

## **NYS Network Child Care Centers**

A network of centers supported by NYS and the public employee unions.

**Convenient early care and education centers across New York State give enrollment priority to children of state employees**

### **Why choose one of the network centers?**

- Enrollment priority and affordable rates for children of state employees
- For the peace of mind that comes from having your child close by
- Assurance that your child is in a licensed program with trained care providers
- Most centers offer infant care, part-time care, toddler, and pre-school programs
- Summer day camps for school-age children are available at many centers
- Some centers have Universal Pre-Kindergarten programs
- Many centers are participating in QUALITYstarsNY
- Mothers can return to work yet continue nursing
- Nutritious meals and snacks are provided in accordance with federal guidelines
- Many are accredited by the National Association for the Education of Young Children
- Centers are part of a statewide network and receive training and grants supported by labor-management funding
- Network centers are not-for-profit organizations
- Opportunities for state employees to serve on the center's board of directors
- All centers have been in operation at least 10 years, some more than 30
