to another state after you retire, check with that state’s tax department to see if your retirement benefit is taxable there. You can also visit the Retired Public Employees Association’s website at [www.rpea.org](http://www.rpea.org). There you will find a complete list of states that tax and do not tax your New York State retirement benefit.

## **CHOOSING A PENSION PAYMENT OPTION**

At retirement, you must decide how you want your retirement benefit paid. You can choose from several options, all of which will provide you with a monthly benefit for life. For example, you may elect the Single Life Allowance, which provides the maximum amount payable during your lifetime, with nothing payable to a beneficiary upon your death. Or you may choose a smaller monthly benefit to provide for a payment to a designated beneficiary after your death.

## **FILING YOUR OPTION ELECTION**

You must file your Option Election form (unless notified otherwise, as in the case of disability retirement) before the first day of the month following your retirement date. You have up to 30 days after your pension benefit becomes payable to change your selection. We do not expect you to select your payment option if you have not received an estimate or benefit projection, showing the amounts payable under each available option, within the past 18 months. In that case, we will mail you an estimate after we receive your retirement application, and with your estimate we will let you know the due date for your Option Election form.

If your election is not timely, by law we must process your retirement as if you had selected:

- Tier 1 or 2 members, the Cash Refund — Contributions option; or
- Tier 3, 4, 5 or 6 members, the Single Life Allowance option.

Option Election forms can be downloaded from our Forms page at [www.osc.state.ny.us/retire/forms/index.php](http://www.osc.state.ny.us/retire/forms/index.php).

### **Single Life Allowance (Option 0)**

This option provides the maximum benefit payment to you each month for the rest of your life. Under this selection, all payments cease upon your death. When you die (even if it is soon after retiring), nothing will be paid to any beneficiary.

### **Cash Refund — Contributions**

(Available only to members with annuity savings contributions on deposit)

This option will provide you with a reduced monthly benefit for your lifetime. At your death, the unpaid balance of your accumulated annuity savings contributions will be paid to your beneficiary or your estate. If all of your accumulated annuity savings contributions have been expended, all payments will cease upon your death. The mandatory contributions made by Tier 3 (Article 14), 5 and 6 members are not annuity savings contributions.

### **Cash Refund — Initial Value**

(Available only to Tier 1 members)

This option will provide you with a reduced monthly benefit for your lifetime. It guarantees that if you die before receiving retirement benefit payments that equal the initial value of your benefit, the balance of the initial value will be paid to your beneficiary or estate. “Initial value” is an actuarial term for the value of your retirement benefit at the time of retirement.

If you live long enough, you will receive your initial value amount and more in your monthly benefit. However, if you die after the full initial value amount has been paid out to you, no benefit is payable to your beneficiary.

### **Five Year Certain**

This option will provide you with a reduced monthly benefit for your lifetime, with the additional guarantee that if you live for less than five years after retirement, payments in the same amount you were receiving (without COLA) will be made to your beneficiary for the balance of the five-year period. You may change your beneficiary anytime within the five-year period.

## **Ten Year Certain**

This option will provide you with a reduced monthly benefit for your lifetime, with the additional guarantee that if you live for less than ten years after retirement, payments in the same amount you were receiving (without COLA) will be made to your beneficiary for the balance of the ten-year period. You may change your beneficiary anytime within the ten-year period.

### **Joint Allowance — Full\***

This option will provide you with a reduced monthly benefit for your lifetime and is based on your birth date and that of your beneficiary. After your death, your beneficiary will receive the same monthly amount you were receiving (without COLA) for life. If your beneficiary dies before you, all payments will cease upon your death.

### **Joint Allowance — Half\***

(Available to Tier 1 and 2 members)

This option will provide you with a reduced monthly benefit for your lifetime and is based on your birth date and that of your beneficiary. After your death, your beneficiary will receive one-half of the monthly benefit you were receiving (without COLA) for life. If your beneficiary dies before you, all payments will cease upon your death.

### **Joint Allowance — Partial\***

(Available to Tier 3, 4, 5 and 6 members)

This option will provide you with a reduced monthly benefit for your lifetime, and is based on your birth date and that of your beneficiary. After your death, your beneficiary will receive a specific percentage of your benefit (without COLA) which you select (75, 50 or 25 percent) for his or her lifetime. If your beneficiary dies before you, all payments will cease upon your death.

### **Pop-Up/Joint Allowance — Full\***

This option will provide you with a reduced monthly benefit for your lifetime. If you die before your beneficiary, we will continue paying the same monthly amount you were receiving (without COLA) to your beneficiary for life. If your beneficiary dies first, your benefit will be increased to the amount you would have received if you had selected the Single Life Allowance at retirement, and all payments will cease upon your death.

### **Pop-Up/Joint Allowance — Half\***

This option will provide you with a reduced monthly benefit for your lifetime. If you die before your beneficiary, we will pay one-half of the monthly amount you were receiving (without COLA) to your beneficiary for life. If your beneficiary dies first, your benefit will be increased to the amount you would have received if you had selected the Single Life Allowance at retirement, and all payments will cease upon your death.

## Alternative Option

If the options described here do not meet your needs, we will consider written requests for other payment methods. These requests must be outlined in detail by you and then approved by us for legal and actuarial soundness.

---

**Note:** If you choose one of the following retirement options, you may change your *pension beneficiary* designation after the last day of the month in which you retire:

- Cash Refund — Contributions
- Cash Refund — Initial Value
- Five or Ten Year Certain
- Alternative Option (depending on the terms of payment)

To do this, complete a Pensioner Designation of Beneficiaries form (RS6439), available on our website at [www.osc.state.ny.us/retire/forms/rs6439.pdf](http://www.osc.state.ny.us/retire/forms/rs6439.pdf).

---

*\* If you elect this option, you must submit proof of your beneficiary's birth date. You can designate only one beneficiary and you cannot change your designation after your retirement. If your beneficiary is your spouse at the time of your death, he or she will be eligible for 50 percent of your COLA. For more information on COLA, see page 9-52.*

## PARTIAL LUMP SUM (PLS) PAYMENT OPTION

Chapter 135 of the Laws of 2014 allows eligible members to elect to receive a partial lump sum (PLS) payment at retirement. If you elect a PLS payment, your monthly benefit will be permanently reduced. To be eligible for the PLS payment, your county employer must first adopt a resolution to provide this option to its eligible employees and you must:

- Be employed as a sheriff, undersheriff, deputy sheriff or county correction officer;
- Retire under a plan that allows for retirement after 20 or 25 years of creditable service;
- Have been eligible to retire for at least one full year prior to your actual date of retirement; and
- Retire with a service retirement benefit (not a disability retirement).

Depending on the number of years you have been eligible to retire, your choice of the PLS payment can be either 5, 10, 15, 20, or 25 percent of the actuarial value of your retirement benefit at the time of retirement.

For more detailed information, including the taxability of a PLS payment, please refer to our publication, [www.osc.state.ny.us/retire/publications/vo1750.php](http://www.osc.state.ny.us/retire/publications/vo1750.php).

# After You Retire

*The retirement process doesn't stop once you reach your date of retirement. There is still work to be done and a number of things you should know ahead of time to ensure that you are prepared for what happens next.*

## **PENSION PAYMENTS**

For most members, you will receive your first pension payment at the end of the month following your retirement month. If you have a domestic relations order on file, or if you have not submitted your proof of date of birth or pension payment option form, your first payment may be delayed.

Sign up for our Direct Deposit Program and have your retirement benefits deposited directly into your bank account. Direct deposit is quick and safe. In most cases, your money is available immediately; no waiting for a check in the mail.

To sign up, complete a Direct Deposit Application (RS6370) and return it to us. Be sure to attach a voided check or have a bank representative complete section three of the form. Refer to page 9-67 for a description and a link to the form on our website.

If you do not enroll in direct deposit, your pension check will be mailed on the second-to-last business day of each month for that month.

If you have questions about when you will receive your first pension payment, please contact us ([www.contactNYSLRS.com](http://www.contactNYSLRS.com)).

## **FINAL CALCULATION LETTER AND RETROACTIVE PAYMENTS**

When we complete your benefit calculation we will mail you a letter explaining how we determined your retirement benefit. This final calculation letter will provide you with the amount of the benefit you will be receiving each month for the remainder of your life. It will also provide you with the total amount of the pension you have earned up to that point and the total amount already paid to you.

If the total amount of the pension you have earned up to that point exceeds the total amount you were paid, we will issue you a retroactive payment to make up the difference (less federal withholding, if applicable).

## **COST-OF-LIVING ADJUSTMENTS**

Once you meet the eligibility requirements, including age and number of years retired, your retirement benefit will permanently increase each year. This adjustment, subject to pension caps and limitations, is 50 percent of the previous year's annual rate of inflation, but never less than 1 percent or more than 3 percent of your benefit. The adjustment percentage is applied only to the first \$18,000 of your Single Life Allowance, even if you selected a different option at retirement.

You will begin receiving cost-of-living adjustments (COLAs) when you are:

- Age 62 or older and retired for five or more years;
- Age 55 or older and retired for ten or more years (generally applies to members in special plans that allow for retirement, regardless of age, after a specific number of years); or
- Receiving a disability pension for five or more years.

Also eligible:

- The beneficiary of a deceased member who has been receiving the accidental death benefit for five or more years; and
- The spouse of a deceased retiree who is receiving a lifetime benefit (under an option elected by the retiree at retirement) is entitled to one-half the COLA amount that would have been paid to the retiree, when he or she would have met the eligibility criteria.

## THINKING OF RETURNING TO WORK?

Your earnings may be limited if you return to work after retiring. The Retirement and Social Security Law regulates post-retirement employment for all members of NYSLRS. The rules and restrictions differ depending on:

- The type of retirement you are receiving (service or disability);
- The employer you will be working for (private, public, federal government, yourself, etc.);
- Your date of membership and tier; and
- Your age.

Violating the rules can result in the loss, suspension or reduction of your retirement benefit. For more information on post-retirement employment, please visit our website, contact us, or read our booklet, *What If I Work After Retirement?* (VO1648) available on our website at [www.osc.state.ny.us/retire/publications/vol1648.php](http://www.osc.state.ny.us/retire/publications/vol1648.php).

## ORGANIZE YOUR LEGAL AND FINANCIAL PAPERS

If you have not already done so, now is the perfect time to organize all your important papers and legal documents — it is surprising how many you can accumulate over a lifetime. Having your important papers organized will help family members keep your financial and legal matters in order during an extended vacation or severe illness or, in the event of your death, settle your estate. We have included the worksheet, *Where My Assets Are* (VO1848), on the next page, to help you with this task.

It is important that you store this information in a safe but accessible location — preferably not in a safe deposit box because any items kept there will not become available until a probate judge orders the box to be opened under court supervision. Be sure to keep it updated and let the executor of your estate or a trusted relative or friend know where it can be found.

We will consider it filed when it is delivered to us by the Post Office. If you are concerned about meeting a filing deadline, you can mail the document via “Certified Mail — Return Receipt Requested.” When we receive the document, it will be considered as having been filed on the same date it was mailed.

# Withholding Certificate for Pension or Annuity Payments (W-4P)

[www.osc.state.ny.us/retire/forms/rs4531.pdf](http://www.osc.state.ny.us/retire/forms/rs4531.pdf)

Use this form to have federal taxes withheld from your monthly retirement benefit. You may also use this form to make adjustments to your federal income tax withholding. If you are not sure how much should be withheld, read through our *Taxes and Your Pension* page and use the federal tax withholding calculator on our website at [www.osc.state.ny.us/retire/retirees/tax\\_services\\_information.php](http://www.osc.state.ny.us/retire/retirees/tax_services_information.php).

If you do not submit a completed W-4P form to us, the amount of federal tax withheld will default to the status “married with three dependents” when we pay your monthly benefit. This may or may not be adequate for your needs. However, you can change your federal withholding tax status anytime.

For more information on determining your federal withholding, please see page 9-47.
